## MANAGEMENT PRESENCE IN HONG KONG

Rule 8.12 of the Listing Rules requires that a new applicant applying for a primary listing on the Stock Exchange must have a sufficient management presence in Hong Kong. This normally means that at least two of its executive directors must be ordinarily resident in Hong Kong.

Notwithstanding our Group operates as an all-round online financial services platform based in Hong Kong with an extended international footprint in the U.S. and Singapore as well as strong background and abundant resources in the PRC, our executive Directors and a majority of our senior management members are and will continue to be based in Shenzhen, the PRC, being the city where we commenced our operations in December 2007 and locate a majority of our management and administration resources.

Accordingly, we have applied to the Stock Exchange for, and the Stock Exchange has granted a waiver from strict compliance with the requirements set out in Rule 8.12 of the Listing Rules. In order to maintain effective communication with the Stock Exchange, we will put in place the following measures in order to achieve regular communication with the Stock Exchange:

- (a) The Company has appointed Mr. Li, our founder, chairman of the Board, executive Director and chief executive officer, and Ms. Lam Wing Chi (“**Ms. Lam**”, one of the joint company secretaries of the Company), as the authorized representatives (“**Authorized Representatives**”) for the purpose of Rule 3.05 of the Listing Rules. They will act as the Company’s principal channel of communication with the Stock Exchange. Each of them has confirmed that he/she can be readily contactable by phone, facsimile and email to deal promptly with enquiries from the Stock Exchange. In addition, in order to further ensure that enquiries from the Stock Exchange will be promptly dealt with, Mr. Arthur Yu Chen (“**Mr. Chen**”), our chief financial officer who ordinarily resides in Hong Kong, has also been appointed as an alternate authorized representative of the Company for communication with the Stock Exchange. The Company has provided contact details of the two Authorized Representatives and Mr. Chen to the Stock Exchange and will inform the Stock Exchange as soon as practicable in respect of any change in the Company’s authorized representatives. Mr. Li has also confirmed that he possesses valid travel documents to visit Hong Kong and will be able to meet with the Stock Exchange within a reasonable period of time, when required. The Directors have also provided their contacts to the Stock Exchange and the Authorized Representatives pursuant to Rule 3.20 of the Listing Rules;
- (b) Our Authorized Representatives and Mr. Chen have means of contacting all Directors (including the independent non-executive Directors) promptly at all times as and when the Stock Exchange proposes to contact a Director with respect to any matters;
- (c) All the Directors who are not ordinarily resident in Hong Kong have or can apply for valid travel documents to visit Hong Kong for business purposes and would be able to meet with the Stock Exchange upon reasonable notice;
- (d) Our Company has appointed Guotai Junan Capital Limited as our compliance adviser (the “**Compliance Adviser**”) in compliance with Rules 3A.19 and 8A.33 of the Listing Rules. The Compliance Adviser will, among other things and in addition to the Authorized Representatives, provide our Company with professional advice on continuing obligations under the Listing Rules and act as additional channel of communication of our Company with the Stock Exchange from the Listing. Further, pursuant to Rule 8A.33 of the Listing Rules, the Company is required to engage a compliance advisor on a permanent basis; and

- (e) Meetings between the Stock Exchange and our Directors could be arranged through our Authorized Representatives or our Compliance Adviser, or directly with our Directors within a reasonable period. Our Company will inform the Stock Exchange as soon as practicable in respect of any change in the Authorized Representatives, the Directors and/or the Compliance Adviser of the Company in accordance with the Listing Rules.

## JOINT COMPANY SECRETARIES

Pursuant to Rules 3.28 and 8.17 of the Listing Rules, a new applicant for listing on the Stock Exchange must appoint a company secretary who, by virtue of his/her academic or professional qualifications or relevant experience, is, in the opinion of the Stock Exchange, capable of discharging the functions of the company secretary.

Pursuant to Note 1 to Rule 3.28 of the Listing Rules, the Stock Exchange considers the following academic or professional qualifications to be acceptable:

- (a) a member of The Hong Kong Institute of Chartered Secretaries;
- (b) a solicitor or barrister (as defined in the Legal Practitioners Ordinance (Chapter 159 of the Laws of Hong Kong)); and
- (c) a certified public accountant (as defined in the Professional Accountants Ordinance (Chapter 50 of the Laws of Hong Kong)).

In addition, pursuant to Note 2 to Rule 3.28 of the Listing Rules, in assessing “relevant experience”, the Stock Exchange will consider the individual’s:

- (a) length of employment with the issuer and other issuers and the roles he/she played;
- (b) familiarity with the Listing Rules and other relevant laws and regulations including the SFO, Companies Ordinance, Companies (Winding Up and Miscellaneous Provisions) Ordinance, and the Takeovers Code;
- (c) relevant training taken and/or to be taken in addition to the minimum requirement under Rule 3.29 of the Listing Rules; and
- (d) professional qualifications in other jurisdictions.

We have appointed Mr. Yu Qian (“**Mr. Yu**”) and Ms. Lam, as the joint company secretaries of our Company. Mr. Yu is currently the legal director of the Company and has extensive experience in handling corporate, legal and regulatory compliance and administrative matters, as well as a thorough understanding of the daily operations and internal administration of our Group. Mr. Yu presently does not possess the qualifications under Rules 3.28 and 8.17 of the Listing Rules, and may not be able to fulfill the requirements of the Listing Rules on his own. Therefore, our Company has appointed Ms. Lam, who fully meets the requirements stipulated under Rules 3.28 and 8.17 of the Listing Rules, to act as the other joint company secretary and provide assistance to Mr. Yu for an initial period of three years from the Listing Date. Ms. Lam is a Chartered Secretary, a Chartered Governance Professional and an associate of both The Hong Kong Chartered Governance Institute (formerly “**The Hong Kong Institute of Chartered Secretaries**”) and The Chartered Governance Institute (formerly “**The Institute of Chartered Secretaries and Administrators**”) in the United Kingdom. For further details about Mr. Yu and Ms. Lam’s qualifications and experiences, please see “Directors and Senior Management — Joint Company Secretaries” in the Listing Document.

Accordingly, we have applied to the Stock Exchange for, and the Stock Exchange has granted, a waiver from strict compliance with the requirements under Rules 3.28 and 8.17 of the Listing Rules for an initial period of three years from the Listing Date in accordance with Guidance Letter HKEX-GL108-20, on the basis of the proposed arrangements below:

- (a) Mr. Yu will endeavor to attend relevant training courses, including briefings on the latest changes to the relevant applicable Hong Kong laws and regulations and the Listing Rules which will be organized by our Hong Kong legal advisers on an invitation basis and seminars organized by the Stock Exchange for listed issuers from time to time;
- (b) Both Mr. Yu and Ms. Lam have confirmed that each of them will be attending a total of no less than 15 hours of training courses on the Listing Rules, corporate governance, information disclosure, investors relation as well as the functions and duties of the company secretary of a Hong Kong listed issuer during each financial year as required under Rule 3.29 of the Listing Rules;
- (c) Ms. Lam will assist Mr. Yu to enable him to acquire the relevant experience (as required under Rule 3.28 of the Listing Rules) to discharge the duties and responsibilities as our company secretary;
- (d) Ms. Lam will communicate regularly with Mr. Yu on matters relating to corporate governance, the Listing Rules and any other laws and regulations which are relevant to our Company and its affairs. Ms. Lam will work closely with, and provide assistance for, Mr. Yu in the discharge of his duties as a company secretary, including organizing our Board meetings and Shareholders' general meetings;
- (e) Upon expiry of Mr. Yu's initial term of appointment as the company secretary of our Company, our Company will evaluate his experience in order to determine if he has acquired the qualifications required under Rule 3.28 of the Listing Rules, and whether on-going assistance should be arranged so that Mr. Yu's appointment as the company secretary of the Company continues to satisfy the requirements under Rules 3.28 and 8.17 of the Listing Rules;
- (f) The Company has appointed Guotai Junan Capital Limited as our Compliance Adviser pursuant to Rules 3A.19 and 8A.33 of the Listing Rules which will act as the additional communication channel with the Stock Exchange from the Listing Date and provide professional guidance and advice to the Company and Mr. Yu as to the compliance with the Listing Rules and all other applicable laws and regulations; and
- (g) The waiver can be revoked with immediate effect if there are material breaches of the Listing Rules by the Company.

Prior to the expiry of the initial three-year period, the qualification of Mr. Yu will be re-evaluated to determine whether the requirements as stipulated in Note 2 to Rule 3.28 of the Listing Rules can be satisfied.

## CONTINUING CONNECTED TRANSACTIONS

We have entered into, and are expected to continue certain transactions which will constitute non-exempt continuing connected transactions of our Company under the Listing Rules upon the Listing. Accordingly, we have applied to the Stock Exchange for, and the Stock Exchange has granted, waivers from strict compliance with (where applicable) (i) the announcement, (ii) annual reporting requirement, (iii) independent Shareholders' approval requirement, (iv) the annual cap requirement, and (v) the requirement of limiting the term of the continuing connected transactions under Chapter 14A of the Listing Rules. For further details in this respect, see "Connected Transactions" in the Listing Document.

## REQUIREMENTS RELATING TO THE ARTICLES OF ASSOCIATION OF THE COMPANY

As the Company is applying for a dual primary listing on the Stock Exchange, the Articles are required to comply with Appendix 3 to the Listing Rules, which sets out the core shareholder protection standards. Rule 19.30(1)(b) of the Listing Rules provides that the Stock Exchange may refuse a listing if it is not satisfied that the overseas issuer's primary listing is or is to be on an exchange where the standards of shareholder protection are at least equivalent to those provided in Hong Kong.

Rule 8A.44 of the Listing Rules requires issuers with WVR structure such as our Company to give force to the requirements of Rules 8A.07, 8A.09, 8A.10, 8A.13, 8A.14, 8A.15, 8A.16, 8A.17, 8A.18, 8A.19, 8A.21, 8A.22, 8A.23, 8A.24, 8A.26, 8A.27, 8A.28, 8A.29, 8A.30, 8A.31, 8A.32, 8A.33, 8A.34, 8A.35, 8A.37, 8A.38, 8A.39, 8A.40 and 8A.41 of the Listing Rules by incorporating them into their articles of association or equivalent document (together with the requirements under Appendix 3 to the Listing Rules, the "**Listing Rules Articles Requirements**").

The Articles do not comply with some of the Listing Rules Articles Requirements, namely, (i) paragraphs 4(2), 14(1), 14(2), 14(3), 14(4), 14(5), 15, 16, 17, 19, 20 and 21 of Appendix 3 to the Listing Rules, (ii) Rules 8A.09, 8A.10, 8A.13 to 8A.19, 8A.22 to 8A.24, 8A.26 to 8A.35 and 8A.37 to 8A.41 of the Listing Rules (together, the "**Unmet Listing Rules Articles Requirements**"). Other than the said Unmet Listing Rules Articles Requirements, the remaining Listing Rules Articles Requirements are met by the Articles. The Company will seek Shareholders' approval to incorporate the Unmet Listing Rules Articles Requirements into its Articles at its first general meeting to be convened on or before June 30, 2023 (the "**First GM**").

Details of the Unmet Listing Rules Articles Requirements to be incorporated into the Articles are set out below:

### ***(a) To be approved by Dual Class-based Resolution (defined below)***

- (1) The articles of association shall stipulate that a super-majority vote (at least three-fourths of the voting rights of the members holding shares in that class present and voting in person or by proxy at a separate general meeting of members of the class where the quorum for such meeting shall be holders of at least one third of the issued shares of the class) of the issuer's members of the class to which the rights are attached shall be required to approve a change to those rights (paragraph 15 of Appendix 3 to the Listing Rules);

**(b) To be approved by Single Class-based Resolution (defined below)**

- (2) Non-WVR shareholders (as defined under the Listing Rules) must be entitled to cast at least 10% of the votes that are eligible to be cast on resolutions at the listed issuer's general meetings.

*Note 1: Compliance with this rule means, for example, that an issuer cannot list with a WVR structure that attaches 100% of the right to vote at general meetings to the beneficiaries of weighted voting rights.*

*Note 2: A beneficiary of weighted voting rights must not take any action that would result in a non-compliance with this rule.*

A listed issuer must not increase the proportion of shares that carry weighted voting rights above the proportion in issue at the time of listing.

*Note: If the proportion of shares carrying weighted voting rights is reduced below the proportion in issue at the time of listing, Rule 8A.13 of the Listing Rules shall apply to the reduced proportion of shares carrying weighted voting rights (Rules 8A.09 and 8A.13 of the Listing Rules);*

- (3) A class of shares conferring weighted voting rights in a listed issuer must not entitle the beneficiary to more than ten times the voting power of ordinary shares, on any resolution tabled at the issuer's general meetings (Rule 8A.10 of the Listing Rules);
- (4) A listed issuer with a WVR structure may only allot, issue or grant shares carrying weighted voting rights with the prior approval of the Stock Exchange and pursuant to (a) an offer made to all the issuer's shareholders pro rata (apart from fractional entitlements) to their existing holdings; (b) a pro rata issue of shares to all the issuer's shareholders by way of scrip dividends; or (c) pursuant to a stock split or other capital reorganization; provided that the Stock Exchange is satisfied that the proposed allotment or issuance will not result in an increase in the proportion of shares carrying weighted voting rights:
- (i) if, under a pro rata offer, beneficiaries of weighted voting rights do not take up any part of the shares carrying weighted voting rights (or rights to those shares) offered to them, those shares (or rights) not taken up could only be transferred to another person on the basis that such transferred rights will only entitle the transferee to an equivalent number of ordinary shares; and
  - (ii) to the extent that rights in a listed issuer's shares not carrying weighted voting in a pro rata offer are not taken up in their entirety (e.g. in the case where the pro rata offering is not fully underwritten), the number of the listed issuer's shares carrying weighted voting rights that can be allotted, issued or granted must be reduced proportionately (Rule 8A.14 of the Listing Rules);

- (5) If a listed issuer with a WVR structure reduces the number of its shares in issue (e.g. through a purchase of its own shares) the beneficiaries of weighted voting rights must reduce their weighted voting rights in the issuer proportionately (for example through conversion of a proportion of their shareholding with those rights into shares without those rights), if the reduction in the number of shares in issue would otherwise result in an increase in the proportion of the listed issuer's shares that carry weighted voting rights (Rule 8A.15 of the Listing Rules);
- (6) After listing, a listed issuer with a WVR structure must not change the terms of a class of its shares carrying weighted voting rights to increase the weighted voting rights attached to that class (Rule 8A.16 of the Listing Rules);

*Note: If a listed issuer wishes to change the terms of a class of its shares carrying weighted voting rights to reduce those rights it may do so but must, in addition to complying with any requirements under law, first obtain the prior approval of the Stock Exchange and, if approval is granted, must announce the change.*

- (7) The beneficiary's weighted voting rights in a listed issuer must cease if, at any time after listing, the beneficiary is:
  - (i) deceased;
  - (ii) no longer a member of the issuer's board of directors;
  - (iii) deemed by the Stock Exchange to be incapacitated for the purpose of performing his or her duties as a director; or
  - (iv) deemed by the Stock Exchange to no longer meet the requirements of a director set out in the Listing Rules.

The weighted voting rights attached to a beneficiary's shares must cease upon transfer to another person of the beneficial ownership of, or economic interest in those shares or the control over the voting rights attached to them (through voting proxies or otherwise). A limited partnership, trust, private company or other vehicle may hold shares carrying weighted voting rights on behalf of a beneficiary of weighted voting rights provided that such an arrangement does not result in a circumvention of Rule 8A.18(1) of the Listing Rules. The Stock Exchange would not consider a lien, pledge, charge or other encumbrance on shares carrying weighted voting rights to be a transfer for the purpose of Rule 8A.18 of the Listing Rules on condition that this does not result in the transfer of the legal title or beneficial ownership of those shares or the voting rights attached to them (through voting proxies or otherwise). The Stock Exchange would consider a transfer to have occurred under Rule 8A.18 of the Listing Rules if a beneficiary of weighted voting rights and a non-WVR shareholder(s) enter into any arrangement or understanding to the extent that this resulted in a transfer of weighted voting rights from the beneficiary of those weighted voting rights to the non-WVR shareholder (Rules 8A.17, 8A.18(1), 8A.18(2) and 8A.19 of the Listing Rules).

If a vehicle holding shares carrying weighted voting rights in a listed issuer on behalf of a beneficiary no longer complies with Rule 8A.18(2) of the Listing Rules, the beneficiary's weighted voting rights in the listed issuer must cease. The issuer and beneficiary must notify the Stock Exchange as soon as practicable with details of the non-compliance;

- (8) A listed issuer's WVR structure must cease when none of the beneficiaries of the weighted voting rights at the time of the issuer's initial listing have beneficial ownership of shares carrying weighted voting rights (Rule 8A.22 of the Listing Rules);
- (9) Any weighted voting rights attached to any class of shares in a listed issuer must be disregarded and must not entitle the beneficiary to more than one vote per share on any resolution to approve the following matters: (i) changes to the listed issuer's constitutional documents, however framed; (ii) variation of rights attached to any class of shares; (iii) the appointment or removal of any independent non-executive director; (iv) the appointment or removal of auditors; and (v) the voluntary winding-up of the listed issuer (Rule 8A.24 of the Listing Rules);

**(c) To be approved by Non-class-based Resolution (defined below)**

- (10) Non-WVR shareholders must be able to convene an extraordinary general meeting and add resolutions to the meeting agenda. The minimum stake required to do so must not be higher than 10% of the voting rights on a one vote per share basis in the share capital of the listed issuer (Rule 8A.23 of the Listing Rules);
- (11) The articles of association shall stipulate that any person appointed by the directors to fill a casual vacancy on or as an addition to the board shall hold office only until the first annual general meeting of the issuer after his appointment, and shall then be eligible for re-election (paragraph 4(2) of Appendix 3 to the Listing Rules);
- (12) The articles of association shall require the issuer to hold a general meeting for each financial year as its annual general meeting (paragraph 14(1) of Appendix 3 to the Listing Rules);
- (13) The articles of association shall stipulate that any annual general meeting must be called by notice of at least 21 days, and that any other general meeting (including an extraordinary general meeting) must be called by notice of at least 14 days (paragraph 14(2) of Appendix 3 to the Listing Rules);
- (14) The articles of association shall stipulate that members must have the right to (i) speak at a general meeting; and (ii) vote at a general meeting except where a member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration (paragraph 14(3) of Appendix 3 to the Listing Rules);
- (15) The articles of association shall provide that, where any shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such shareholder in contravention of such requirement or restriction shall not be counted (paragraph 14(4) of Appendix 3 to the Listing Rules);
- (16) The articles of association shall stipulate that members holding a minority stake in the total number of issued shares must be able to convene an extraordinary general meeting and add resolutions to a meeting agenda. The minimum stake required to do so must not be higher than 10% of the voting rights, on a one vote per share basis, in the share capital of the issuer (paragraph 14(5) of Appendix 3 to the Listing Rules);

- (17) The articles of association shall stipulate that a super-majority vote (at least three-fourths of the voting rights of the members present and voting in person or by proxy in a general meeting) shall be required to approve changes to the issuer's constitutional documents, however framed (paragraph 16 of Appendix 3 to the Listing Rules);
- (18) The articles of association shall stipulate that the appointment, removal and remuneration of auditors must be approved by a majority of the issuer's members or other body that is independent of the board of directors (paragraph 17 of Appendix 3 to the Listing Rules);
- (19) The articles of association shall stipulate that HKSCC must be entitled to appoint proxies or corporate representatives to attend the issuer's general meetings and creditors meetings and those proxies/corporate representatives must enjoy rights equivalent to the rights of other shareholders, including the right to speak and vote (paragraph 19 of Appendix 3 to the Listing Rules);
- (20) The articles of association shall provide for the branch register of members in Hong Kong to be open for inspection by members but may permit the company to close the register on terms equivalent to section 632 of the Companies Ordinance (paragraph 20 of Appendix 3 to the Listing Rules);
- (21) The articles of association shall stipulate that a super-majority vote (at least three-fourths of the total voting rights of the members present and voting in person or by proxy at the general meeting) of the issuer's members in a general meeting shall be required to approve a voluntary winding up of an issuer (paragraph 21 of Appendix 3 to the Listing Rules);
- (22) The role of an independent non-executive director of a listed issuer with a WVR structure must include but is not limited to the functions described in Code Provisions C.1.2, C.1.6 and C.1.7 in Part 2 of Appendix 14 to the Listing Rules:
  - (i) participating in board meetings to bring an independent judgment to bear on issues of strategy, policy, performance, accountability, resources, key appointments and standards of conduct;
  - (ii) taking the lead where potential conflicts of interests arise;
  - (iii) serving on the audit, compensation, nomination and other governance committees, if invited; and
  - (iv) scrutinizing the issuer's performance in achieving agreed corporate goals and objectives, and monitoring performance reporting;

Independent non-executive directors and other non-executive directors, as equal board members, shall give the board and any committees on which they serve the benefit of their skills, expertise and varied backgrounds and qualifications through regular attendance and active participation. Generally, they should also attend general meetings to gain and develop a balanced understanding of the views of the shareholders; and

Independent non-executive directors and other non-executive directors should make a positive contribution to the development of the issuer's strategy and policies through independent, constructive and informed comments (Rule 8A.26 of the Listing Rules).

- (23) Issuers with a WVR structure must establish a nomination committee that complies with Code Provision B.3 of Appendix 14 to the Listing Rules to:
- (i) review the structure, size and composition (including the skills, knowledge and experience) of the board at least annually and make recommendations on any proposed changes to the board to complement the issuer's corporate strategy;
  - (ii) identify individuals suitably qualified to become board members and select or make recommendations to the board on the selection of individuals nominated for directorships;
  - (iii) assess the independence of independent non-executive directors; and
  - (iv) make recommendations to the board on the appointment or re – appointment of directors and succession planning for directors, in particular the chairman and the chief executive.

The nomination committee should make available its terms of reference explaining its role and the authority delegated to it by the board by including them on the Stock Exchange's website and the issuer's website.

Issuers should provide the nomination committee sufficient resources to perform its duties. Where necessary, the nomination committee should seek independent professional advice, at the issuer's expense, to perform its responsibilities.

Where the board proposes a resolution to elect an individual as an independent non-executive director at the general meeting, it should set out in the circular to shareholders and/or explanatory statement accompanying the notice of the relevant general meeting:

- (i) the process used for identifying the individual and why the board believes the individual should be elected and the reasons why the board considers the individual to be independent;
- (ii) if the proposed independent non-executive director will be holding their seventh (or more) listed company directorship, why the board believes the individual would still be able to devote sufficient time to the board;
- (iii) the perspectives, skills and experience that the individual can bring to the board; and
- (iv) how the individual contributes to diversity of the board (Rule 8A.27 of the Listing Rules);

- (24) The nomination committee established under Rule 8A.27 of the Listing Rules must be chaired by an independent non-executive director (Rules 8A.28 of the Listing Rules);

  - (viii) confirm, on an annual basis, whether or not the beneficiaries of weighted voting rights have complied with Rules 8A.14, 8A.15, 8A.18 and 8A.24 of the Listing Rules throughout the year;
  - (ix) review and monitor the management of conflicts of interests and make a recommendation to the board on any matter where there is a potential conflict of interest between the issuer, a subsidiary of the issuer and/or shareholders of the issuer (considered as a group) on the one hand and any beneficiary of weighted voting rights on the other;
  - (x) review and monitor all risks related to the issuer's WVR structure, including connected transactions between the issuer and/or a subsidiary of the issuer on one hand and any beneficiary of weighted voting rights on the other and make a recommendation to the board on any such transaction;

- (31) An issuer with a WVR structure must comply with Section F "Shareholders Engagement" in Part 2 of Appendix 14 to the Listing Rules (Rule 8A.35 of the Listing Rules);

Under articles 88(f) and 88(h) of our existing Articles, Image Frame Investment (HK) Limited and Qiantang River Investment Limited (being entities affiliated with Tencent and defined in our existing Articles as “**Tencent Investors**”) are entitled to appoint and remove one director of the Company, subject to certain conditions. Further, pursuant to article 158 of our existing Articles, articles 88(f) and 88(h) of the Articles may not be amended without the prior written consent of the Tencent Investors. Other than such rights entitled to by Tencent Investors, the Company has not granted any other special rights to its other Shareholders. To comply with Rule 2.03(4) of the Listing Rule, which requires that all holders of listed securities be treated fairly and equally, and to reflect the full conversion of Class B Ordinary Shares beneficially owned by Tencent Group through Qiantang River Investment Limited upon Listing, Tencent Investors have provided consent in writing to terminate such special rights entitled by them upon the Listing and the Company will at the First GM put forth a resolution to remove such special rights of Tencent Investors from the Articles (“**Termination of Tencent’s Special Rights**”).

In addition, to further enhance its shareholder protection measures, the Company will at the First GM propose to its Shareholders the following amendments to its Articles: (a) lowering the quorum of general meeting (which is not a class meeting) from no less than one-third of all votes attaching to all shares in issue and entitled to vote at such general meeting in the Company as currently provided for under article 65 in the existing Articles to 10% of all votes attaching to all shares in issue and entitled to vote at such general meeting in the Company (on a one vote per share basis) (the “**Quorum Requirement**”); (b) where a general meeting is postponed by the directors pursuant to article 71 of the existing Articles, requiring such meeting to be postponed to a specific date, time and place (the “**GM Postponement Requirement**”); and (c) removing the Directors’ discretion to, for the purpose of variation of rights attached to any class of shares, treat all the classes or any two or more classes as forming one class if they consider that all such classes would be affected in the same way by the proposals under consideration under article 17 of the existing Articles, as well as the Directors’ powers to authorize the division of Shares into any number of classes and to determine the relative rights and obligations as between the different classes and to issue such shares with preferred or other rights that may be greater than the rights of the Class A Ordinary Shares under article 9 of the existing Articles as well as making the Directors’ powers to issue preferred shares under article 9 of the existing Articles to be subject to the Articles, compliance with the Listing Rules and the Takeovers Code and the conditions that (x) no new class of shares with voting rights superior to those of Class A Ordinary Shares will be created and (y) any variations in the relative rights as between the different classes will not result in creating new class of shares with voting rights superior to those of Class A Ordinary Shares (“**Amendment of Directors’ Class Right Related Powers**”).

At the First GM, the Company will also propose amendments to the Articles to clarify that the Company, its Shareholders, Directors and officers agree to submit to the jurisdiction of the courts of the Cayman Islands and Hong Kong, to the exclusion of other jurisdictions, to hear, settle and/or determine any dispute, controversy or claim whether arising out of or in connection with the Articles or otherwise. For the avoidance of doubt, the applicable rights of purchasers, holders, and sellers of the ADSs are not governed by the preceding sentence but are exclusively governed by the applicable deposit agreement pursuant to which the ADSs were issued, regardless of whether their dispute, controversy or claim arises out of or in connection with the Articles or otherwise (the “**Forum Selection Clarification**”, together with the Unmet Listing Rules Articles Requirements, the Termination of Tencent’s Special Rights, the Quorum Requirement, the GM Postponement Requirement, and the Amendment of Directors’ Class Right Related Powers, the “**Unmet Articles Requirements**”). For completeness, the Company, the DTC and holders and beneficial owners of the ADSs each agree that, with regard to any claim or dispute or difference of whatever nature between or involving the parties hereto arising directly or indirectly from the relationship created by the deposit agreement, the DTC, in its sole discretion, shall be entitled to refer such dispute or difference for final settlement by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in force. Judgment upon the award rendered by the arbitrators may be enforced in any court having jurisdiction thereof. The seat and place of any reference to arbitration shall be New York City, New York, and the procedural law of such arbitration shall be New York law. For the avoidance of doubt this does not preclude holders and beneficial owners of the ADSs from pursuing claims under the Securities Act or the Exchange Act in federal courts. Holders and beneficial owners of the ADSs each irrevocably agree that any legal suit, action or proceeding against or involving the Company or the DTC, arising out of or based upon the deposit agreement, ADSs, American Depositary Receipts or the transactions contemplated thereby or by virtue of ownership thereof, may only be instituted in a state or federal court in New York, New York and irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding.

As advised by the Company’s legal advisor as to Cayman Islands laws, the incorporation of the following Unmet Articles Requirements will require the following:

- (a) as the requirement as set out in paragraph 15 of Appendix 3 to the Listing Rules would materially adversely vary the rights attached to both Class B Ordinary Shares and Class A Ordinary Shares, respectively, a special resolution to incorporate such Unmet Articles Requirement into the Company’s Articles (the “**Dual Class-based Resolution**”) will need to be approved at separate class meetings of both holders of Class B Ordinary Shares (the “**Class B Meeting**”) and of Class A Ordinary Shares (the “**Class A Meeting**”) in accordance with the Company’s existing Articles. The quorum for separate class meetings is one or more persons holding or representing by proxy at least one-third in nominal or par value amount of the issued shares of the relevant class. The Dual Class-based Resolution requires approval of a special resolution by no less than two-thirds of the votes cast by the holders of issued Class B Ordinary Shares and approval of a special resolution by no less than two-thirds of the votes cast by the holders of issued Class A Ordinary Shares who attend and vote at the Class B Meeting and the Class A Meeting, respectively, pursuant to article 17 of the existing Articles.

- (b) as certain Unmet Articles Requirements, namely requirements as set out in Rules 8A.09, 8A.10, 8A.13, 8A.14, 8A.15, 8A.16, 8A.17, 8A.18(1), 8A.18(2), 8A.19, 8A.22 and 8A.24 of the Listing Rules, would materially adversely vary the rights attached to Class B Ordinary Shares only, a special resolution to incorporate these Unmet Articles Requirement into the Company's Articles (the "**Single Class-based Resolution**", together with Dual Class-based Resolution, the "**Class-based Resolutions**") will need to be approved by the requisite holders of Class B Ordinary Shares in Class B Meeting only in accordance with the Company's existing Articles. The quorum for Class B Meeting is one or more persons holding or representing by proxy at least one-third in nominal or par value amount of the issued Class B Ordinary Shares. The Single Class-based Resolution at the Class B Meeting requires approval of a special resolution by no less than two-thirds of the votes cast by the holders of issued Class B Ordinary Shares who attend and vote at the Class B Meeting pursuant to article 17 of the existing Articles.

The passing of the Single Class-based Resolution at the Class B Meeting, without separate approval, consent or sanction by the holders of Class A Ordinary Shares at the Class A Meeting, would constitute valid and effective authorization under the existing Articles for the incorporation of those Unmet Articles Requirements (which are the subject of the Single Class-based Resolution) into the Company's Articles, and such amendments (when duly incorporated into the Company's Articles by virtue of and pursuant to the Non-class-based Resolution (as defined below) to be passed at the Full Shareholders Meeting (as defined below)) will be valid and effective. Further, because the incorporation of such Unmet Articles Requirements (which are the subject of the Single Class-based Resolution) would not materially adversely vary the rights attached to Class A Ordinary Shares, no separate consent or sanction is required from the holders of Class A Ordinary Shares under the existing Articles, and no holder of Class A Ordinary Shares would be able to validly challenge the passing of the Single Class-based Resolution solely by the holders of Class B Ordinary Shares in the manner described above.

- (c) if (i) the Dual Class-based Resolution is passed at both the Class B Meeting and Class A Meeting; and (ii) the Single Class-based Resolution is passed at Class B Meeting, at the full Shareholders' meeting where all Shareholders may vote as a single class (the "**Full Shareholders' Meeting**"), the Shareholders will be asked to vote on the Class-based Resolutions. In addition, the Shareholders will also be asked to vote on another resolution (the "**Non-class-based Resolution**") to incorporate into the Company's Articles those Unmet Articles Requirements which are not covered by the Class-based Resolutions, and the voting of the Non-class-based Resolution is not conditional on the passing of the Class-based Resolutions. If the Class-based Resolutions are not approved at either the Class B Meeting or Class A Meeting (as the case may be), then the Shareholders at the Full Shareholders' Meeting will only be asked to vote on the Non-class-based Resolution.

Notwithstanding that article 65 of the existing Articles provides the quorum for the Company's shareholders' meeting to be one or more members holding Shares which carry in aggregate (or representing by proxy) not less than one-third of all votes attaching to all Shares in issue and entitled to vote present in person or by proxy, the quorum for the Full Shareholders' Meeting will comply with the Quorum Requirement, being 10% of all votes attaching to all shares in issue and entitled to vote at such general meeting in the Company (on a one vote per share basis), in light of the Undertaking for Interim Compliance (as defined below) to be given by the Company and the WVR Beneficiary.

At the Full Shareholders' Meeting, each of the Class-based Resolutions and the Non-class-based Resolution will require approval of a special resolution by not less than two-thirds of the votes cast by such Shareholders as, being entitled to do so, vote in person or by proxy or, in the case of corporations, by their duly authorized representatives at the Full Shareholders' Meeting, in accordance with article 158 of the existing Articles.

For the avoidance of doubt, weighted voting rights will apply in connection with passing the Class-based Resolutions and the Non-class based Resolution at the Full Shareholders' Meeting. In addition, the Termination of Tencent's Special Rights will require the prior written consent of the Tencent Investors, and Tencent Investors have irrevocably consent to the Company that such special rights entitled by Tencent Investors shall be terminated upon Listing, and the Company may amend the Articles to give effect to the Termination of Tencent's Special Rights.

The Company has applied for, and the Stock Exchange has granted, a waiver from strict compliance with the Unmet Articles Requirements, subject to the conditions that:

- (1) at the First GM, the Company will put forth: (i) the Dual Class-based Resolution at the Class B Meeting and the Class A Meeting; (ii) the Single Class-based Resolution at the Class B Meeting; and (iii) the Class-based Resolutions (if adopted at the Class B Meeting and Class A Meeting (where applicable)) and the Non-class-based Resolution at the Full Shareholders' Meeting (together, the "**Proposed Resolutions**") to amend its Articles to comply with the Unmet Articles Requirements;
- (2) the Company will, prior to the Listing, irrevocably undertake to the Stock Exchange that if any of the Proposed Resolutions are not passed at the First GM, it will put forth the Proposed Resolutions that have not been passed at each subsequent annual general meeting until they are all approved by the Shareholders;
- (3) the WVR Beneficiary will, prior to the Listing, irrevocably undertake to the Company that:
  - (i) he will be present (whether in person or by proxy), and where any Share is held by intermediaries held or controlled by him, will procure such intermediaries to be present (whether in person or by proxy) at the Class A Meeting, the Class B Meeting and/or the Full Shareholders Meeting (as the case may be), and to vote in favor of the Proposed Resolutions;
  - (ii) he will be present at the First GM (whether in person or by proxy) and any general meeting that may be convened after the Listing and before the First GM, and to vote in favor of the Proposed Resolutions; and
  - (iii) if any of the Proposed Resolutions are not passed at the First GM, until they are all approved, he or the said intermediaries will continue to be present (whether in person or by proxy) and vote in favor of such Proposed Resolutions at each subsequent class meeting of the holders of the Class A Ordinary Shares, class meeting of the holders of the Class B Ordinary Shares, and/or general meeting (as the case may be) at which the Company puts forth such Proposed Resolutions;

- (4) Tencent (together with the WVR Beneficiary, the “**Undertaking Shareholders**”) will, prior to the Listing, irrevocably undertake to the Company to, and if any Class A Ordinary Share is held by intermediaries held or controlled by him/it, procure such intermediaries to be present at the Class A Meeting and the Full Shareholders’ Meeting (whether in person or by proxy) and to vote in favor of the Proposed Resolutions and that, if any of the Proposed Resolutions are not passed at the First GM, until they are all approved, it or he or the said intermediaries will continue to attend (whether in person or by proxy) each subsequent class meeting of the holders of the Class A Ordinary Shares and general meeting at which the Company puts forth the Proposed Resolutions and vote in favor of such Proposed Resolutions;
- (5) the Company will issue a press release announcing its support publicly for the Proposed Resolutions each year after the Listing until all the Proposed Resolutions are adopted;
- (6) the Company and the WVR Beneficiary will, prior to the Listing, irrevocably undertake to the Stock Exchange that it or he will comply with the Unmet Articles Requirements in full (the “**Undertaking for Interim Compliance**”) upon the Listing and before its existing Articles are formally amended to incorporate the Unmet Articles Requirements, except for:
  - (i) paragraph 15 of Appendix 3 to the Listing Rules such that, prior to the Articles being amended, the threshold for passing a resolution in a separate class meeting will be approval of a special resolution by no less than two-thirds of the votes cast by the issued shares of that class pursuant to article 17 of the existing Articles;
  - (ii) Rules 8A.24(1) and (2) of the Listing Rules such that, prior to the Articles being amended, weighted voting rights will apply in connection with passing the Proposed Resolutions; and
  - (iii) paragraph 16 of Appendix 3 to the Listing Rules such that, prior to the Articles being amended, the threshold for passing a special resolution for amendments to the Company’s Articles will be approved by members holding not less than two-thirds of the voting rights of those present and voting in person or by proxy at the general meeting in accordance with article 158 of the Company’s existing Articles.

For the avoidance of doubt, the above exceptions are only applicable to the passing of the Proposed Resolutions, and the Company shall irrevocably undertake to the Stock Exchange to comply with paragraphs 15 and 16 of Appendix 3 to and Rules 8A.24(1) and (2) of the Listing Rules for passing any resolution at a separate class meeting and any special resolution after the Listing (other than the Proposed Resolutions) under the Undertaking for Interim Compliance, and if any of the Class-based Resolution is not passed at the First GM, the Undertaking for Interim Compliance will remain valid until the Class-based Resolution is passed;

- (7) the WVR Beneficiary will, prior to the Listing, irrevocably undertake to the Company and the Stock Exchange that:
- (i) he will procure the Company to give effect to the Undertaking for Interim Compliance upon the Listing and before its existing Articles are formally amended;
  - (ii) in the event any Class B Ordinary Share is to be transferred to an affiliate (as defined in the Articles) of the WVR Beneficiary that is not a director holding vehicle after the Listing but before the existing Articles are formally amended, he will convert such Class B Ordinary Shares into Class A Ordinary Shares by delivering a written notice to the Company in accordance with the Articles and only transfer the resultant Class A Ordinary Shares to such affiliate;
  - (iii) after the Listing but before the existing Articles are formally amended, he will not effect any change in his holding structure of any Class B Ordinary Shares unless and until the Stock Exchange has approved such change; and
  - (iv) he will procure each of Lera Ultimate Limited and Lera Infinity Limited to, prior to the Listing, deliver a written conversion notice to the Company in accordance with article 13 of the existing Articles that all of the Class B Ordinary Shares it holds shall be converted to Class A Ordinary Shares on a one-for-one basis immediately upon any event listed in Rule 8A.17 of the Listing Rules occurring after the Listing and before the Articles are formally amended. Such conversion notice shall expire immediately upon the Articles are formally amended.

A director holding vehicle, for the purpose of the above paragraph, means (a) a partnership of which the WVR Beneficiary is a partner and the terms of which must expressly specify that the voting rights attached to any and all of the Class B Ordinary Shares held by such partnership are solely dictated by the WVR Beneficiary; (b) a trust of which the WVR Beneficiary is a beneficiary and that meets the following conditions: (i) the WVR Beneficiary must in substance retain an element of control of the trust and any immediate holding companies of, or, if not permitted in the relevant tax jurisdiction, retain a beneficial interest in any and all of the Class B Ordinary Shares held by such trust; and (ii) the purpose of the trust must be for estate planning and/or tax planning purposes; or (c) a private company or other vehicle wholly-owned and wholly controlled by the WVR Beneficiary or by a trust referred to in paragraph (b) above;

- (8) if any holders of any ADSs fail to give valid or timely voting instructions to the DTC with respect of the Proposed Resolutions, the Company will exercise any discretionary proxy it may have under the deposit agreement for the ADSs to vote the underlying Class A Ordinary Shares represented by such ADSs in favor of the Proposed Resolutions at any general meetings; and
- (9) the Company remains listed on the Nasdaq.

The Company's legal advisor as to the laws of the Cayman Islands confirms that the Undertaking for Interim Compliance will not violate the laws and regulations of the Cayman Islands, and the Company confirms that, having consulted its other legal advisors, the Undertaking for Interim Compliance will also not violate other laws and regulations applicable to the Company.

The WVR Beneficiary acknowledged and agreed that our Shareholders may rely on the WVR Beneficiary's undertakings described in paragraphs (3), (6) and (7) above (the "**WVR Beneficiary's Articles Undertaking**") in acquiring and holding their Shares and that such undertakings are intended to confer a benefit on the Company and all existing and future Shareholders and may be enforced by the Company and/or any such Shareholder against the WVR Beneficiary.

The WVR Beneficiary's Articles Undertaking shall automatically terminate upon the earliest of (i) the date on which the proposed amendments to the Articles described in this sub-section headed "—Requirements relating to the Articles of Association of the Company" have become effective; (ii) the date of delisting of the Company from the Stock Exchange; and (iii) the date on which the WVR Beneficiary ceases to be a beneficiary of weighted voting rights in the Company. For the avoidance of doubt, the termination of the WVR Beneficiary's Articles Undertaking shall not affect any rights, remedies, obligations or liabilities of the Company and/or any Shareholder and/or the WVR Beneficiary himself that have accrued up to the date of termination, including the right to claim damages and/or apply for any injunction in respect of any breach of the WVR Beneficiary's Articles Undertaking which existed at or before the date of termination. The WVR Beneficiary's Articles Undertaking shall be governed by the laws of Hong Kong and all matters, claims or disputes arising out of the WVR Beneficiary's Articles Undertaking shall be subject to the exclusive jurisdiction of the courts of Hong Kong.

Assuming (i) no further Shares are issued under the Share Incentive Plans between the Latest Practicable Date and the Listing Date and (ii) all Class B Ordinary Shares beneficially held by Tencent Group through Qiantang River Investment Limited have been converted to Class A Ordinary Shares, the Undertaking Shareholders (namely, the WVR Beneficiary and Tencent) will, immediately upon the Listing, beneficially own 239,750,000 Class B Ordinary Shares and 411,505,230 Class A Ordinary Shares (including any Class A Ordinary Shares underlying any ADSs they held) respectively, representing in aggregate (a) approximately 47.07% of the total issued Class A Ordinary Shares and approximately 47.07% of the total voting rights of the Class A Ordinary Shares voting as a separate class, (b) 100% of the total issued Class B Ordinary Shares and 100% of the total voting rights of the Class B Ordinary Shares voting as a separate class, and (c) approximately 85.85% of the voting rights in the Company (on weighted voting rights basis). Assuming (i) no further Shares are issued under the Share Incentive Plans between the Latest Practicable Date and the Listing Date, (ii) all Class B Ordinary Shares beneficially held by Tencent Group through Qiantang River Investment Limited have been converted to Class A Ordinary Shares and there are no changes to the number of Class A Ordinary Shares held by the depositary between the Latest Practicable Date and the Listing Date, to the best knowledge of the Company, the depositary will, immediately upon the Listing, hold a total of 461,695,904 Class A Ordinary Shares underlying the ADSs (excluding those represented by the ADSs held by the Undertaking Shareholders deposited with the depositary, which have already been counted in the foregoing and the Class A Ordinary Shares issued to our depositary bank for bulk issuance of ADS and reserved for future issuance under the Share Incentive Plans), representing (x) approximately 52.81% of the total issued Class A Ordinary Shares and approximately 52.81% of the total voting rights of the Class A Ordinary Shares voting as a separate class and (y) approximately 14.11% of the voting rights in the Company (on weighted voting rights basis). Despite the undertaking given by the Undertaking Shareholders (being the WVR Beneficiary and Tencent) to vote in favour of the

relevant Proposed Resolutions to ensure that they will be adopted at the Class B Meeting and the Full Shareholders' Meeting, there is no guarantee that the Dual Class-based Resolution (being the resolution to incorporate requirements under paragraph 15 of Appendix 3 to the Listing Rules) will be passed at the Class A Meeting. As the Company has not, since its listing on the Nasdaq, held a general meeting, it is uncertain as to whether the Dual Class-based Resolution will be approved with sufficient support from our shareholders at the Class A Meeting.

For the avoidance of doubt, even though article 17 of the existing Articles provides that the rights attached to any such class of Shares may, subject to any rights or restrictions for the time being attached to any class of Shares, only be materially adversely varied either (a) with the consent in writing of the holders of two-thirds of all of the issued Shares of that class or (b) with the sanction of a special resolution passed at a separate meeting of the holders of the Shares of that class, the Company expects to adopt the approach in (b) rather than in (a) to seek the relevant shareholders' approval for the Class-based Resolutions at a general meeting. Also, even though under the existing Articles a special resolution can be (x) passed by not less than two-thirds of the votes cast by such shareholders as, being entitled to do so, vote in person or, where proxies are allowed, by proxy, or, in the case of corporations, by their duly authorized representatives, at a general meeting of the Company, or (y) approved in writing by all of the shareholders entitled to vote at a general meeting of the Company in one or more instruments each signed by one or more of the shareholders, the Company expects to adopt the approach in (x) rather than in (y) to seek the shareholders' approval for the Class-based Resolution and the Non-class-based Resolution at a general meeting. This is because, as a public company, it would involve heavy administrative work for the Company and will be practically impossible for the Company to collect written consents from a sufficiently large number of its public shareholders.

After the Listing, the Company will in its annual reports confirm whether it has, in the preceding financial year, complied with the Corporate Governance Code set out in Appendix 14 to the Listing Rules to the extent required by Chapter 8A of the Listing Rules.

In the event of any failure to adhere to the requirements of Chapter 8A of the Listing Rules as determined by the Stock Exchange, the Stock Exchange may, as it considers necessary for the protection of the investors or the maintenance of an orderly market and in addition to any other action that the Stock Exchange considers appropriate under the Listing Rules, exercise absolute discretion to:

- (1) direct a trading halt or suspend dealings of any securities of the Company or cancel the listing of any securities of the Company as set out in Rule 6.01 of the Listing Rules;
- (2) impose the disciplinary sanctions set out in Rule 2A.09 of the Listing Rules against the parties set out in Rule 2A.10 of the Listing Rules;
- (3) withhold (a) approval for an application for the listing of securities; and/or (b) clearance for the issuance of a circular to the Company's shareholders unless and until all necessary steps have been taken to address the non-compliance as directed by the Stock Exchange to its satisfaction.

## USE OF U.S. GAAP

Rules 4.10 and 4.11 of, and note 2.1 to paragraph 2 of the Appendix 16 to, the Listing Rules require the Company to prepare its financial statements in the listing document and the subsequent financial reports issued after listing to be in conformity with: (a) Hong Kong Financial Reporting Standards (“**HKFRS**”); (b) IFRS; or (c) China Accounting Standards for Business Enterprises in the case of companies incorporated in China. Rule 19.12 of the Listing Rules requires an accountant’s report of an overseas issuer to have been audited to a standard comparable to that required in Hong Kong. Rule 19.13 of the Listing Rules states that accountants’ reports are required to conform to financial reporting standards acceptable to the Stock Exchange, which are normally HKFRS or IFRS. Rule 19.14 of the Listing Rules states that where the Stock Exchange allows a report to be drawn up otherwise than in conformity with HKFRS or IFRS, the report will be required to conform with accounting standards acceptable to the Stock Exchange. In such cases, the Stock Exchange will normally require the report to contain a statement of the financial effect of the material differences (if any) from either of the above accounting standards. Rule 19.25A of the Listing Rules states that the annual accounts are required to conform with financial reporting standards acceptable to the Stock Exchange, which are normally HKFRS or IFRS. Where the Stock Exchange allows annual accounts to be drawn up otherwise than in conformity with HKFRS or IFRS, the annual accounts will be required to conform with financial reporting standards acceptable to the Stock Exchange. In such cases the Stock Exchange will normally require the annual accounts to contain a reconciliation statement setting out the financial effect of the material differences (if any) from either HKFRS or IFRS.

As a company listed on the Nasdaq, our Company has been using U.S. GAAP and the corresponding auditing standards for the filing of its financial statements with the U.S. Securities and Exchange Commission as determined by the U.S. Public Company Accounting Oversight Board. U.S. GAAP is well recognized and accepted by the international investment community, and significant progress has been made in the convergence between U.S. GAAP and IFRS. In addition, we note that it might lead to confusion among the Company’s investors and shareholders if the Company was required to adopt different accounting standards for its disclosures in Hong Kong from those in the U.S. Aligning the accounting standards used for disclosures in both markets will alleviate any such confusion. Adoption of U.S. GAAP for the preparation of its financial statements will also allow the potential investors and shareholders of our Company to compare the results of the Group against our peers listed in overseas stock markets which use U.S. GAAP for the preparation of their financial statements more easily.

Our Company has applied to the Hong Kong Stock Exchange for, and the Stock Exchange has granted, a waiver from strict compliance with the requirements of Rules 4.10, 4.11, 19.13 and 19.25A of, and note 2.1 to paragraph 2 of the Appendix 16 to, the Listing Rules to allow the financial statements and accountant’s report in the listing document to be prepared based on U.S. GAAP, subject to the following conditions:

- (i) the Company will include adequate disclosure, including (a) a description of the relevant key differences between U.S. GAAP and IFRS; and (b) a statement showing the financial effect of any material differences between the financial statements during the track record period prepared using U.S. GAAP and IFRS (the “**Reconciliation Statement**”) in the Company’s accountant’s report of the listing document and annual reports after the Proposed Listing, and such Reconciliation Statements will be included as a note to the audited accountant’s report or audited financial statements in the annual report;

- (ii) the Company will include a Reconciliation Statement in the Company's interim reports after the Listing; such Reconciliation Statement will be included as a note to the reviewed financial statements in the interim reports. Where the relevant financial statements are not reviewed by its auditors, the Reconciliation Statement required to be included as a note to such financial statements should be reviewed by its auditors in accordance with a standard comparable to International Standard on Assurance Engagements 3000 or Hong Kong Standard on Assurance Engagements 3000;
- (iii) if the Company is no longer listed in the U.S. or is not obliged to make financial disclosure in the U.S., the Company will adopt either HKFRS or IFRS in the preparation of the Company's financial statements; and
- (iv) the Company will comply with Rule 4.08, 19.12, 19.14 of, and note 2.6 to paragraph 2 of Appendix 16 to the Listing Rules.

## **DEALINGS IN SHARES PRIOR TO LISTING**

According to Rule 9.09(b) of the Listing Rules, there must be no dealing in the securities of a new applicant for which listing is sought by any core connected person of the issuer from four clear business days before the expected hearing date until listing is granted (the "**Relevant Period**").

As a company listed on the Nasdaq, the Company has a diverse shareholder base with the ADSs are widely held and publicly traded. The Company considers that it is therefore not in a position to control the investment decisions of its shareholders or the investing public in the U.S.

Solely based on public filings with the SEC as of the Latest Practicable Date, there are two shareholders who hold more than 10% of the total issued share capital of the Company, being:

- (a) Mr. Li, the founder, chairman and chief executive officer of the Company that is deemed to be the beneficial owner of (i) 100,000,000 Class A Ordinary Shares held by Lera Ultimate Limited, (ii) 64,000,000 Class A Ordinary Shares held by Lera Infinity Limited (iii) 86,568 Class A Ordinary Shares held by Mr. Li, (iv) 202,812,500 Class B Ordinary Shares held by Lera Ultimate Limited and (v) 36,937,500 Class B Ordinary Shares held by Lera Infinity Limited, which in the aggregate represents approximately 36.2% of the total issued share capital of the Company and approximately 59.4% of the voting power of the total issued and outstanding share capital of the Company; and
- (b) Tencent Group is deemed to be the beneficial owner of (i) 71,024,142 Class A Ordinary Shares held by Image Frame Investment (HK) Limited; (ii) 28,840,949 Class A Ordinary Shares and 140,802,051 Class B Ordinary Shares held by Qiantang River Investment Limited; (iii) 1,161,840 Class A Ordinary Shares represented by 145,230 ADSs held of record by TPP Opportunity GP I, Ltd.; (iv) 5,412,888 Class A Ordinary Shares represented by 676,611 ADSs held of record by Tencent Mobility Limited; and (v) 176,792 Class A Ordinary Shares represented by 22,099 ADSs held of record by Distribution Pool Limited, which in the aggregate represents approximately 22.2% of the total issued share capital of the Company and approximately 35.0% of the voting power of the total issued and outstanding share capital of the Company as of the Latest Practicable Date.

For a company whose securities are listed and traded in the U.S., the Company notes that it is a common practice for substantial shareholders and corporate insiders, including directors, executives and other members of management, to set up trading plans that meet the requirements of Rule 10b5-1 under the U.S. Exchange Act (the “**Rule 10b5-1 Plan(s)**”) to buy or sell the company’s securities. A Rule 10b5-1 Plan is a written plan, set up with a broker, to trade securities that (a) is entered into at a time when the person trading the securities is not aware of any material non-public information; (b) specifies the amount of securities to be purchased or sold and the price at which and the date on which the securities were to be purchased or sold; and (c) does not allow the person trading the securities to exercise any subsequent influence over how, when, or whether to effect purchases or sales. Persons who trade securities pursuant to a Rule 10b5-1 Plan have an affirmative defense against insider trading allegations under U.S. securities law.

On the basis of the above, the Company considers that the following categories of persons (collectively, the “**Permitted Persons**”) should not be subject to the dealing restrictions set out in Rule 9.09(b) of the Hong Kong Listing Rules:

- (a) Mr. Li (the Company’s Controlling Shareholder, founder, chairman of the Board, executive Director, and chief executive officer), Tencent Group and their respective close associates in respect of his or their dealings (as the case may be) pursuant to any Rule 10b5-1 Plans that have been set up prior to the Relevant Period (“**Category 1**”);
- (b) the Company’s Directors (other than Mr. Li), and the directors and chief executives of its significant subsidiaries and Consolidated Affiliated Entities (that are, subsidiaries and Consolidated Affiliated Entities that are not “insignificant subsidiaries” as defined under the Listing Rules, “**Significant Subsidiaries**”), in respect of (i) their respective use of the Shares as security (including, for the avoidance of doubt, using their respective Shares as security in connection with entering into financing transactions during the Relevant Period as well as satisfying any requirements to top-up security under the terms of financing transactions entered into prior to the Relevant Period), provided that there will be no change in the beneficial ownership of the Shares at the time of entering into any such transactions during the Relevant Period and (ii) their respective dealings pursuant to Rule 10b5-1 Plans that have been set up prior to the Relevant Period (“**Category 2**”);
- (c) directors, chief executives and substantial shareholders of the Company’s insignificant subsidiaries (as defined under the Listing Rules) and their close associates (“**Category 3**”); and
- (d) any other person (whether or not an existing Shareholder) who may, as a result of dealings, become the Company’s substantial shareholder and who is not its director or chief executive, or a director or chief executive of the Company’s subsidiaries and Consolidated Affiliated Entities, or their close associates (“**Category 4**”).

For the avoidance of doubt:

- (a) as the foreclosure, enforcement or exercise of other rights by the lenders in respect of a security interest over the Shares (including, for the avoidance of doubt, any security interest created pursuant to any top-up of security) will be subject to the terms of the financing transaction underlying such security and not within the control of the pledgor, any change in the beneficial owner of the Shares during the Relevant Period resulting from the foreclosure, enforcement or exercise of other rights by the lenders in respect of such security interest will not be subject to Rule 9.09(b) of the Listing Rules; and
- (b) persons in Category 1 and Category 2 who (i) use their respective Shares other than as described in this section headed “Dealings in Shares prior to Listing” or (ii) who are not dealing in the Company’s securities according to Rule 10b5-1 Plans set up before the Relevant Period are subject to the restrictions under Rule 9.09(b) of the Listing Rules.

Mr. Li, our Controlling Shareholder, founder, chairman of the Board, executive Director and chief executive officer, may pledge the Shares that he beneficially owns as security (including charges and pledges) in connection with financing activities. As at the Latest Practicable Date, 50,000,000 Class A Ordinary Shares held by Lera Ultimate Limited (in which Mr. Li is deemed to be the beneficial owner) had been pledged as security. Save as disclosed above, to the best knowledge and information of the Company, as at the Latest Practicable Date, none of the Categories 1 and 2 of the Permitted Persons had pledged their respective Shares as security.

We have applied for, and the Stock Exchange has granted, a waiver from strict compliance with Rule 9.09(b) of the Listing Rules to be granted on the following conditions:

- (a) Categories 1 and 2 of the Permitted Persons who entered into Rule 10b5-1 Plans have no discretion over dealings in the ADSs after the plans have been entered into. Where Categories 1 and 2 of the Permitted Persons use the Shares as security, other than those set out in the waiver above, there will be no change in the beneficial ownership of the Shares at the time of entering into the relevant transactions during the Relevant Period;
- (b) Categories 3 and 4 of the Permitted Persons do not have any influence over the Introduction and do not possess any non-public inside information of the Company given that such persons are not in a position with access to information that is considered material to the Company taken as a whole. Given the large number of the Company’s subsidiaries and Consolidated Affiliated Entities and the vast ADS holder base, the Company and its management do not have effective control over the investment decisions of Categories 3 and 4 of the Permitted Persons in the ADSs;
- (c) the Company will promptly release any inside information to the public in the United States and Hong Kong in accordance with the relevant laws and regulations of the U.S. and Hong Kong. Accordingly, the Permitted Persons (other than Category 1 and Category 2 persons) are not in possession of any non-public inside information of which the Company is aware and will not have any influence over the Introduction;
- (d) the Company will notify the Stock Exchange of any breaches of the dealing restrictions by any of its core connected persons during the Relevant Period when it becomes aware of the same other than dealings by the core connected persons who are Permitted Persons within the permitted scopes set out above; and

- (e) prior to the Listing Date, other than within the permitted scopes set out above, the Company's Directors and chief executive and the directors and chief executives of its Significant Subsidiaries and their respective close associates will not deal in the Shares or the ADSs during the Relevant Period provided that such dealing restrictions in the Shares shall not include the granting, vesting, payment or exercise (as applicable) of incentive and non-statutory options, restricted shares, dividend equivalents, and share payments under the Group's share incentive plans.

The Company believes that the circumstances relating to this waiver align with those set out in the Stock Exchange's Guidance Letter HKEX-GL42-12 and the grant of this waiver will not prejudice the interests of potential investors.

## **WAIVER IN RELATION TO THE 2014 PLAN AND 2019 PLAN**

The Listing Rules prescribes certain disclosure requirements in relation to the share options granted by the Company (the "**Share Option Disclosure Requirements**"):

- (a) Rule 17.02(1)(b) of the Listing Rules stipulates that all the terms of a scheme must be clearly set out in the Listing Document. The Company is also required to disclose in the Listing Document full details of all outstanding options and their potential dilution effect on the shareholdings upon listing as well as the impact on the earnings per share arising from the exercise of such outstanding options.
- (b) Paragraph 27 of Appendix 1A to the Listing Rules requires the Company to set out in the Listing Document particulars of any capital of any member of the Group that is under option, or agreed conditionally or unconditionally to be put under option, including the consideration for which the option was or will be granted and the price and duration of the option, and the name and address of the grantee.

As of the Latest Practicable Date, our Company had granted outstanding options under the 2014 Plan and the 2019 Plan (the "**Relevant Plans**") to 241 grantees (including a connected person of the Company and other employees of our Group), to subscribe for an aggregate of 10,386,058 Class A Ordinary Shares. As of the Latest Practicable Date, among the outstanding options, 1,000,000 were held by a connected person of the Company in his capacity as director of our material subsidiaries, and 9,386,058 were held by employees of our Group (who are not Directors or connected persons of the Company). The Class A Ordinary Shares underlying such outstanding options granted represent approximately 0.93% of the total number of Shares in issue immediately after completion of the Introduction (assuming that no further Shares are issued under the Share Incentive Plans between the Latest Practicable Date and the Listing Date). For further details of our Share Incentive Plans, see the section headed "Statutory and General Information — D. Share Incentive Plans" in Appendix IV to the Listing Document.

We have applied to the Stock Exchange for a waiver from strict compliance with the requirements under Rule 17.02(1)(b) of the Listing Rules and paragraph 27 of Appendix 1A to the Listing Rules in connection with the disclosure of certain details relating to the options and certain grantees in the Listing Document on the ground that the waiver and the exemption will not prejudice the interest of the investing public and strict compliance with the above requirements would be unduly burdensome for our Company for the following reasons, among others:

- (a) as of the Latest Practicable Date, we had granted outstanding options to a total of 241 grantees under the Relevant Plans to acquire an aggregate of 10,386,058 Class A Ordinary Shares, representing approximately 0.93% of the total number of Shares in issue immediately after completion of the Introduction (assuming that no further Shares are issued under the Share Incentive Plans between the Latest Practicable Date and the Listing Date). The grantees under the Relevant Plans include one connected person of the Company in his capacity as director of our material subsidiaries, and 240 employees of our Group (who are not Directors or connected persons of our Company);
- (b) our Directors consider that it would be unduly burdensome to disclose in the listing document full details of all the options granted by us to each of the grantees, which would significantly increase the cost and time required for information compilation and prospectus preparation of the Listing Document for strict compliance with such disclosure requirements. For example, we would need to collect and verify the addresses of over 240 grantees to meet the disclosure requirement. Further, the disclosure of the personal details of each grantee, including their names, addresses and the number of options granted, may require obtaining consent from the grantees in order to comply with personal data privacy laws and principles and it would be unduly burdensome for our Company to obtain such consents given the number of grantees;
- (c) material information on the options has been disclosed in the Listing Document to provide prospective investors with sufficient information to make an informed assessment of the potential dilutive effect and impact on earnings per Share of the options in making their investment decision, and such information includes: (i) a summary of the latest terms of the Relevant Plans; (ii) the aggregate number of Class A Ordinary Shares subject to the options and the percentage of our Shares of which such number represents; (iii) the dilutive effect and the impact on earnings per Share upon full exercise of the options immediately following completion of the Introduction (assuming no further Shares are issued under the Share Incentive Plans between the Latest Practicable Date and the Listing Date); (iv) full details of the options granted to connected persons (if any) of our Company, on an individual basis, are disclosed in the Listing Document, and such details include all the particulars required under Rule 17.02(1)(b) of the Listing Rules and paragraph 27 of Appendix 1A to the Listing Rules; (v) with respect to the options granted to other grantees (other than those referred to in (iv) above), the following details will be disclosed in the Listing Document, including the aggregate number of such grantees and the number of Class A Ordinary Shares subject to the options, the consideration paid for the grant of the options and the exercise period and the exercise price for the options; and (vi) the particulars of the waiver and exemption granted by the Stock Exchange. The above disclosure is consistent with the conditions ordinarily expected by the Stock Exchange in similar circumstances as set out in Guidance Letter HKEX-GL11-09 issued in July 2009 and updated in March 2014 by the Stock Exchange;
- (d) the 240 grantees who are not Directors, or connected persons of the Company, have been granted options under the Relevant Plans to acquire an aggregate of 9,386,058 Class A Ordinary Shares, which is not material in the circumstances of our Company, and the exercise in full of such options will not cause any material adverse change in the financial position of our Company;

- (e) our Directors consider that non-compliance with the above disclosure requirements would not prevent our Company from providing potential investors with sufficient information for an informed assessment of the activities, assets, liabilities, financial position, management and prospects of our Group. Strict adherence to the disclosure requirements, including to disclose the names, addresses, and entitlements on an individual basis of over 240 grantees without reflecting the materiality of the information does not provide any additional meaningful information to the investing public; and
- (f) a full list of all the grantees containing all details as required under Rule 17.02(1)(b) of the Listing Rules, paragraph 27 of Appendix 1A to the Listing Rules will be made available for public inspection at the Company's principal place of business in Hong Kong at 11/F, Bangkok Bank Building, No. 18 Bonham Strand West, Sheung Wan, Hong Kong during normal business hours up to and including the date which is 14 days from the date of the Listing Document.

In light of the above, our Directors are of the view that the grant of the waiver and exemption sought under this application and the non-disclosure of the required information will not prejudice the interests of the investing public.

The Stock Exchange has granted to our Company a waiver from strict compliance with the disclosure requirements under Rule 17.02(1)(b) of the Listing Rules and paragraph 27 of Appendix 1A to the Listing Rules with respect to the options granted under the Relevant Plans on the condition that:

- (a) on an individual basis, full details of the outstanding options granted under the Relevant Plans to each of the Directors and connected persons (if any) of the Company, will be disclosed in the section headed "Appendix IV — Statutory and General Information — D. Share Incentive Plans" as required under Rule 17.02(1)(b) of, and paragraph 27 of Appendix 1A to, the Listing Rules;
- (b) in respect of the outstanding options granted under the Relevant Plans to other grantees (other than those set out in (a) above), disclosure will be made on an aggregate basis, including (1) the aggregate number of the grantees other than those set out in (a) above and the number of Shares subject to the outstanding options granted to them under the Relevant Plans, (2) the consideration paid for the grant of the outstanding options under the Relevant Plans, and (3) the exercise period and the exercise price for the outstanding options granted under the Relevant Plans;
- (c) the aggregate number of Class A Ordinary Shares underlying the outstanding options granted under the Relevant Plans and the percentage of the Company's total issued share capital represented by such number of Shares as of the Latest Practicable Date will be disclosed in the Listing Document;
- (d) the dilutive effect and impact on earnings per Share upon the full exercise of the outstanding options under the Relevant Plans will be disclosed in the section headed "Appendix IV — Statutory and General Information — D. Share Incentive Plans";
- (e) a summary of the major terms of the Relevant Plans will be disclosed in the section headed "Appendix IV — Statutory and General Information — D. Share Incentive Plans";

- (f) the particulars of this waiver will be disclosed in the Listing Document;
- (g) a list of all the grantees (including those persons whose details have already been disclosed) containing all the particulars as required under Rule 17.02(1)(b) of and paragraph 27 of Appendix 1A to the Listing Rules will be made available for public inspection in the section headed “Appendix V — Documents Available on Display.”

## **EXERCISE PRICE OF OPTIONS TO BE GRANTED PURSUANT TO THE 2014 PLAN AND THE 2019 PLAN AFTER THE LISTING**

Note (1) to Rule 17.03(9) of the Listing Rules states that the exercise price of an option must be at least the higher of: (i) the closing price of the securities as stated in the Stock Exchange’s daily quotations sheet on the date of grant, which must be a business day; and (ii) the average closing price of the securities as stated in the Stock Exchange’s daily quotations sheets for the five business days immediately preceding the date of grant.

Since the ADSs, representing our Class A Ordinary Shares, were listed on the Nasdaq in March 2019, it has been the Company’s practice to issue options exercisable into ADSs (each of which represents eight underlying Class A Ordinary Shares) under the 2014 Plan and the 2019 Plan and the Company will continue to issue options exercisable into ADSs after the Listing. By definition, ADSs are denominated in U.S. dollars, and the exercise price for options with respect to ADSs will necessarily be presented in U.S. dollars. Pursuant to the waiver from strict compliance with Rules 4.10 and 4.11 of, and Note 2.1 to Paragraph 2 of Appendix 16 to the Listing Rules described under the sub-section headed “— Use of U.S. GAAP” above, the Company will continue to prepare its accounts based on U.S. GAAP after the Listing in line with its established practice of granting options with exercise prices and RSUs with grant values denominated in U.S. dollars and tied to the market price of its Nasdaq-traded ADSs.

On the basis that (a) the method for determining the exercise price of the options based on the market price of ADSs substantially replicates the requirement in Note (1) to Rule 17.03(9) of the Listing Rules, and (b) it has been the Company’s practice to issue options exercisable into ADSs with exercise prices denominated in U.S. dollars, and the Company will continue to grant options under the 2014 Plan and the 2019 Plan with exercise prices based on the market price of the ADSs which are denominated in U.S. dollars after the Listing, the Company has applied for, and the Stock Exchange has granted, a waiver from strict compliance with Note (1) to Rule 17.03(9) of the Listing Rules such that the Company will be able to determine the exercise price for options granted or to be granted under its Share Incentive Plans based on the higher of: (i) the per-share closing price of the ADSs on the Nasdaq on the date of grant, which must be a Nasdaq trading day; and (ii) the average per-share closing price of the ADSs on the Nasdaq for the five Nasdaq trading days immediately preceding the date of grant, subject to the condition that the Company shall not issue any share options with an exercise price denominated in Hong Kong dollars unless such exercise price complies with Note (1) to Rule 17.03(9) of the Listing Rules.

## ACQUISITION AFTER THE TRACK RECORD PERIOD

Pursuant to Rules 4.04(2) and 4.04(4)(a) of the Listing Rules, the accountant's report to be included in a listing document must include the income statements and balance sheets of any subsidiary or business acquired, agreed to be acquired or proposed to be acquired since the date to which its latest audited accounts have been made up in respect of each of the three financial years immediately preceding the issue of the listing document.

Since June 30, 2022 (the date to which our Company's latest audited accounts will have been made up in the Listing Document), our Company has made the following acquisition, the details of which are set out below:

### Company A

In November 2021, the Company entered into a definitive agreement with the then owners of Company A, pursuant to which the Company proposed to acquire 85% interest in Company A for a consideration of approximately HK\$18 million (the "Acquisition"). The consideration is determined based on arm's length negotiations between the then owners of Company A and the Company, taking into account a number of factors including the potential strategic alliance in the relevant businesses. The Company used its internal resources to satisfy the cash consideration.

Company A, is primarily engaged in financial service business. The Company believes that the Acquisition is complementary to our Group's principal businesses. The Acquisition has completed in November 2022. The Company believes that the terms of the Acquisition are fair and reasonable and in the interests of the Shareholders as a whole. To the Company's best knowledge, information and belief, having made all reasonable enquiries, Company A and its ultimate beneficial owners are third parties independent of the Company and its connected persons.

We have applied for, and the Stock Exchange has granted to us, a waiver from strict compliance with Rules 4.04(2) and 4.04(4)(a) of the Listing Rules in respect of the Acquisition on the following grounds:

- (a) The percentage ratios of the Acquisition are all less than 5% by reference to the most recent financial year of the Track Record Period:**

The relevant percentage ratios calculated in accordance with Rule 14.07 of the Listing Rules of the Acquisition are all significantly less than 5% by reference to the most recent financial year of the Track Record Period.

Accordingly, the Company believes that the Acquisition is immaterial and does not expect the Acquisition to result in any significant changes to its financial position since June 30, 2022, and all information that is reasonably necessary for potential investors to make an informed assessment of its activities or financial position has been included in the Listing Document. As such, the Company considers that a waiver from compliance with the requirements under Rules 4.04(2) and 4.04(4)(a) of the Listing Rules would not prejudice the interests of the investors.

**(b) The historical financial information of Company A fulfilling the disclosure requirement under Rule 4.04 of the Listing Rules would be unduly burdensome to obtain or prepare:**

The Acquisition was only completed in November 2022, and the Company did not have full access to the books and records of Company A until then. It would require considerable time and resources for the Company and its reporting accountant to fully familiarize themselves with the management accounting policies of Company A, and compile the necessary financial information and supporting documents for the disclosure in the Listing Document. As such, we believe it would be impracticable and unduly burdensome within the tight timeframe for us to disclose the audited financial information of Company A in accordance with the U.S. GAAP in the Listing Document as required under Rules 4.04(2) and 4.04(4) of the Hong Kong Listing Rules.

In addition, having considered the Acquisition to be immaterial and that the Company does not expect the Acquisition to have any material effect on its business, financial condition or operations, the Company believes that it would not be meaningful and would be unduly burdensome for it to prepare and include the financial information of Company A during the Track Record Period in accordance with U.S. GAAP in the Listing Document. As the Company does not expect the Acquisition to result in any material changes to its financial position after the Track Record Period, the Company does not believe that the non-disclosure of the required information pursuant to Rules 4.04(2) and 4.04(4)(a) of the Listing Rules would prejudice the interests of the investors.

**(c) Alternative disclosure of the Acquisition in the Listing Document:**

The Company has disclosed alternative information about the Acquisition in the Listing Document. Such information includes that which would be required for a discloseable transaction under Chapter 14 of the Listing Rules that the Company's Directors consider to be material, including, for example, descriptions of the principal business activities, the expected investment amounts, and a statement as to whether the core connected persons at the level of the Company is a controlling shareholder of Company A. Further, the Acquisition was not required to be disclosed in the U.S. market pursuant to the applicable U.S. laws and regulations (including applicable listing rules). The Company has however excluded disclosure on the name of Company A in the Listing Document. The Company considers that in light of the competitive nature of the industry in which the Company operates, it is commercially sensitive to disclose the identity of Company A as such information may enable the Company's competitors to anticipate the Company's investment strategy and business expansion plan. Since each of the relevant percentage ratios of the Acquisition is less than 5% by reference to the most recent financial year of the Track Record Period, the Company does not expect the Acquisition to result in any material changes to its financial position after the Track Record Period. As such, the Company does not believe that the non-disclosure of the required information pursuant to Rules 4.04(2) and 4.04(4)(a) of the Listing Rules would prejudice the interests of the investors, and believes the current disclosure is adequate for potential investors to form an informed assessment of the Company.

## **DISCLOSURE REQUIREMENTS WITH RESPECT TO CHANGES IN SHARE CAPITAL**

We have applied for, and the Stock Exchange has granted, a waiver from strict compliance with the requirements of paragraph 26 of Part A of Appendix 1 to the Listing Rules in respect of disclosing the particulars of any alterations in the capital of any member of the Group within two years immediately preceding the issue of this Listing Document.

We have identified ten entities that we consider are our major subsidiaries and Consolidated Affiliated Entities primarily responsible for the track record results of our Group (the “**Principal Entities**,” and each a “**Principal Entity**”). For further details, see “History and Corporate Structure — Our Major Subsidiaries and Consolidated Affiliated Entities.” Globally, our Group has approximately 32 subsidiaries and Consolidated Affiliated Entities, across six different jurisdictions. It would be unduly burdensome for our Company to disclose information relating to the change of share capital of all of its subsidiaries and Consolidated Affiliated Entities, which would not be material or meaningful to investors. By way of illustration, (a) for the three years ended December 31, 2019, 2020, 2021 and the six months ended June 30, 2022, the aggregate revenue of the Principal Entities represented approximately 97.8%, 99.0%, 98.9% and 97.7% of the Group’s total revenues, respectively; and (b) as of December 31, 2019, 2020, 2021 and the six months ended June 30, 2022, the aggregate assets of the Principal Entities represented approximately 99.2%, 99.8%, 98.1% and 97.6% of the Group’s total assets, respectively. Accordingly, the remaining subsidiaries and Consolidated Affiliated Entities in our Group are not significant to the overall operations and financial results of the Group. Additionally, our non-Principal Entities do not hold major or material assets (save for passive financial products and equity investments of the Group), intellectual property rights or other major proprietary technologies or major research and development functions of the Group.

Particulars of the changes in the share capital of the Company and the Principal Entities have been disclosed in “Statutory and General Information — A. Further Information about our Group — 2. Changes in share capital of our Company” and “Statutory and General Information — A. Further Information about our Group — 3. Changes in the share capital of our major subsidiaries and Consolidated Affiliated Entities” in Appendix IV to this Listing Document.

## **WAIVER IN RELATION TO SHARE ISSUANCE WITHIN SIX MONTHS FROM THE LISTING DATE**

Rule 10.08 of the Listing Rules provides that no further shares or securities convertible into equity securities of a listed issuer may be issued or form the subject of any agreement to such an issue within six months from the date on which securities of the listed issuer first commence dealings on the Stock Exchange (whether or not such issue of shares or securities will be completed within six months from the commencement of dealing) except for the circumstances more particularly stated in the Listing Rules.

The Company has been listed on the Nasdaq for more than 12 months. The Company will not raise any new funds pursuant to the Introduction, thus the Shareholders would not suffer any dilution of their interests in the Company as a result of the Introduction. However, it is essential for the Company to have flexibility in raising funds by way of further issue of new Shares or entering into further acquisitions for share consideration should an appropriate opportunity arise. In addition, the Company considers that any issue of new Shares by the Company will enhance the Shareholders’ base and increase the trading liquidity of the Shares. The interests of the existing Shareholders and prospective investors would be prejudicial if the Company could not raise funds for its business development or expansion due to the restrictions under Rule 10.08 of the Listing Rules.

Therefore, the Company has applied for, and the Stock Exchange has granted, a waiver from strict compliance with the requirement under Rule 10.08 of the Listing Rules on the conditions that:

- (a) any further issue of new Class A Ordinary Shares will be (i) made under a general mandate or (ii) subject to the Shareholders' approval as required under Rule 13.36 of the Listing Rules with the total number of Class A Ordinary Shares that are issued or may be issued not exceeding 20% of the total number of Class A Ordinary Shares in issue as at the Listing Date. Upon the completion of any issuance(s) within six months after the Listing Date, the aggregate voting power of the Controlling Shareholders in the Company would be no less than 74.32%;
- (b) the dilution of the Controlling Shareholders' interest resulting from any issue of new Class A Ordinary Shares will not result in the Controlling Shareholders ceasing to be Controlling Shareholders within 12 months after the Listing Date in compliance with Rule 10.07(1) of the Listing Rules; and
- (c) any issue of Class A Ordinary Shares by the Company within the first six months from the Listing Date must be either (i) for consideration to fund a specific acquisition of assets or business that will contribute to the growth of the Group's operation or for full or partial settlement of the consideration for such acquisition; or (ii) pursuant to a general mandate approved by our Shareholders for the issue of further Class A Ordinary Shares as disclosed in the Listing Document.

Solely for illustration purpose, assuming a maximum issue of 20% of the total number of Class A Ordinary Shares in issue as at the Listing Date, the Controlling Shareholders are expected to control approximately 74.32% of the total voting power in the Company immediately upon the completion of such issue.

## SECTION B

### FOREIGN LAWS AND REGULATIONS

Our Company is incorporated in the Cayman Islands and governed by its Articles of Association, as amended from time to time, and subject to the Companies Act, Cap.22 (Act 3 of 1961, as consolidated and revised) of the Cayman Islands, as amended or supplemented or otherwise modified from time to time (the “**Cayman Companies Act**”). Our ADSs are also listed in the U.S. on the Nasdaq Global Market (the “**Nasdaq**”) under the symbol “FUTU”; we are considered a “foreign private issuer” and are subject to certain U.S. laws and regulations and the relevant Nasdaq rules. We set out below a summary of key laws and regulations that concern shareholder rights and taxation that may differ from comparable provisions in Hong Kong. This summary does not contain all applicable laws and regulations, nor does it set out all the differences with laws and regulations in Hong Kong, or constitute legal or tax advice.

#### Foreign Laws and Regulations: Cayman Islands

### RIGHTS OF SHAREHOLDERS

#### 1. Dividends

##### *Under our constitution*

The holders of ordinary shares are entitled to such dividends as may be declared by the Board of Directors. In addition, shareholders may by ordinary resolution declare a dividend, but no dividend may exceed the amount recommended by the directors. Under Cayman Islands law, dividends may be declared and paid only out of funds legally available therefor, namely out of either profit or the Company’s share premium account, and provided further that a dividend may not be paid if this would result in the Company being unable to pay its debts as they fall due in the ordinary course of business.

Dividends received by each Class B ordinary share and Class A ordinary share in any dividend distribution shall be the same.

Any dividend unclaimed after a period of six years from the date of declaration of such dividend may be forfeited by the Board of Directors and, if so forfeited, shall revert to the Company.

#### 2. Voting Rights

##### *Under our constitution*

Holders of Class A ordinary shares and Class B ordinary shares vote together as a single class on all matters submitted to a vote of the shareholders, except as may otherwise be required by law or provided for in the Memorandum and Articles of Association. In respect of matters requiring shareholders’ vote, on a show of hands, each shareholder is entitled to one vote and on a poll, each Class A ordinary share is entitled to one vote, and each Class B ordinary share is entitled to twenty votes. Voting at any shareholders’ meeting is by show of hands unless a poll is demanded. A poll may be demanded by the chairman of such meeting or any shareholder present in person or by proxy at such meeting.

An ordinary resolution to be passed by the shareholders requires the affirmative vote of a simple majority of the votes cast by those shareholders entitled to vote who are present in person or by proxy at a general meeting. Holders of the ordinary shares may, among other things, divide or consolidate their shares by ordinary resolution. A special resolution requires the affirmative vote of not less than two-thirds of the votes cast by those shareholders entitled to vote who are present in person or by proxy at a general meeting. A special resolution will be required for important matters such as a change of name or making changes to the Memorandum and Articles of Association. Both ordinary resolutions and special resolutions may also be passed by a unanimous written resolution signed by all the shareholders of the Company, as permitted by the Companies Act and the Memorandum and Articles of Association.

### **3. Restructuring**

A company may present a petition to the Grand Court of the Cayman Islands for the appointment of a restructuring officer on the grounds that the company:

- (a) is or is likely to become unable to pay its debts; and
- (b) intends to present a compromise or arrangement to its creditors (or classes thereof) either pursuant to the Companies Act, the law of a foreign country or by way of a consensual restructuring.

The Grand Court may, among other things, make an order appointing a restructuring officer upon hearing of such petition, with such powers and to carry out such functions as the court may order. At any time (i) after the presentation of a petition for the appointment of a restructuring officer but before an order for the appointment of a restructuring officer has been made, and (ii) when an order for the appointment of a restructuring officer is made, until such order has been discharged, no suit, action or other proceedings (other than criminal proceedings) shall be proceeded with or commenced against the company, no resolution to wind up the company shall be passed, and no winding up petition may be presented against the company, except with the leave of the court. However, notwithstanding the presentation of a petition for the appointment of a restructuring officer or the appointment of a restructuring officer, a creditor who has security over the whole or part of the assets of the company is entitled to enforce the security without the leave of the court and without reference to the restructuring officer appointed.

### **4. Liquidation**

#### ***Under our constitution***

On a winding up of the Company, if the assets available for distribution among the shareholders shall be more than sufficient to repay the whole of the share capital at the commencement of the winding up, the surplus will be distributed among the shareholders in proportion to the par value of the shares held by them at the commencement of the winding up, subject to a deduction from those shares in respect of which there are monies due, of all monies payable to the Company for unpaid calls or otherwise. If the assets available for distribution are insufficient to repay the whole of the share capital, such assets will be distributed so that the losses shall be borne by the shareholders in proportion to the par value of the shares held by them.

### ***Under the Cayman Companies Act***

A company may be placed in liquidation compulsorily by an order of the court, or voluntarily (i) by a special resolution of its members if the company is solvent, or (ii) by an ordinary resolution of its members if the company is insolvent. The liquidator's duties are to collect the assets of the company (including the amount (if any) due from the contributories (shareholders)), settle the list of creditors and discharge the company's liability to them, rateably if insufficient assets exist to discharge the liabilities in full, and to settle the list of contributories and divide the surplus assets (if any) amongst them in accordance with the rights attaching to the shares.

## **5. Shareholders' Suits**

### ***Under the Cayman Companies Act***

The Cayman Islands courts can be expected to follow English case law precedents. The rule in *Foss v. Harbottle* (and the exceptions thereto which permit a minority shareholder to commence a class action against or derivative actions in the name of the company to challenge (a) an act which is *ultra vires* the company or illegal, (b) an act which constitutes a fraud against the minority where the wrongdoers are themselves in control of the company, and (c) an action which requires a resolution with a qualified (or special) majority which has not been obtained) has been applied and followed by the courts in the Cayman Islands.

## **6. Protection of Minorities**

### ***Under the Cayman Companies Act***

In the case of a company (not being a bank) having a share capital divided into shares, the Grand Court of the Cayman Islands may, on the application of members holding not less than one-fifth of the shares of the company in issue, appoint an inspector to examine into the affairs of the company and to report thereon in such manner as the Grand Court shall direct.

Any shareholder of a company may petition the Grand Court of the Cayman Islands which may make a winding up order if the court is of the opinion that it is just and equitable that the company should be wound up.

Claims against a company by its shareholders must, as a general rule, be based on the general laws of contract or tort applicable in the Cayman Islands or their individual rights as shareholders as established by the company's memorandum and articles of association.

The English common law rule that the majority will not be permitted to commit a fraud on the minority has been applied and followed by the courts of the Cayman Islands.

## **DIRECTORS' POWERS AND INVESTOR PROTECTION**

### **7. Directors Borrowing Powers**

#### ***Under our constitution***

The Board may exercise all the powers of the Company to issue debentures, debenture stock and other such securities whenever money is borrowed or as security for any debt, liability or obligation of the Company or of any third party.

### **8. Shareholders' Suits**

#### ***Under the Cayman Companies Act***

See item 5 above.

### **9. Protection of Minorities**

#### ***Under the Cayman Companies Act***

See item 6 above.

## **TAKEOVER OR SHARE REPURCHASES**

### **10. Redemption, Purchase and Surrender of Shares**

#### ***Under our constitution***

The Company may issue shares on terms that such shares are subject to redemption, at the option of the Company or at the option of the holder thereof, on such terms and in such manner as may be determined, before the issue of such shares, by the Board of Directors or by a special resolution of the shareholders. The Company may also repurchase any of the Company's shares provided that the manner and terms of such purchase have been approved by the Board of Directors or by ordinary resolution of the shareholders, or are otherwise authorized by the Memorandum and Articles of Association. Under the Companies Act, the redemption or repurchase of any share may be paid out of the Company's profits or out of the proceeds of a fresh issue of shares made for the purpose of such redemption or repurchase, or out of capital (including share premium account and capital redemption reserve) if the Company can, immediately following such payment, pay its debts as they fall due in the ordinary course of business. In addition, under the Companies Act no share may be redeemed or repurchased (a) unless it is fully paid up, (b) if such redemption or repurchase would result in there being no shares outstanding, or (c) if the Company has commenced liquidation. In addition, the Company may accept the surrender of any fully paid share for no consideration.

## **11. Mergers and Consolidations**

### ***Under the Cayman Companies Act***

The Companies Act permits mergers and consolidations between Cayman Islands companies and between Cayman Islands companies and non-Cayman Islands companies. For these purposes, (a) “merger” means the merging of two or more constituent companies and the vesting of their undertaking, property and liabilities in one of such companies as the surviving company, and (b) “consolidation” means the combination of two or more constituent companies into a consolidated company and the vesting of the undertaking, property and liabilities of such companies to the consolidated company. In order to effect such a merger or consolidation, the directors of each constituent company must approve a written plan of merger or consolidation, which must then be authorised by (a) a special resolution of each constituent company and (b) such other authorisation, if any, as may be specified in such constituent company’s articles of association. The written plan of merger or consolidation must be filed with the Registrar of Companies of the Cayman Islands together with a declaration as to the solvency of the consolidated or surviving company, a list of the assets and liabilities of each constituent company and an undertaking that a copy of the certificate of merger or consolidation will be given to the members and creditors of each constituent company and that notification of the merger or consolidation will be published in the Cayman Islands Gazette. Dissenting shareholders have the right to be paid the fair value of their shares (which, if not agreed between the parties, will be determined by the Cayman Islands court) if they follow the required procedures, subject to certain exceptions. Court approval is not required for a merger or consolidation which is effected in compliance with these statutory procedures.

## **12. Reconstructions**

### ***Under the Cayman Companies Act***

There are statutory provisions which facilitate reconstructions and amalgamations approved by (a) 75% in value of shareholders, or (b) a majority in number representing 75% in value of creditors, depending on the circumstances, as are present at a meeting called for such purpose and thereafter sanctioned by the Grand Court of the Cayman Islands. Whilst dissenting shareholders would have the right to express to the Grand Court their view that the transaction for which approval is sought would not provide the shareholders with a fair value for their shares, the Grand Court is unlikely to disapprove the transaction on that ground alone in the absence of evidence of fraud or bad faith on behalf of management and if the transaction were approved and consummated the dissenting shareholders would have no rights comparable to the appraisal rights (i.e. the right to receive payment in cash for the judicially determined value of their shares) ordinarily available, for example to dissenting shareholders of United States corporations.

### **13. Take-overs**

#### ***Under the Cayman Companies Act***

Where an offer is made by a company for the shares of another company and, within four months of the offer, the holders of not less than 90% of the shares which are the subject of the offer accept, the offeror may at any time within two months after the expiration of the said four months, by notice require the dissenting shareholders to transfer their shares on the terms of the offer. A dissenting shareholder may apply to the Grand Court of the Cayman Islands within one month of the notice objecting to the transfer. The burden is on the dissenting shareholder to show that the Grand Court should exercise its discretion, which it will be unlikely to do unless there is evidence of fraud or bad faith or collusion as between the offeror and the holders of the shares who have accepted the offer as a means of unfairly forcing out minority shareholders.

## **TAXATION**

### **14. Stamp duty on transfers**

#### ***Under the Cayman Companies Act***

No stamp duty is payable in the Cayman Islands on transfers of shares of Cayman Islands companies except those which hold interests in land in the Cayman Islands.

### **15. Taxation**

#### ***Under the Cayman Companies Act***

Pursuant to section 6 of the Tax Concessions Act (As Revised) of the Cayman Islands, the Company may obtain an undertaking from the Financial Secretary of the Cayman Islands:

- (a) that no law which is enacted in the Cayman Islands imposing any tax to be levied on profits, income, gains or appreciations shall apply to the Company or its operations; and
- (b) in addition, that no tax to be levied on profits, income, gains or appreciations or which is in the nature of estate duty or inheritance tax shall be payable:
  - (i) on or in respect of the shares, debentures or other obligations of the Company; or
  - (ii) by way of the withholding in whole or in part of any relevant payment as defined in section 6(3) of the Tax Concessions Act (As Revised).

The Cayman Islands currently levy no taxes on individuals or corporations based upon profits, income, gains or appreciations and there is no taxation in the nature of inheritance tax or estate duty. There are no other taxes likely to be material to the Company levied by the Government of the Cayman Islands save certain stamp duties which may be applicable, from time to time, on certain instruments executed in or brought within the jurisdiction of the Cayman Islands. The Cayman Islands are not party to any double tax treaties that are applicable to any payments made by or to the Company.

  - (d) whether the preferred shares of such series shall be subject to redemption by the Company, and, if so, the times, prices and other conditions of such redemption;
  - (e) whether the preferred shares of such series shall have any rights to receive any part of the assets available for distribution amongst the Members upon the liquidation of the Company, and, if so, the terms of such liquidation preference, and the relation which such liquidation preference shall bear to the entitlements of the holders of shares of any other class or any other series of shares;
  - (f) whether the preferred shares of such series shall be subject to the operation of a retirement or sinking fund and, if so, the extent to and manner in which any such retirement or sinking fund shall be applied to the purchase or redemption of the preferred shares of such series for retirement or other corporate purposes and the terms and provisions relative to the operation thereof;

The Company may insofar as may be permitted by law, pay a commission to any Person in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any Shares. Such commissions may be satisfied by the payment of cash or the lodgment of fully or partly paid-up Shares or partly in one way and partly in the other. The Company may also pay such brokerage as may be lawful on any issue of Shares.
- 11. The Directors may refuse to accept any application for Shares, and may accept any application in whole or in part, for any reason or for no reason.

#### **CLASS A ORDINARY SHARES AND CLASS B ORDINARY SHARES**

- 12. Holders of Class A Ordinary Shares and Class B Ordinary Shares shall at all times vote together as one class on all resolutions submitted to a vote by the Members. - 13. Each Class B Ordinary Share is convertible into one (1) Class A Ordinary Share at any time at the option of the holder thereof. The right to convert shall be exercisable by the holder of the Class B Ordinary Share delivering a written notice to the Company that such holder elects to convert a specified number of Class B Ordinary Shares into Class A Ordinary Shares. In no event shall Class A Ordinary Shares be convertible into Class B Ordinary Shares.
- 14. Any conversion of Class B Ordinary Shares into Class A Ordinary Shares pursuant to these Articles shall be effected by means of the re-designation of each relevant Class B Ordinary Share as a Class A Ordinary Share. 15. Upon any sale, transfer, assignment or disposition of any Class B Ordinary Share by a Shareholder to any person who is not an Affiliate of such Shareholder, such Class B Ordinary Share shall be automatically and immediately converted into one Class A Ordinary Share. For the avoidance of doubt, (i) a sale, transfer, assignment or disposition shall be effective upon the Company's registration of such sale, transfer, assignment or disposition in its Register; and (ii) the creation of any pledge, charge, encumbrance or other third party right of whatever description on any Class B Ordinary Shares to secure a holder's contractual or legal obligations shall not be deemed as a sale, transfer, assignment or disposition unless and until any such pledge, charge, encumbrance or other third party right is enforced and results in the third party holding legal title to the relevant Class B Ordinary Shares, in which case all the related Class B Ordinary Shares shall be automatically converted into the same number of Class A Ordinary Shares. For purpose of this Article 15, beneficial ownership shall have the meaning set forth in Rule 13d-3 under the United States Securities Exchange Act of 1934, as amended.
16. Save and except for voting rights and conversion rights as set out in Articles 12 to 16 (inclusive), the Class A Ordinary Shares and the Class B Ordinary Shares shall rank *pari passu* with one another and shall have the same rights, preferences, privileges and restrictions.

### **MODIFICATION OF RIGHTS**

17. Whenever the capital of the Company is divided into different Classes the rights attached to any such Class may, subject to any rights or restrictions for the time being attached to any Class, only be materially adversely varied with the consent in writing of the holders of two-thirds of the issued Shares of that Class or with the sanction of a Special Resolution passed at a separate meeting of the holders of the Shares of that Class. To every such separate meeting all the provisions of these Articles relating to general meetings of the Company or to the proceedings thereat shall, *mutatis mutandis*, apply, except that the necessary quorum shall be one or more Persons holding or representing by proxy at least one – third in nominal or par value amount of the issued Shares of the relevant Class (but so that if at any adjourned meeting of such holders a quorum as above defined is not present, those Shareholders who are present shall form a quorum) and that, subject to any rights or restrictions for the time being attached to the Shares of that Class, every Shareholder of the Class shall on a poll have one vote for each Share of the Class held by him. For the purposes of this Article the Directors may treat all the Classes or any two or more Classes as forming one Class if they consider that all such Classes would be affected in the same way by the proposals under consideration, but in any other case shall treat them as separate Classes.
18. The rights conferred upon the holders of the Shares of any Class issued with preferred or other rights shall not, subject to any rights or restrictions for the time being attached to the Shares of that Class, be deemed to be materially adversely varied by, *inter alia*, the creation, allotment or issue of further Shares ranking *pari passu* with or subsequent to them or the redemption or purchase of any Shares of any Class by the Company. The rights of the holders of Shares shall not be deemed to be materially adversely varied by the creation or issue of Shares with preferred or other rights including, without limitation, the creation of Shares with enhanced or weighted voting rights.

## **CERTIFICATES**

19. Every Person whose name is entered as a Member in the Register may, without payment and upon its written request, request a certificate within two calendar months after allotment or lodgement of transfer (or within such other period as the conditions of issue shall provide) in the form determined by the Directors. All certificates shall specify the Share or Shares held by that Person, provided that in respect of a Share or Shares held jointly by several Persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a Share to one of several joint holders shall be sufficient delivery to all. All certificates for Shares shall be delivered personally or sent through the post addressed to the Member entitled thereto at the Member's registered address as appearing in the Register.
20. Every share certificate of the Company shall bear legends required under the applicable laws, including the Securities Act.
21. Any two or more certificates representing Shares of any one Class held by any Member may at the Member's request be cancelled and a single new certificate for such Shares issued in lieu on payment (if the Directors shall so require) of one dollar (US\$1.00) or such smaller sum as the Directors shall determine.
22. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed, a new certificate representing the same Shares may be issued to the relevant Member upon request, subject to delivery up of the old certificate or (if alleged to have been lost, stolen or destroyed) compliance with such conditions as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in connection with the request as the Directors may think fit.
23. In the event that Shares are held jointly by several Persons, any request may be made by any one of the joint holders and if so made shall be binding on all of the joint holders.

## **FRACTIONAL SHARES**

24. The Directors may issue fractions of a Share and, if so issued, a fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to nominal or par value, premium, contributions, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without prejudice to the generality of the foregoing, voting and participation rights) and other attributes of a whole Share. If more than one fraction of a Share of the same Class is issued to or acquired by the same Shareholder such fractions shall be accumulated.

## **LIEN**

25. The Company has a first and paramount lien on every Share (whether or not fully paid) for all amounts (whether presently payable or not) payable at a fixed time or called in respect of that Share. The Company also has a first and paramount lien on every Share registered in the name of a Person indebted or under liability to the Company (whether he is the sole registered holder of a Share or one of two or more joint holders) for all amounts owing by him or his estate to the Company (whether or not presently payable). The Directors may at any time declare a Share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a Share extends to any amount payable in respect of it, including but not limited to dividends.

26. The Company may sell, in such manner as the Directors in their absolute discretion think fit, any Share on which the Company has a lien, but no sale shall be made unless an amount in respect of which the lien exists is presently payable nor until the expiration of fourteen calendar days after a notice in writing, demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the Share, or the Persons entitled thereto by reason of his death or bankruptcy.
27. For giving effect to any such sale the Directors may authorise a Person to transfer the Shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the Shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
28. The proceeds of the sale after deduction of expenses, fees and commissions incurred by the Company shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the Shares prior to the sale) be paid to the Person entitled to the Shares immediately prior to the sale.

#### **CALLS ON SHARES**

29. Subject to the terms of the allotment, the Directors may from time to time make calls upon the Shareholders in respect of any moneys unpaid on their Shares, and each Shareholder shall (subject to receiving at least fourteen calendar days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on such Shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.
30. The joint holders of a Share shall be jointly and severally liable to pay calls in respect thereof.
31. If a sum called in respect of a Share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.
32. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the amount of the Share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.
33. The Directors may make arrangements with respect to the issue of partly paid Shares for a difference between the Shareholders, or the particular Shares, in the amount of calls to be paid and in the times of payment.

34. The Directors may, if they think fit, receive from any Shareholder willing to advance the same all or any part of the moneys uncalled and unpaid upon any partly paid Shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent per annum) as may be agreed upon between the Shareholder paying the sum in advance and the Directors. No such sum paid in advance of calls shall entitle the Member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

### **FORFEITURE OF SHARES**

35. If a Shareholder fails to pay any call or instalment of a call in respect of partly paid Shares on the day appointed for payment, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
36. The notice shall name a further day (not earlier than the expiration of fourteen calendar days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.
37. If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
38. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
39. A Person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the Shares forfeited, but his liability shall cease if and when the Company receives payment in full of the amount unpaid on the Shares forfeited.
40. A certificate in writing under the hand of a Director that a Share has been duly forfeited on a date stated in the certificate shall be conclusive evidence of the facts in the declaration as against all Persons claiming to be entitled to the Share.
41. The Company may receive the consideration, if any, given for a Share on any sale or disposition thereof pursuant to the provisions of these Articles as to forfeiture and may execute a transfer of the Share in favour of the Person to whom the Share is sold or disposed of and that Person shall be registered as the holder of the Share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the disposition or sale.

42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a Share becomes due and payable, whether on account of the amount of the Share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

### **TRANSFER OF SHARES**

43. The instrument of transfer of any Share shall be in writing and in any usual or common form or such other form as the Directors may, in their absolute discretion, approve and be executed by or on behalf of the transferor and if in respect of a nil or partly paid up Share, or if so required by the Directors, shall also be executed on behalf of the transferee and shall be accompanied by the certificate (if any) of the Shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be deemed to remain a Shareholder until the name of the transferee is entered in the Register in respect of the relevant Shares.
44. (a) The Directors may in their absolute discretion decline to register any transfer of Shares which is not fully paid up or on which the Company has a lien.
- (b) The Directors may also decline to register any transfer of any Share unless:
- (i) the instrument of transfer is lodged with the Company, accompanied by the certificate for the Shares to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
  - (ii) the instrument of transfer is in respect of only one Class of Shares;
  - (iii) the instrument of transfer is properly stamped, if required;
  - (iv) in the case of a transfer to joint holders, the number of joint holders to whom the Share is to be transferred does not exceed four; and
  - (v) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable, or such lesser sum as the Board of Directors may from time to time require, is paid to the Company in respect thereof.
45. The registration of transfers may, on ten calendar days' notice being given by advertisement in such one or more newspapers, by electronic means or by any other means in accordance with the Designated Stock Exchange Rules, be suspended and the Register closed at such times and for such periods as the Directors may, in their absolute discretion, from time to time determine, provided always that such registration of transfer shall not be suspended nor the Register closed for more than thirty calendar days in any calendar year.
46. All instruments of transfer that are registered shall be retained by the Company. If the Directors refuse to register a transfer of any Shares, they shall within three calendar months after the date on which the transfer was lodged with the Company send notice of the refusal to each of the transferor and the transferee.

## **TRANSMISSION OF SHARES**

47. The legal personal representative of a deceased sole holder of a Share shall be the only Person recognised by the Company as having any title to the Share. In the case of a Share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only Person recognised by the Company as having any title to the Share.
48. Any Person becoming entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall, upon such evidence being produced as may from time to time be required by the Directors, have the right either to be registered as a Shareholder in respect of the Share or, instead of being registered himself, to make such transfer of the Share as the deceased or bankrupt Person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the deceased or bankrupt Person before the death or bankruptcy.
49. A Person becoming entitled to a Share by reason of the death or bankruptcy of a Shareholder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Shareholder, except that he shall not, before being registered as a Shareholder in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company, provided however, that the Directors may at any time give notice requiring any such Person to elect either to be registered himself or to transfer the Share, and if the notice is not complied with within ninety calendar days, the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.

## **REGISTRATION OF EMPOWERING INSTRUMENTS**

50. The Company shall be entitled to charge a fee not exceeding one dollar (US\$1.00) on the registration of every probate, letters of administration, certificate of death or marriage, power of attorney, notice in lieu of distringas, or other instrument.

## **ALTERATION OF SHARE CAPITAL**

51. The Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into Shares of such Classes and amount, as the resolution shall prescribe.
52. The Company may by Ordinary Resolution:
  - (a) increase its share capital by new Shares of such amount as it thinks expedient;
  - (b) consolidate and divide all or any of its share capital into Shares of a larger amount than its existing Shares;
  - (c) subdivide its Shares, or any of them, into Shares of an amount smaller than that fixed by the Memorandum, provided that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in case of the Share from which the reduced Share is derived; and

- (d) cancel any Shares that, at the date of the passing of the resolution, have not been taken or agreed to be taken by any Person and diminish the amount of its share capital by the amount of the Shares so cancelled.
53. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorised by law.

### **REDEMPTION, PURCHASE AND SURRENDER OF SHARES**

54. Subject to the provisions of the Companies Law and these Articles, the Company may:
- (a) issue Shares that are to be redeemed or are liable to be redeemed at the option of the Shareholder or the Company. The redemption of Shares shall be effected in such manner and upon such terms as may be determined, before the issue of such Shares, by either the Board or by the Shareholders by Special Resolution;
  - (b) purchase its own Shares (including any redeemable Shares) on such terms and in such manner and terms as have been approved by the Board or by the Members by Ordinary Resolution, or are otherwise authorised by these Articles; and
  - (c) make a payment in respect of the redemption or purchase of its own Shares in any manner permitted by the Companies Law, including out of capital.
55. The purchase of any Share shall not oblige the Company to purchase any other Share other than as may be required pursuant to applicable law and any other contractual obligations of the Company.
56. The holder of the Shares being purchased shall be bound to deliver up to the Company the certificate(s) (if any) thereof for cancellation and thereupon the Company shall pay to him the purchase or redemption monies or consideration in respect thereof.
57. The Directors may accept the surrender for no consideration of any fully paid Share.

### **TREASURY SHARES**

58. The Directors may, prior to the purchase, redemption or surrender of any Share, determine that such Share shall be held as a Treasury Share.
59. The Directors may determine to cancel a Treasury Share or transfer a Treasury Share on such terms as they think proper (including, without limitation, for nil consideration).

### **GENERAL MEETINGS**

60. All general meetings other than annual general meetings shall be called extraordinary general meetings.
61. (a) The Company may (but shall not be obliged to) in each calendar year hold a general meeting as its annual general meeting and shall specify the meeting as such in the notices calling it. The annual general meeting shall be held at such time and place as may be determined by the Directors.

- (b) At these meetings the report of the Directors (if any) shall be presented.
62. (a) The Chairman or a majority of the Directors may call general meetings, and they shall on a Shareholders' requisition forthwith proceed to convene an extraordinary general meeting of the Company.
- (b) A Shareholders' requisition is a requisition of Members holding at the date of deposit of the requisition Shares which carry in aggregate not less than one-third (1/3) of all votes attaching to all issued and outstanding Shares of the Company that as at the date of the deposit carry the right to vote at general meetings of the Company.
  - (c) The requisition must state the objects of the meeting and must be signed by the requisitionists and deposited at the Registered Office, and may consist of several documents in like form each signed by one or more requisitionists.
  - (d) If there are no Directors as at the date of the deposit of the Shareholders' requisition, or if the Directors do not within twenty-one calendar days from the date of the deposit of the requisition duly proceed to convene a general meeting to be held within a further twenty-one calendar days, the requisitionists, or any of them representing more than one-half of the total voting rights of all of them, may themselves convene a general meeting, but any meeting so convened shall not be held after the expiration of three calendar months after the expiration of the said twenty-one calendar days.
  - (e) A general meeting convened as aforesaid by requisitionists shall be convened in the same manner as nearly as possible as that in which general meetings are to be convened by Directors.

### **NOTICE OF GENERAL MEETINGS**

63. At least ten (10) calendar days' notice shall be given for any general meeting. Every notice shall be exclusive of the day on which it is given or deemed to be given and of the day for which it is given and shall specify the place, the day and the hour of the meeting and the general nature of the business and shall be given in the manner hereinafter mentioned or in such other manner if any as may be prescribed by the Company, provided that a general meeting of the Company shall, whether or not the notice specified in this Article has been given and whether or not the provisions of these Articles regarding general meetings have been complied with, be deemed to have been duly convened if it is so agreed:
- (a) in the case of an annual general meeting, by all the Shareholders (or their proxies) entitled to attend and vote thereat; and
  - (b) in the case of an extraordinary general meeting, by two-thirds (2/3rd) of the Shareholders having a right to attend and vote at the meeting, present in person or by proxy or, in the case of a corporation or other non-natural person, by its duly authorised representative or proxy.
64. The accidental omission to give notice of a meeting to or the non-receipt of a notice of a meeting by any Shareholder shall not invalidate the proceedings at any meeting.

## PROCEEDINGS AT GENERAL MEETINGS

65. No business except for the appointment of a chairman for the meeting shall be transacted at any general meeting unless a quorum of Shareholders is present at the time when the meeting proceeds to business. One or more Shareholders holding Shares which carry in aggregate (or representing by proxy) not less than one-third of all votes attaching to all Shares in issue and entitled to vote at such general meeting, present in person or by proxy or, if a corporation or other non-natural person, by its duly authorised representative, shall be a quorum for all purposes.
66. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting shall be dissolved.
67. If the Directors wish to make this facility available for a specific general meeting or all general meetings of the Company, participation in any general meeting of the Company may be by means of a telephone or similar communication equipment by way of which all Persons participating in such meeting can communicate with each other and such participation shall be deemed to constitute presence in person at the meeting.
68. The Chairman, if any, shall preside as chairman at every general meeting of the Company.
69. If there is no such Chairman, or if at any meeting he is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as chairman of the meeting, any Director or Person nominated by the Directors shall preside as chairman of that meeting, failing which the Shareholders present in person or by proxy shall choose any Person present to be chairman of that meeting.
70. The chairman of any general meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting, or adjourned meeting, is adjourned for fourteen calendar days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
71. The Directors may cancel or postpone any duly convened general meeting at any time prior to such meeting, except for general meetings requisitioned by the Shareholders in accordance with these Articles, for any reason or for no reason, upon notice in writing to Shareholders. A postponement may be for a stated period of any length or indefinitely as the Directors may determine.
72. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman of the meeting or any Shareholder present in person or by proxy, and unless a poll is so demanded, a declaration by the chairman of the meeting that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, that resolution.

73. If a poll is duly demanded it shall be taken in such manner as the chairman of the meeting directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
74. All questions submitted to a meeting shall be decided by an Ordinary Resolution except where a greater majority is required by these Articles or by the Companies Law. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded, shall be entitled to a second or casting vote.
75. A poll demanded on the election of a chairman of the meeting or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the chairman of the meeting directs.

### **VOTES OF SHAREHOLDERS**

76. Subject to any rights and restrictions for the time being attached to any Share, on a show of hands every Shareholder present in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall, at a general meeting of the Company, each have one vote and on a poll every Shareholder present in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall have one (1) vote for each Class A Ordinary Share and twenty (20) votes for each Class B Ordinary Share of which he is the holder.
77. In the case of joint holders the vote of the senior who tenders a vote whether in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names stand in the Register.
78. Shares carrying the right to vote that are held by a Shareholder of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may be voted, whether on a show of hands or on a poll, by his committee, or other Person in the nature of a committee appointed by that court, and any such committee or other Person may vote in respect of such Shares by proxy.
79. No Shareholder shall be entitled to vote at any general meeting of the Company unless all calls, if any or other sums presently payable by him in respect of Shares carrying the right to vote held by him have been paid.
80. On a poll votes may be given either personally or by proxy.
81. Each Shareholder, other than a recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)), may only appoint one proxy on a show of hand. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under Seal or under the hand of an officer or attorney duly authorised. A proxy need not be a Shareholder.
82. An instrument appointing a proxy may be in any usual or common form or such other form as the Directors may approve.

83. The instrument appointing a proxy shall be deposited at the Registered Office or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company:
- (a) not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote; or
  - (b) in the case of a poll taken more than 48 hours after it is demanded, be deposited as aforesaid after the poll has been demanded and not less than 24 hours before the time appointed for the taking of the poll; or
  - (c) where the poll is not taken forthwith but is taken not more than 48 hours after it was demanded be delivered at the meeting at which the poll was demanded to the chairman of the meeting or to the secretary or to any Director;

provided that the Directors may in the notice convening the meeting, or in an instrument of proxy sent out by the Company, direct that the instrument appointing a proxy may be deposited at such other time (no later than the time for holding the meeting or adjourned meeting) at the Registered Office or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company. The chairman of the meeting may in any event at his discretion direct that an instrument of proxy shall be deemed to have been duly deposited. An instrument of proxy that is not deposited in the manner permitted shall be invalid.

84. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
85. A resolution in writing signed by all the Shareholders for the time being entitled to receive notice of and to attend and vote at general meetings of the Company (or being corporations by their duly authorised representatives) shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held.

#### **CORPORATIONS ACTING BY REPRESENTATIVES AT MEETINGS**

86. Any corporation which is a Shareholder or a Director may by resolution of its directors or other governing body authorise such Person as it thinks fit to act as its representative at any meeting of the Company or of any meeting of holders of a Class or of the Directors or of a committee of Directors, and the Person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Shareholder or Director.

## **DEPOSITARY AND CLEARING HOUSES**

87. If a recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)) is a Member of the Company it may, by resolution of its directors or other governing body or by power of attorney, authorise such Person(s) as it thinks fit to act as its representative(s) at any general meeting of the Company or of any Class of Shareholders provided that, if more than one Person is so authorised, the authorisation shall specify the number and Class of Shares in respect of which each such Person is so authorised. A Person so authorised pursuant to this Article shall be entitled to exercise the same powers on behalf of the recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)) which he represents as that recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)) could exercise if it were an individual Member holding the number and Class of Shares specified in such authorisation, including the right to vote individually on a show of hands.

## **DIRECTORS**

88. (a) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than three (3) Directors, the exact number of Directors to be determined from time to time by the Board of Directors.
- (b) The Board of Directors shall elect and appoint a Chairman by a majority of the Directors then in office. The period for which the Chairman will hold office will also be determined by a majority of all of the Directors then in office. The Chairman shall preside as chairman at every meeting of the Board of Directors. To the extent the Chairman is not present at a meeting of the Board of Directors within fifteen minutes after the time appointed for holding the same, the attending Directors may choose one of their number to be the chairman of the meeting.
- (c) The Company may by Ordinary Resolution appoint any person to be a Director.
- (d) The Board may, by the affirmative vote of a simple majority of the remaining Directors present and voting at a Board meeting, appoint any person as a Director, to fill a casual vacancy on the Board or as an addition to the existing Board.
- (e) An appointment of a Director may be on terms that the Director shall automatically retire from office (unless he has sooner vacated office) at the next or a subsequent annual general meeting or upon any specified event or after any specified period in a written agreement between the Company and the Director, if any; but no such term shall be implied in the absence of express provision. Each Director whose term of office expires shall be eligible for re-election at a meeting of the Shareholders or re-appointment by the Board.

- (f) Notwithstanding anything in these Articles, for as long as the Tencent Investors together hold at least 91,671,323 Shares of the Company (as may be adjusted by share splits, recapitalization, reorganization, consolidation or other similar transaction), the Tencent Investors shall have the right to appoint one (1) director to the Board (“**Tencent Director**”) by sending a joint notice to the Company’s Registered Office. Subject to Article 108, the Tencent Director may only be removed as directed or approved by both Tencent Investors, and any vacancies created by the resignation, removal or death of the Tencent Director shall be filled pursuant to the provisions of clause (f) of this Article. The term of the Tencent Director shall automatically end once the Tencent Investors together hold less than 91,671,323 Shares of the Company (as may be adjusted by share splits, recapitalization, reorganization, consolidation or other similar transaction).
- (g) A Director may be removed from office by Ordinary Resolution, notwithstanding anything in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under such agreement).
- (h) Except as otherwise provided in this Article 88, a vacancy on the Board created by the removal of a Director under the previous clause may be filled by Ordinary Resolution or by the affirmative vote of a simple majority of the remaining Directors present and voting at a Board meeting. The notice of any meeting at which a resolution to remove a Director shall be proposed or voted upon must contain a statement of the intention to remove that Director and such notice must be served on that Director not less than ten (10) calendar days before the meeting. Such Director is entitled to attend the meeting and be heard on the motion for his removal.

Any natural person or corporation so appointed by the Directors may be removed by the Directors. The Directors may also appoint one or more of their number to the office of managing director upon like terms, but any such appointment shall ipso facto terminate if any managing director ceases for any cause to be a Director, or if the Company by Ordinary Resolution resolves that his tenure of office be terminated.
97. 98. The Directors may delegate any of their powers to committees consisting of such member or members of their body as they think fit; any committee so formed shall in the exercise of the powers so delegated conform to any regulations that may be imposed on it by the Directors.
99. The Directors may from time to time and at any time by power of attorney (whether under Seal or under hand) or otherwise appoint any company, firm or Person or body of Persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys or authorised signatory (any such person being an “Attorney” or “Authorised Signatory”, respectively) of the Company for such purposes and with such powers, authorities and discretion (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit, and any such power of attorney or other appointment may contain such provisions for the protection and convenience of Persons dealing with any such Attorney or Authorised Signatory as the Directors may think fit, and may also authorise any such Attorney or Authorised Signatory to delegate all or any of the powers, authorities and discretion vested in him.
100. The Directors may from time to time provide for the management of the affairs of the Company in such manner as they shall think fit and the provisions contained in the three next following Articles shall not limit the general powers conferred by this Article.

The Seal shall be affixed in the presence of a Director or a Secretary (or an assistant Secretary) or in the presence of any one or more Persons as the Directors may appoint for the purpose and every Person as aforesaid shall sign every instrument to which the Seal is so affixed in their presence.
106. The Company may maintain a facsimile of the Seal in such countries or places as the Directors may appoint and such facsimile Seal shall not be affixed to any instrument except by the authority of a resolution of the Directors provided always that such authority may be given prior to or after the affixing of such facsimile Seal and if given after may be in general form confirming a number of affixings of such facsimile Seal. The facsimile Seal shall be affixed in the presence of such Person or Persons as the Directors shall for this purpose appoint and such Person or Persons as aforesaid shall sign every instrument to which the facsimile Seal is so affixed in their presence and such affixing of the facsimile Seal and signing as aforesaid shall have the same meaning and effect as if the Seal had been affixed in the presence of and the instrument signed by a Director or a Secretary (or an assistant Secretary) or in the presence of any one or more Persons as the Directors may appoint for the purpose.
107. Notwithstanding the foregoing, a Secretary or any assistant Secretary shall have the authority to affix the Seal, or the facsimile Seal, to any instrument for the purposes of attesting authenticity of the matter contained therein but which does not create any obligation binding on the Company.

Questions arising at any meeting shall be decided by a majority of votes. At any meeting of the Directors, each Director present in person or represented by his proxy or alternate shall be entitled to one vote. In case of an equality of votes the chairman of the meeting shall have a second or casting vote. A Director may, and a Secretary or assistant Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors.
110. A Director may participate in any meeting of the Directors, or of any committee appointed by the Directors of which such Director is a member, by means of telephone or similar communication equipment by way of which all Persons participating in such meeting can communicate with each other and such participation shall be deemed to constitute presence in person at the meeting.
111. The quorum necessary for the transaction of the business of the Board may be fixed by the Directors, and unless so fixed, the quorum shall be a majority of Directors then in office. A Director represented by proxy or by an alternate Director at any meeting shall be deemed to be present for the purposes of determining whether or not a quorum is present.
112. A Director who is in any way, whether directly or indirectly, interested in a contract or transaction or proposed contract or transaction with the Company shall declare the nature of his interest at a meeting of the Directors. A general notice given to the Directors by any Director to the effect that he is a member of any specified company or firm and is to be regarded as interested in any contract or transaction which may thereafter be made with that company or firm shall be deemed a sufficient declaration of interest in regard to any contract so made or transaction so consummated. A Director may vote in respect of any contract or transaction or proposed contract or transaction notwithstanding that he may be interested therein and if he does so his vote shall be counted and he may be counted in the quorum at any meeting of the Directors at which any such contract or transaction or proposed contract or transaction shall come before the meeting for consideration.
113. A Director may hold any other office or place of profit under the Company (other than the office of auditor) in conjunction with his office of Director for such period and on such terms (as to remuneration and otherwise) as the Directors may determine and no Director or intending Director shall be disqualified by his office from contracting with the Company either with regard to his tenure of any such other office or place of profit or as vendor, purchaser or otherwise, nor shall any such contract or arrangement entered into by or on behalf of the Company in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relation thereby established. A Director, notwithstanding his interest, may be counted in the quorum present at any meeting of the Directors whereat he or any other Director is appointed to hold any such office or place of profit under the Company or whereat the terms of any such appointment are arranged and he may vote on any such appointment or arrangement.

114. Any Director may act by himself or through his firm in a professional capacity for the Company, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director provided that nothing herein contained shall authorise a Director or his firm to act as auditor to the Company.
115. The Directors shall cause minutes to be made for the purpose of recording:
- (a) all appointments of officers made by the Directors;
  - (b) the names of the Directors present at each meeting of the Directors and of any committee of the Directors; and
  - (c) all resolutions and proceedings at all meetings of the Company, and of the Directors and of committees of Directors.
116. When the chairman of a meeting of the Directors signs the minutes of such meeting the same shall be deemed to have been duly held notwithstanding that all the Directors have not actually come together or that there may have been a technical defect in the proceedings.
117. A resolution in writing signed by all the Directors or all the members of a committee of Directors entitled to receive notice of a meeting of Directors or committee of Directors, as the case may be (an alternate Director, subject as provided otherwise in the terms of appointment of the alternate Director, being entitled to sign such a resolution on behalf of his appointer), shall be as valid and effectual as if it had been passed at a duly called and constituted meeting of Directors or committee of Directors, as the case may be. When signed a resolution may consist of several documents each signed by one or more of the Directors or his duly appointed alternate.
118. The continuing Directors may act notwithstanding any vacancy in their body but if and for so long as their number is reduced below the number fixed by or pursuant to these Articles as the necessary quorum of Directors, the continuing Directors may act for the purpose of increasing the number, or of summoning a general meeting of the Company, but for no other purpose.
119. Subject to any regulations imposed on it by the Directors, a committee appointed by the Directors may elect a chairman of its meetings. If no such chairman is elected, or if at any meeting the chairman is not present within fifteen minutes after the time appointed for holding the meeting, the committee members present may choose one of their number to be chairman of the meeting.
120. A committee appointed by the Directors may meet and adjourn as it thinks proper. Subject to any regulations imposed on it by the Directors, questions arising at any meeting shall be determined by a majority of votes of the committee members present and in case of an equality of votes the chairman shall have a second or casting vote.
121. All acts done by any meeting of the Directors or of a committee of Directors, or by any Person acting as a Director, shall notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or Person acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such Person had been duly appointed and was qualified to be a Director.

## **PRESUMPTION OF ASSENT**

122. A Director who is present at a meeting of the Board of Directors at which an action on any Company matter is taken shall be presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent from such action with the person acting as the chairman or secretary of the meeting before the adjournment thereof or shall forward such dissent by registered post to such person immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Director who voted in favour of such action.

## **DIVIDENDS**

Subject to any rights and restrictions for the time being attached to any Shares, the Directors may from time to time declare dividends (including interim dividends) and other distributions on Shares in issue and authorise payment of the same out of the funds of the Company lawfully available therefor.
124. Subject to any rights and restrictions for the time being attached to any Shares, the Company by Ordinary Resolution may declare dividends, but no dividend shall exceed the amount recommended by the Directors.
125. The Directors may, before recommending or declaring any dividend, set aside out of the funds legally available for distribution such sums as they think proper as a reserve or reserves which shall, in the absolute discretion of the Directors, be applicable for meeting contingencies or for equalising dividends or for any other purpose to which those funds may be properly applied, and pending such application may in the absolute discretion of the Directors, either be employed in the business of the Company or be invested in such investments (other than Shares of the Company) as the Directors may from time to time think fit.
126. Any dividend payable in cash to the holder of Shares may be paid in any manner determined by the Directors. If paid by cheque it will be sent by mail addressed to the holder at his address in the Register, or addressed to such person and at such addresses as the holder may direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such Shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company.
127. The Directors may determine that a dividend shall be paid wholly or partly by the distribution of specific assets (which may consist of the shares or securities of any other company) and may settle all questions concerning such distribution. Without limiting the generality of the foregoing, the Directors may fix the value of such specific assets, may determine that cash payment shall be made to some Shareholders in lieu of specific assets and may vest any such specific assets in trustees on such terms as the Directors think fit.
128. Subject to any rights and restrictions for the time being attached to any Shares, all dividends shall be declared and paid according to the amounts paid up on the Shares, but if and for so long as nothing is paid up on any of the Shares dividends may be declared and paid according to the par value of the Shares. No amount paid on a Share in advance of calls shall, while carrying interest, be treated for the purposes of this Article as paid on the Share.

129. If several Persons are registered as joint holders of any Share, any of them may give effective receipts for any dividend or other moneys payable on or in respect of the Share.
130. No dividend shall bear interest against the Company.
131. Any dividend unclaimed after a period of six calendar years from the date of declaration of such dividend may be forfeited by the Board of Directors and, if so forfeited, shall revert to the Company.

#### **ACCOUNTS, AUDIT AND ANNUAL RETURN AND DECLARATION**

132. The books of account relating to the Company's affairs shall be kept in such manner as may be determined from time to time by the Directors.
133. The books of account shall be kept at such place or places as the Directors think fit, and shall always be open to the inspection of the Directors.
134. The Directors may from time to time determine whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of Shareholders not being Directors, and no Shareholder (not being a Director) shall have any right to inspect any account or book or document of the Company except as conferred by law or authorised by the Directors or by Ordinary Resolution.
135. The accounts relating to the Company's affairs shall be audited in such manner and with such financial year end as may be determined from time to time by the Directors or failing any determination as aforesaid shall not be audited.

Every auditor of the Company shall have a right of access at all times to the books and accounts and vouchers of the Company and shall be entitled to require from the Directors and officers of the Company such information and explanation as may be necessary for the performance of the duties of the auditors.
138. The auditors shall, if so required by the Directors, make a report on the accounts of the Company during their tenure of office at the next annual general meeting following their appointment, and at any time during their term of office, upon request of the Directors or any general meeting of the Members.
139. The Directors in each calendar year shall prepare, or cause to be prepared, an annual return and declaration setting forth the particulars required by the Companies Law and deliver a copy thereof to the Registrar of Companies in the Cayman Islands.

  - (i) paying up the amounts (if any) for the time being unpaid on Shares held by them respectively, or
  - (ii) paying up in full unissued Shares or debentures of a nominal amount equal to that sum, and allot the Shares or debentures, credited as fully paid, to the Shareholders (or as they may direct) in those proportions, or partly in one way and partly in the other, but the Share Premium Account, the capital redemption reserve and profits which are not available for distribution may, for the purposes of this Article, only be applied in paying up unissued Shares to be allotted to Shareholders credited as fully paid;

  - (ii) the payment by the Company on behalf of the Shareholders (by the application of their respective proportions of the reserves resolved to be capitalised) of the amounts or part of the amounts remaining unpaid on their existing Shares,
  - (iii) and any such agreement made under this authority being effective and binding on all those Shareholders; and
- (e) generally do all acts and things required to give effect to the resolution.

141. Notwithstanding any provisions in these Articles, the Directors may resolve to capitalise an amount standing to the credit of reserves (including the share premium account, capital redemption reserve and profit and loss account) or otherwise available for distribution by applying such sum in paying up in full unissued Shares to be allotted and issued to:
- (a) employees (including Directors) or service providers of the Company or its Affiliates upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Directors or the Members;
  - (b) any trustee of any trust or administrator of any share incentive scheme or employee benefit scheme to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Directors or Members; or
  - (c) any depository of the Company for the purposes of the issue, allotment and delivery by the depository of ADSs to employees (including Directors) or service providers of the Company or its Affiliates upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Directors or the Members.

151. Subject to due compliance with the relevant laws, rules and regulations applicable to the Company, the Board shall be entitled to release or disclose any information in its possession, custody or control regarding the Company or its affairs to any of its Members including, without limitation, information contained in the Register and transfer books of the Company.

## INDEMNITY

152. Every Director (including for the purposes of this Article any alternate Director appointed pursuant to the provisions of these Articles), Secretary, assistant Secretary, or other officer for the time being and from time to time of the Company (but not including the Company's auditors) and the personal representatives of the same (each an "Indemnified Person") shall be indemnified and secured harmless against all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by such Indemnified Person, other than by reason of such Indemnified Person's own dishonesty, wilful default or fraud, in or about the conduct of the Company's business or affairs (including as a result of any mistake of judgment) or in the execution or discharge of his duties, powers, authorities or discretions, including without prejudice to the generality of the foregoing, any costs, expenses, losses or liabilities incurred by such Indemnified Person in defending (whether successfully or otherwise) any civil proceedings concerning the Company or its affairs in any court whether in the Cayman Islands or elsewhere.
153. No Indemnified Person shall be liable:
- (a) for the acts, receipts, neglects, defaults or omissions of any other Director or officer or agent of the Company; or
  - (b) for any loss on account of defect of title to any property of the Company; or

unless the same shall happen through such Indemnified Person's own dishonesty, willful default or fraud.

## **FINANCIAL YEAR**

154. Unless the Directors otherwise prescribe, the financial year of the Company shall end on December 31st in each calendar year and shall begin on January 1st in each calendar year.

## **NON-RECOGNITION OF TRUSTS**

155. No Person shall be recognised by the Company as holding any Share upon any trust and the Company shall not, unless required by law, be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share or (except only as otherwise provided by these Articles or as the Companies Law requires) any other right in respect of any Share except an absolute right to the entirety thereof in each Shareholder registered in the Register.

## **WINDING UP**

156. If the Company shall be wound up the liquidator may, with the sanction of a Special Resolution of the Company and any other sanction required by the Companies Law, divide amongst the Members in specie or in kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may for that purpose value any assets and determine how the division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the Members as the liquidator, with the like sanction, shall think fit, but so that no Member shall be compelled to accept any asset upon which there is a liability.
157. If the Company shall be wound up, and the assets available for distribution amongst the Members shall be insufficient to repay the whole of the share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the par value of the Shares held by them. If in a winding up the assets available for distribution amongst the Members shall be more than sufficient to repay the whole of the share capital at the commencement of the winding up, the surplus shall be distributed amongst the Members in proportion to the par value of the Shares held by them at the commencement of the winding up subject to a deduction from those Shares in respect of which there are monies due, of all monies payable to the Company for unpaid calls or otherwise. This Article is without prejudice to the rights of the holders of Shares issued upon special terms and conditions.

## **AMENDMENT OF ARTICLES OF ASSOCIATION**

158. Subject to the Companies Law, the Company may at any time and from time to time by Special Resolution alter or amend these Articles in whole or in part; provided that Article 88(f) and (h) may not be amended without the prior written consent of the Tencent Investors and the Company may not enter into any transaction (including without limitations any merger, consolidation, amalgamation or other reorganization) the effect of which would be to eliminate the rights of the Tencent Investors pursuant to such Articles.

## **CLOSING OF REGISTER OR FIXING RECORD DATE**

159. For the purpose of determining those Shareholders that are entitled to receive notice of, attend or vote at any meeting of Shareholders or any adjournment thereof, or those Shareholders that are entitled to receive payment of any dividend, or in order to make a determination as to who is a Shareholder for any other purpose, the Directors may provide that the Register shall be closed for transfers for a stated period which shall not exceed in any case thirty calendar days in any calendar year.
160. In lieu of or apart from closing the Register, the Directors may fix in advance a date as the record date for any such determination of those Shareholders that are entitled to receive notice of, attend or vote at a meeting of the Shareholders and for the purpose of determining those Shareholders that are entitled to receive payment of any dividend the Directors may, at or within ninety calendar days prior to the date of declaration of such dividend, fix a subsequent date as the record date for such determination.
161. If the Register is not so closed and no record date is fixed for the determination of those Shareholders entitled to receive notice of, attend or vote at a meeting of Shareholders or those Shareholders that are entitled to receive payment of a dividend, the date on which notice of the meeting is posted or the date on which the resolution of the Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of Shareholders. When a determination of those Shareholders that are entitled to receive notice of, attend or vote at a meeting of Shareholders has been made as provided in this Article, such determination shall apply to any adjournment thereof.

# **ARTICLE 2. FORM OF RECEIPTS, DEPOSIT OF SHARES, DELIVERY, TRANSFER AND SURRENDER OF AMERICAN DEPOSITARY SHARES**

## SECTION 2.1. Form of Receipts; Registration and Transferability of American Depositary Shares.

Definitive Receipts shall be substantially in the form set forth in Exhibit A to this Deposit Agreement, with appropriate insertions, modifications and omissions, as permitted under this Deposit Agreement. No Receipt shall be entitled to any benefits under this Deposit Agreement or be valid or obligatory for any purpose, unless that Receipt has been (i) executed by the Depositary by the manual signature of a duly authorized officer of the Depositary or (ii) executed by the facsimile signature of a duly authorized officer of the Depositary and countersigned by the manual signature of a duly authorized signatory of the Depositary or the Registrar or a co-registrar. The Depositary shall maintain books on which (x) each Receipt so executed and delivered as provided in this Deposit Agreement and each transfer of that Receipt and (y) all American Depositary Shares delivered as provided in this Deposit Agreement and all registrations of transfer of American Depositary Shares, shall be registered. A Receipt bearing the facsimile signature of a person that was at any time a proper officer of the Depositary shall, subject to the other provisions of this paragraph, bind the Depositary, even if that person was not a proper officer of the Depositary on the date of issuance of that Receipt.

The Receipts and statements confirming registration of American Depositary Shares may have incorporated in or attached to them such legends or recitals or modifications not inconsistent with the provisions of this Deposit Agreement as may be required by the Depositary or required to comply with any applicable law or regulations thereunder or with the rules and regulations of any securities exchange upon which American Depositary Shares may be listed or to conform with any usage with respect thereto, or to indicate any special limitations or restrictions to which any particular Receipts and American Depositary Shares are subject by reason of the date of issuance of the underlying Deposited Securities or otherwise.

American Depositary Shares evidenced by a Receipt, when the Receipt is properly endorsed or accompanied by proper instruments of transfer, shall be transferable as certificated registered securities under the laws of the State of New York. American Depositary Shares not evidenced by Receipts shall be transferable as uncertificated registered securities under the laws of the State of New York. The Depositary, notwithstanding any notice to the contrary, may treat the Owner of American Depositary Shares as the absolute owner thereof for the purpose of determining the person entitled to distribution of dividends or other distributions or to any notice provided for in this Deposit Agreement and for all other purposes, and neither the Depositary nor the Company shall have any obligation or be subject to any liability under this Deposit Agreement to any Holder of American Depositary Shares (but only to the Owner of those American Depositary Shares).

## SECTION 2.2. Deposit of Shares.

Subject to the terms and conditions of this Deposit Agreement, Shares or evidence of rights to receive Shares may be deposited under this Deposit Agreement by delivery thereof to any Custodian, accompanied by any appropriate instruments or instructions for transfer, or endorsement, in form satisfactory to the Custodian.

As conditions of accepting Shares for deposit, the Depositary may require (i) any certification required by the Depositary or the Custodian in accordance with the provisions of this Deposit Agreement, (ii) a written order directing the Depositary to deliver to, or upon the written order of, the person or persons stated in that order American Depositary Shares representing those deposited Shares, (iii) evidence satisfactory to the Depositary that those Shares have been re-registered in the books of the Company or the Foreign Registrar in the name of the Depositary, a Custodian or a nominee of the Depositary or a Custodian, (iv) evidence satisfactory to the Depositary that any necessary approval for the transfer or deposit has been granted by any governmental body in each applicable jurisdiction and (v) an agreement or assignment, or other instrument satisfactory to the Depositary, that provides for the prompt transfer to the Custodian of any dividend, or right to subscribe for additional Shares or to receive other property, that any person in whose name those Shares are or have been recorded may thereafter receive upon or in respect of those Shares, or, in lieu thereof, such agreement of indemnity or other agreement as shall be satisfactory to the Depositary.

At the request and risk and expense of a person proposing to deposit Shares, and for the account of that person, the Depositary may receive certificates for Shares to be deposited, together with the other instruments specified in this Section, for the purpose of forwarding those Share certificates to the Custodian for deposit under this Deposit Agreement.

The Depositary shall refuse, and shall instruct the Custodian to refuse, to accept Shares for deposit if the Depositary has received a notice from the Company that the Company has restricted transfer of those Shares under the Company's articles of association or any applicable laws or that the deposit would result in any violation of the Company's articles of association or any applicable laws. The Company shall notify the Depositary in writing with respect to any restrictions on transfer of its Shares for deposit under this Deposit Agreement.

The Depositary shall instruct each Custodian that, upon each delivery to a Custodian of a certificate or certificates for Shares to be deposited under this Deposit Agreement, together with the other documents specified in this Section, that Custodian shall, as soon as transfer and recordation can be accomplished, present that certificate or those certificates to the Company or the Foreign Registrar, if applicable, for transfer and recordation of the Shares being deposited in the name of the Depositary or its nominee or that Custodian or its nominee.

Deposited Securities shall be held by the Depository or by a Custodian for the account and to the order of the Depository or at such other place or places as the Depository shall determine.

SECTION 2.3. Delivery of American Depositary Shares.

The Depository shall instruct each Custodian that, upon receipt by that Custodian of any deposit pursuant to Section 2.2, together with the other documents or evidence required under that Section, that Custodian shall notify the Depository of that deposit and the person or persons to whom or upon whose written order American Depositary Shares are deliverable in respect thereof. Upon receiving a notice of a deposit from a Custodian, or upon the receipt of Shares or evidence of the right to receive Shares by the Depository, the Depository, subject to the terms and conditions of this Deposit Agreement, shall deliver, to or upon the order of the person or persons entitled thereto, the number of American Depositary Shares issuable in respect of that deposit, but only upon payment to the Depository of the fees and expenses of the Depository for the delivery of those American Depositary Shares as provided in Section 5.9, and of all taxes and governmental charges and fees payable in connection with that deposit and the transfer of the deposited Shares. However, the Depository shall deliver only whole numbers of American Depositary Shares.

SECTION 2.4. Registration of Transfer of American Depositary Shares; Combination and Split-up of Receipts; Interchange of Certificated and Uncertificated American Depositary Shares.

The Depository, subject to the terms and conditions of this Deposit Agreement, shall register a transfer of American Depositary Shares on its transfer books upon (i) in the case of certificated American Depositary Shares, surrender of the Receipt evidencing those American Depositary Shares, by the Owner or by a duly authorized attorney, properly endorsed or accompanied by proper instruments of transfer or (ii) in the case of uncertificated American Depositary Shares, receipt from the Owner of a proper instruction (including, for the avoidance of doubt, instructions through DRS and Profile as provided in Section 2.9), and, in either case, duly stamped as may be required by the laws of the State of New York and of the United States of America. Upon registration of a transfer, the Depository shall deliver the transferred American Depositary Shares to or upon the order of the person entitled thereto.

The Depository, subject to the terms and conditions of this Deposit Agreement, shall upon surrender of a Receipt or Receipts for the purpose of effecting a split-up or combination of such Receipt or Receipts, execute and deliver a new Receipt or Receipts for any authorized number of American Depositary Shares requested, evidencing the same aggregate number of American Depositary Shares as the Receipt or Receipts surrendered.

The Depository, upon surrender of certificated American Depositary Shares for the purpose of exchanging for uncertificated American Depositary Shares, shall cancel the Receipt evidencing those certificated American Depositary Shares and send the Owner a statement confirming that the Owner is the owner of the same number of uncertificated American Depositary Shares. The Depository, upon receipt of a proper instruction (including, for the avoidance of doubt, instructions through DRS and Profile as provided in Section 2.9) from the Owner of uncertificated American Depositary Shares for the purpose of exchanging for certificated American Depositary Shares, shall cancel those uncertificated American Depositary Shares and register and deliver to the Owner a Receipt evidencing the same number of certificated American Depositary Shares.

The Depositary may appoint one or more co-transfer agents for the purpose of effecting registration of transfers of American Depositary Shares and combinations and split-ups of Receipts at designated transfer offices on behalf of the Depositary. In carrying out its functions, a co-transfer agent may require evidence of authority and compliance with applicable laws and other requirements by Owners or persons entitled to American Depositary Shares and will be entitled to protection and indemnity to the same extent as the Depositary.

#### SECTION 2.5. Surrender of American Depositary Shares and Withdrawal of Deposited Securities.

Upon surrender of American Depositary Shares for the purpose of withdrawal of the Deposited Securities represented thereby and payment of the fee of the Depositary for the surrender of American Depositary Shares as provided in Section 5.9 and payment of all taxes and governmental charges payable in connection with that surrender and withdrawal of the Deposited Securities, and subject to the terms and conditions of this Deposit Agreement, the Owner of those American Depositary Shares shall be entitled to delivery (to the extent delivery can then be lawfully and practicably made), to or as instructed by that Owner, of the amount of Deposited Securities at the time represented by those American Depositary Shares, but not any money or other property as to which a record date for distribution to Owners has passed (since money or other property of that kind will be delivered or paid on the scheduled payment date to the Owner as of that record date), and except that the Depositary shall not be required to accept surrender of American Depositary Shares for the purpose of withdrawal to the extent it would require delivery of a fraction of a Deposited Security. That delivery shall be made, as provided in this Section, without unreasonable delay.

As a condition of accepting a surrender of American Depositary Shares for the purpose of withdrawal of Deposited Securities, the Depositary may require (i) that each surrendered Receipt be properly endorsed in blank or accompanied by proper instruments of transfer in blank and (ii) that the surrendering Owner execute and deliver to the Depositary a written order directing the Depositary to cause the Deposited Securities being withdrawn to be delivered to or upon the written order of a person or persons designated in that order.

Thereupon, the Depositary shall direct the Custodian to deliver, subject to Sections 2.6, 3.1 and 3.2, the other terms and conditions of this Deposit Agreement and local market rules and practices, to the surrendering Owner or to or upon the written order of the person or persons designated in the order delivered to the Depositary as above provided, the amount of Deposited Securities represented by the surrendered American Depositary Shares, and the Depositary may charge the surrendering Owner a fee and its expenses for giving that direction by cable (including SWIFT) or facsimile transmission.

If Deposited Securities are delivered physically upon surrender of American Depositary Shares for the purpose of withdrawal, that delivery will be made at the Custodian's office, except that, at the request, risk and expense of an Owner surrendering American Depositary Shares for withdrawal of Deposited Securities, and for the account of that Owner, the Depositary shall direct the Custodian to forward any cash or other property comprising, and forward a certificate or certificates, if applicable, and other proper documents of title, if any, for, the Deposited Securities represented by the surrendered American Depositary Shares to the Depositary for delivery at the Depositary's Office or to another address specified in the order received from the surrendering Owner.

## SECTION 2.6. Limitations on Delivery, Transfer and Surrender of American Depositary Shares.

As a condition precedent to the delivery, registration of transfer or surrender of any American Depositary Shares or split-up or combination of any Receipt or withdrawal of any Deposited Securities, the Depositary, Custodian or Registrar may require payment from the depositor of Shares or the presenter of the Receipt or instruction for registration of transfer or surrender of American Depositary Shares not evidenced by a Receipt of a sum sufficient to reimburse it for any tax or other governmental charge and any stock transfer or registration fee with respect thereto (including any such tax or charge and fee with respect to Shares being deposited or withdrawn) and payment of any applicable fees as provided in this Deposit Agreement, may require the production of proof satisfactory to it as to the identity and genuineness of any signature and may also require compliance with any regulations the Depositary may establish consistent with the provisions of this Deposit Agreement, including, without limitation, this Section 2.6.

The delivery of American Depositary Shares against deposit of Shares generally or against deposit of particular Shares may be suspended, or the registration of transfer of American Depositary Shares in particular instances may be refused, or the registration of transfer of outstanding American Depositary Shares generally may be suspended, during any period when the transfer books of the Depositary are closed, or if any such action is deemed necessary or advisable by the Depositary or the Company at any time or from time to time because of any requirement of law or of any government or governmental body or commission, or under any provision of this Deposit Agreement, or for any other reason. Notwithstanding anything to the contrary in this Deposit Agreement, the surrender of outstanding American Depositary Shares and withdrawal of Deposited Securities may not be suspended, subject only to (i) temporary delays caused by closing of the transfer books of the Depositary or the Company or the Foreign Registrar, if applicable, or the deposit of Shares in connection with voting at a shareholders' meeting, or the payment of dividends, (ii) the payment of fees, taxes and similar charges, and (iii) compliance with any U.S. or foreign laws or governmental regulations relating to the American Depositary Shares or to the withdrawal of the Deposited Securities.

The Depositary shall not knowingly accept for deposit under this Deposit Agreement any Shares that, at the time of deposit, are Restricted Securities.

## SECTION 2.7. Lost Receipts, etc.

If a Receipt is mutilated, destroyed, lost or stolen, the Depositary shall deliver to the Owner the American Depositary Shares evidenced by that Receipt in uncertificated form or, if requested by the Owner, execute and deliver a new Receipt of like tenor in exchange and substitution for such mutilated Receipt, upon surrender and cancellation of that mutilated Receipt, or in lieu of and in substitution for that destroyed, lost or stolen Receipt. However, before the Depositary will deliver American Depositary Shares in uncertificated form or execute and deliver a new Receipt, in substitution for a destroyed, lost or stolen Receipt, the Owner must (a) file with the Depositary (i) a request for that replacement before the Depositary has notice that the Receipt has been acquired by a bona fide purchaser and (ii) a sufficient indemnity bond and (b) satisfy any other reasonable requirements imposed by the Depositary.

## SECTION 2.8. Cancellation and Destruction of Surrendered Receipts.

The Depositary shall cancel all Receipts surrendered to it and is authorized to destroy Receipts so cancelled.

SECTION 2.9. DTC Direct Registration System and Profile Modification System.

- (a) Notwithstanding the provisions of Section 2.4, the parties acknowledge that DTC's Direct Registration System ("DRS") and Profile Modification System ("Profile") apply to the American Depositary Shares upon acceptance thereof to DRS by DTC. DRS is the system administered by DTC that facilitates interchange between registered holding of uncertificated securities and holding of security entitlements in those securities through DTC and a DTC participant. Profile is a required feature of DRS that allows a DTC participant, claiming to act on behalf of an Owner of American Depositary Shares, to direct the Depository to register a transfer of those American Depositary Shares to DTC or its nominee and to deliver those American Depositary Shares to the DTC account of that DTC participant without receipt by the Depository of prior authorization from the Owner to register that transfer.
- (b) In connection with DRS/Profile, the parties acknowledge that the Depository will not determine whether the DTC participant that is claiming to be acting on behalf of an Owner in requesting a registration of transfer and delivery as described in paragraph (a) above has the actual authority to act on behalf of that Owner (notwithstanding any requirements under the Uniform Commercial Code). For the avoidance of doubt, the provisions of Sections 5.3 and 5.8 apply to the matters arising from the use of the DRS/Profile. The parties agree that the Depository's reliance on and compliance with instructions received by the Depository through the DRS/Profile system and otherwise in accordance with this Deposit Agreement shall not constitute negligence or bad faith on the part of the Depository.

**ARTICLE 3. CERTAIN OBLIGATIONS OF OWNERS AND  
HOLDERS OF AMERICAN DEPOSITARY SHARES**

SECTION 3.1. Filing Proofs, Certificates and Other Information.

Any person presenting Shares for deposit or any Owner or Holder may be required from time to time to file with the Depository or the Custodian such proof of citizenship or residence, exchange control approval, or such information relating to the registration on the books of the Company or the Foreign Registrar, if applicable, to execute such certificates and to make such representations and warranties, as the Depository may deem necessary or proper. The Depository may withhold the delivery or registration of transfer of American Depositary Shares, the distribution of any dividend or other distribution or of the proceeds thereof or the delivery of any Deposited Securities until that proof or other information is filed or those certificates are executed or those representations and warranties are made. The Depository shall provide the Company, upon the Company's written request and at the Company's expense, as promptly as practicable, copies of any information or other materials that it receives pursuant to this Section 3.1, to the extent that disclosure is permitted under applicable law.

### SECTION 3.2. Liability of Owner for Taxes.

If any tax or other governmental charge shall become payable by the Custodian or the Depositary with respect to or in connection with any American Depositary Shares or any Deposited Securities represented by any American Depositary Shares or in connection with a transaction to which Section 4.8 applies, that tax or other governmental charge shall be payable by the Owner of those American Depositary Shares to the Depositary. The Depositary may refuse to register any transfer of those American Depositary Shares or any withdrawal of Deposited Securities represented by those American Depositary Shares until that payment is made, and may withhold any dividends or other distributions or the proceeds thereof, or may sell for the account of the Owner any part or all of the Deposited Securities represented by those American Depositary Shares and apply those dividends or other distributions or the net proceeds of any sale of that kind in payment of that tax or other governmental charge but, even after a sale of that kind, the Owner of those American Depositary Shares shall remain liable for any deficiency. The Depositary shall distribute any net proceeds of a sale made under this Section that are not used to pay taxes or governmental charges to the Owners entitled to them in accordance with Section 4.1. If the number of Shares represented by each American Depositary Share decreases as a result of a sale of Deposited Securities under this Section, the Depositary may call for surrender of the American Depositary Shares to be exchanged on a mandatory basis for a lesser number of American Depositary Shares and may sell American Depositary Shares to the extent necessary to avoid distributing fractions of American Depositary Shares in that exchange and distribute the net proceeds of that sale to the Owners entitled to them.

### SECTION 3.3. Warranties on Deposit of Shares.

Every person depositing Shares under this Deposit Agreement shall be deemed thereby to represent and warrant that those Shares and each certificate therefor, if applicable, are validly issued, fully paid and non-assessable and were not issued in violation of any preemptive or similar rights of the holders of outstanding securities of the Company and that the person making that deposit is duly authorized so to do. Every depositing person shall also be deemed to represent that the Shares, at the time of deposit, are not Restricted Securities. All representations and warranties deemed made under this Section shall survive the deposit of Shares and delivery of American Depositary Shares.

### SECTION 3.4. Disclosure of Interests.

When required in order to comply with applicable laws and regulations or the articles of association or similar document of the Company, the Company may from time to time request each Owner and Holder to provide to the Depositary information relating to: (a) the capacity in which it holds American Depositary Shares, (b) the identity of any Holders or other persons or entities then or previously interested in those American Depositary Shares and the nature of those interests and (c) any other matter where disclosure of such matter is required for that compliance. Each Owner and Holder agrees to provide all information known to it in response to a request made pursuant to this Section. Each Holder consents to the disclosure by the Depositary and the Owner or any other Holder through which it holds American Depositary Shares, directly or indirectly, of all information responsive to a request made pursuant to this Section relating to that Holder that is known to that Owner or other Holder. The Depositary agrees to use reasonable efforts to comply with written instructions requesting that the Depositary forward any request authorized under this Section to the Owners and to forward to the Company any responses it receives in response to that request. The Depositary may charge the Company a fee and its expenses for complying with requests under this Section 3.4.

## ARTICLE 4. THE DEPOSITED SECURITIES

### SECTION 4.1. Cash Distributions.

Whenever the Depositary receives any cash dividend or other cash distribution on Deposited Securities, the Depositary shall, subject to the provisions of Section 4.5, convert that dividend or other distribution into Dollars and distribute the amount thus received (net of the fees and expenses of the Depositary as provided in Section 5.9) to the Owners entitled thereto, in proportion to the number of American Depositary Shares representing those Deposited Securities held by them respectively; provided, however, that if the Custodian or the Depositary shall be required to withhold and does withhold from that cash dividend or other cash distribution an amount on account of taxes or other governmental charges, the amount distributed to the Owners of the American Depositary Shares representing those Deposited Securities shall be reduced accordingly. However, the Depositary will not pay any Owner a fraction of one cent, but will round each Owner's entitlement to the nearest whole cent.

The Company or its agent will remit to the appropriate governmental agency in each applicable jurisdiction all amounts withheld and owing to such agency.

If a cash distribution would represent a return of all or substantially all the value of the Deposited Securities underlying American Depositary Shares, the Depositary may require surrender of those American Depositary Shares and may require payment of or deduct the fee for surrender of American Depositary Shares (whether or not it is also requiring surrender of American Depositary Shares) as a condition of making that cash distribution. A distribution of that kind shall be a Termination Option Event.

### SECTION 4.2. Distributions Other Than Cash, Shares or Rights.

Subject to the provisions of Sections 4.11 and 5.9, whenever the Depositary receives any distribution other than a distribution described in Section 4.1, 4.3 or 4.4 on Deposited Securities (but not in exchange for or in conversion or in lieu of Deposited Securities), the Depositary shall cause the securities or property received by it to be distributed to the Owners entitled thereto, after deduction or upon payment of any fees and expenses of the Depositary and any taxes or other governmental charges, in proportion to the number of American Depositary Shares representing such Deposited Securities held by them respectively, in any manner that the Depositary deems equitable and practicable for accomplishing that distribution (which may be a distribution of depositary shares representing the securities received); provided, however, that if in the opinion of the Depositary such distribution cannot be made proportionately among the Owners entitled thereto, or if for any other reason (including, but not limited to, any requirement that the Company or the Depositary withhold an amount on account of taxes or other governmental charges or that securities received must be registered under the Securities Act of 1933 in order to be distributed to Owners or Holders) the Depositary deems such distribution not to be lawful and feasible, the Depositary may adopt such other method as it may deem equitable and practicable for the purpose of effecting such distribution, including, but not limited to, the public or private sale of the securities or property thus received, or any part thereof, and distribution of the net proceeds of any such sale (net of the fees and expenses of the Depositary as provided in Section 5.9) to the Owners entitled thereto, all in the manner and subject to the conditions set forth in Section 4.1. The Depositary may withhold any distribution of securities under this Section 4.2 if it has not received satisfactory assurances from the Company that the distribution does not require registration under the Securities Act of 1933. The Depositary may sell, by public or private sale, an amount of securities or other property it would otherwise distribute under this Section 4.2 that is sufficient to pay its fees and expenses in respect of that distribution.

If a distribution under this Section 4.2 would represent a return of all or substantially all the value of the Deposited Securities underlying American Depositary Shares, the Depositary may require surrender of those American Depositary Shares and may require payment of or deduct the fee for surrender of American Depositary Shares (whether or not it is also requiring surrender of American Depositary Shares) as a condition of making that distribution. A distribution of that kind shall be a Termination Option Event.

#### SECTION 4.3. Distributions in Shares.

Whenever the Depositary receives any distribution on Deposited Securities consisting of a dividend in, or free distribution of, Shares, the Depositary may deliver to the Owners entitled thereto, in proportion to the number of American Depositary Shares representing those Deposited Securities held by them respectively, an aggregate number of American Depositary Shares representing the amount of Shares received as that dividend or free distribution, subject to the terms and conditions of this Deposit Agreement with respect to the deposit of Shares and issuance of American Depositary Shares, including withholding of any tax or governmental charge as provided in Section 4.11 and payment of the fees and expenses of the Depositary as provided in Section 5.9 (and the Depositary may sell, by public or private sale, an amount of the Shares received (or American Depositary Shares representing those Shares) sufficient to pay its fees and expenses in respect of that distribution). In lieu of delivering fractional American Depositary Shares, the Depositary may sell the amount of Shares represented by the aggregate of those fractions (or American Depositary Shares representing those Shares) and distribute the net proceeds, all in the manner and subject to the conditions described in Section 4.1. If and to the extent that additional American Depositary Shares are not delivered and Shares or American Depositary Shares are not sold, each American Depositary Share shall thenceforth also represent the additional Shares distributed on the Deposited Securities represented thereby.

If the Company declares a distribution in which holders of Deposited Securities have a right to elect whether to receive cash, Shares or other securities or a combination of those things, or a right to elect to have a distribution sold on their behalf, the Depositary may, after consultation with the Company, make that right of election available for exercise by Owners in any manner the Depositary considers to be lawful and practical. As a condition of making a distribution election right available to Owners, the Depositary may require satisfactory assurances from the Company that doing so does not require registration of any securities under the Securities Act of 1933.

#### SECTION 4.4. Rights.

- (a) If rights are granted to the Depositary in respect of deposited Shares to purchase additional Shares or other securities, the Company and the Depositary shall endeavor to consult as to the actions, if any, the Depositary should take in connection with that grant of rights. The Depositary may, to the extent deemed by it to be lawful and practical (i) if requested in writing by the Company, grant to all or certain Owners rights to instruct the Depositary to purchase the securities to which the rights relate and deliver those securities or American Depositary Shares representing those securities to Owners, (ii) if requested in writing by the Company, deliver the rights to or to the order of certain Owners, or (iii) sell the rights to the extent practicable and distribute the net proceeds of that sale to Owners entitled to those proceeds. To the extent rights are not exercised, delivered or disposed of under (i), (ii) or (iii) above, the Depositary shall permit the rights to lapse unexercised.

- (b) If the Depositary will act under (a)(i) above, the Company and the Depositary will enter into a separate agreement setting forth the conditions and procedures applicable to the particular offering. Upon instruction from an applicable Owner in the form the Depositary specified and upon payment by that Owner to the Depositary of an amount equal to the purchase price of the securities to be received upon the exercise of the rights, the Depositary shall, on behalf of that Owner, exercise the rights and purchase the securities. The purchased securities shall be delivered to, or as instructed by, the Depositary. The Depositary shall (i) deposit the purchased Shares under this Deposit Agreement and deliver American Depositary Shares representing those Shares to that Owner or (ii) deliver or cause the purchased Shares or other securities to be delivered to or to the order of that Owner. The Depositary will not act under (a)(i) above unless the offer and sale of the securities to which the rights relate are registered under the Securities Act of 1933 or the Depositary has received an opinion of United States counsel that is satisfactory to it to the effect that those securities may be sold and delivered to the applicable Owners without registration under the Securities Act of 1933.
- (c) If the Depositary will act under (a)(ii) above, the Company and the Depositary will enter into a separate agreement setting forth the conditions and procedures applicable to the particular offering. Upon (i) the request of an applicable Owner to deliver the rights allocable to the American Depositary Shares of that Owner to an account specified by that Owner to which the rights can be delivered and (ii) receipt of such documents as the Company and the Depositary agreed to require to comply with applicable law, the Depositary will deliver those rights as requested by that Owner.
- (d) If the Depositary will act under (a)(iii) above, the Depositary will use reasonable efforts to sell the rights in proportion to the number of American Depositary Shares held by the applicable Owners and pay the net proceeds to the Owners otherwise entitled to the rights that were sold, upon an averaged or other practical basis without regard to any distinctions among such Owners because of exchange restrictions or the date of delivery of any American Depositary Shares or otherwise.
- (e) Payment or deduction of the fees of the Depositary as provided in Section 5.9 and payment or deduction of the expenses of the Depositary and any applicable taxes or other governmental charges shall be conditions of any delivery of securities or payment of cash proceeds under this Section 4.4.
- (f) The Depositary shall not be responsible for any failure to determine that it may be lawful or feasible to make rights available to or exercise rights on behalf of Owners in general or any Owner in particular, or to sell rights.

#### SECTION 4.5. Conversion of Foreign Currency.

Whenever the Depositary or the Custodian receives foreign currency, by way of dividends or other distributions or the net proceeds from the sale of securities, property or rights, and if at the time of the receipt thereof the foreign currency so received can in the judgment of the Depositary be converted on a reasonable basis into Dollars and the resulting Dollars transferred to the United States, the Depositary shall convert or cause to be converted, as promptly as practicable, by sale or in any other manner that it may determine that foreign currency into Dollars, and those Dollars shall be distributed to the Owners entitled thereto. A cash distribution may be made upon an averaged or other practicable basis without regard to any distinctions among Owners based on exchange restrictions, the date of delivery of any American Depositary Shares or otherwise and shall be net of any expenses of conversion into Dollars incurred by the Depositary as provided in Section 5.9.

If a conversion of foreign currency or the repatriation or distribution of Dollars can be effected only with the approval or license of any government or agency thereof, the Depositary may, but will not be required to, file an application for that approval or license.

If the Depositary determines that in its judgment any foreign currency received by the Depositary or the Custodian is not convertible on a reasonable basis into Dollars transferable to the United States, or if any approval or license of any government or agency thereof that is required for such conversion is not filed or sought by the Depositary or is not obtained within a reasonable period as determined by the Depositary, the Depositary may distribute the foreign currency received by the Depositary to, or in its discretion may hold such foreign currency uninvested and without liability for interest thereon for the respective accounts of, the Owners entitled to receive the same.

If any conversion of foreign currency, in whole or in part, cannot be effected for distribution to some of the Owners entitled thereto, the Depositary may in its discretion make that conversion and distribution in Dollars to the extent practicable and permissible to the Owners entitled thereto and may distribute the balance of the foreign currency received by the Depositary to, or hold that balance uninvested and without liability for interest thereon for the account of, the Owners entitled thereto.

The Depositary may convert currency itself or through any of its affiliates and, in those cases, acts as principal for its own account and not as agent, advisor, broker or fiduciary on behalf of any other person and earns revenue, including, without limitation, transaction spreads, that it will retain for its own account. The revenue is based on, among other things, the difference between the exchange rate assigned to the currency conversion made under this Deposit Agreement and the rate that the Depositary or its affiliate receives when buying or selling foreign currency for its own account. The Depositary makes no representation that the exchange rate used or obtained in any currency conversion under this Deposit Agreement will be the most favorable rate that could be obtained at the time or that the method by which that rate will be determined will be the most favorable to Owners, subject to the Depositary's obligations under Section 5.3. The methodology used to determine exchange rates used in currency conversions is available upon request.

#### SECTION 4.6. Fixing of Record Date.

Whenever a cash dividend, cash distribution or any other distribution is made on Deposited Securities or rights to purchase Shares or other securities are issued with respect to Deposited Securities (which rights will be delivered to or exercised or sold on behalf of Owners in accordance with Section 4.4) or the Depositary receives notice that a distribution or issuance of that kind will be made, or whenever the Depositary receives notice that a meeting of holders of Shares will be held in respect of which the Company has requested the Depositary to send a notice under Section 4.7, or whenever the Depositary will assess a fee or charge against the Owners, or whenever the Depositary causes a change in the number of Shares that are represented by each American Depositary Share, or whenever the Depositary otherwise finds it necessary or convenient, the Depositary shall fix a record date, which shall be the same as, or as near as practicable to, any corresponding record date set by the Company with respect to Shares, (a) for the determination of the Owners (i) who shall be entitled to receive the benefit of that dividend or other distribution or those rights, (ii) who shall be entitled to give instructions for the exercise of voting rights at that meeting or (iii) who shall be responsible for that fee or charge or (iv) for any other purpose for which the record date was set, or (b) on or after which each American Depositary Share will represent the changed number of Shares. Subject to the provisions of Sections 4.1 through 4.5 and to the other terms and conditions of this Deposit Agreement, the Owners on a record date fixed by the Depositary shall be entitled to receive the amount distributable by the Depositary with

respect to that dividend or other distribution or those rights or the net proceeds of sale thereof in proportion to the number of American Depositary Shares held by them respectively, to give voting instructions or to act in respect of the other matter for which that record date was fixed, or be responsible for that fee or charge, as the case may be.

#### SECTION 4.7. Voting of Deposited Shares.

- (a) Upon receipt of notice of any meeting of holders of Shares at which holders of Shares will be entitled to vote, if requested in writing by the Company, the Depositary shall, as soon as practicable thereafter, Disseminate to the Owners a notice, the form of which shall be in the sole discretion of the Depositary, that shall contain (i) the information contained in the notice of meeting received by the Depositary, (ii) a statement that the Owners as of the close of business on a specified record date will be entitled, subject to any applicable provision of Cayman Islands law and of the articles of association or similar documents of the Company, to instruct the Depositary as to the exercise of the voting rights pertaining to the amount of Shares represented by their respective American Depositary Shares, (iii) a statement as to the manner in which those instructions may be given, including an express indication that instructions may be given or deemed given in accordance with the last sentence of paragraph (b) below, if no instruction is received, to the Depositary to give a discretionary proxy to a person designated by the Company and (iv) the last date on which the Depositary will accept instructions (the “Instruction Cutoff Date”).
- (b) Upon the written request of an Owner of American Depositary Shares, as of the date of the request or, if a record date was specified by the Depositary, as of that record date, received on or before any Instruction Cutoff Date established by the Depositary, the Depositary may, and if the Depositary sent a notice under the preceding paragraph shall, endeavor, in so far as practicable, to vote or cause to be voted the amount of deposited Shares represented by those American Depositary Shares in accordance with the instructions set forth in that request. The Depositary shall not vote or attempt to exercise the right to vote that attaches to the deposited Shares other than in accordance with instructions given by Owners and received by the Depositary or as provided in the following sentence. If
- (i) the Company instructed the Depositary to Disseminate a notice under paragraph (a) above and complied with paragraph (d) below,
- (ii) no instructions are received by the Depositary from an Owner with respect to a matter and an amount of American Depositary Shares of that Owner on or before the Instruction Cutoff Date and
- (iii) the Depositary has received from the Company, by the business day following the Instruction Cutoff Date, a written confirmation that (x) the Company wishes a proxy to be given under this sentence, (y) as of the Instruction Date, the Company reasonably does not know of any substantial opposition to the matter and (z) the matter is not materially adverse to the interests of shareholders, then, the Depositary shall deem that Owner to have instructed the Depositary to give a discretionary proxy to a person designated by the Company with respect to that matter and the amount of deposited Shares represented by that amount of American Depositary Shares and the Depositary shall give a discretionary proxy to a person designated by the Company to vote that amount of deposited Shares as to that matter.

- (c) There can be no assurance that Owners generally or any Owner in particular will receive the notice described in paragraph (a) above in time to enable Owners to give instructions to the Depositary prior to the Instruction Cutoff Date.
- (d) In order to give Owners a reasonable opportunity to instruct the Depositary as to the exercise of voting rights relating to Shares, if the Company will request the Depositary to Disseminate a notice under paragraph (a) above, the Company shall give the Depositary notice of the meeting, details concerning the matters to be voted upon and copies of materials to be made available to holders of Shares in connection with the meeting not less than 30 days prior to the meeting date.

SECTION 4.8. Tender and Exchange Offers; Redemption, Replacement or Cancellation of Deposited Securities.

- (a) The Depositary shall not tender any Deposited Securities in response to any voluntary cash tender offer, exchange offer or similar offer made to holders of Deposited Securities (a “Voluntary Offer”), except when instructed in writing to do so by an Owner surrendering American Depositary Shares and subject to any conditions or procedures the Depositary may require.
- (b) If the Depositary receives a written notice that Deposited Securities have been redeemed for cash or otherwise purchased for cash in a transaction that is mandatory and binding on the Depositary as a holder of those Deposited Securities (a “Redemption”), the Depositary, at the expense of the Company, shall (i) if required, surrender Deposited Securities that have been redeemed to the issuer of those securities or its agent on the redemption date, (ii) Disseminate a notice to Owners (A) notifying them of that Redemption, (B) calling for surrender of a corresponding number of American Depositary Shares and (C) notifying them that the called American Depositary Shares have been converted into a right only to receive the money received by the Depositary upon that Redemption and those net proceeds shall be the Deposited Securities to which Owners of those converted American Depositary Shares shall be entitled upon surrenders of those American Depositary Shares in accordance with Section 2.5 or 6.2 and (iii) distribute the money received upon that Redemption to the Owners entitled to it upon surrender by them of called American Depositary Shares in accordance with Section 2.5 (and, for the avoidance of doubt, Owners shall not be entitled to receive that money under Section 4.1). If the Redemption affects less than all the Deposited Securities, the Depositary shall call for surrender a corresponding portion of the outstanding American Depositary Shares and only those American Depositary Shares will automatically be converted into a right to receive the net proceeds of the Redemption. The Depositary shall allocate the American Depositary Shares converted under the preceding sentence among the Owners pro-rata to their respective holdings of American Depositary Shares immediately prior to the Redemption, except that the allocations may be adjusted so that no fraction of a converted American Depositary Share is allocated to any Owner. A Redemption of all or substantially all of the Deposited Securities shall be a Termination Option Event.

- (c) If the Depositary is notified of or there occurs any change in nominal value or any subdivision, combination or any other reclassification of the Deposited Securities or any recapitalization, reorganization, sale of assets substantially as an entirety, merger or consolidation affecting the issuer of the Deposited Securities or to which it is a party that is mandatory and binding on the Depositary as a holder of Deposited Securities and, as a result, securities or other property have been or will be delivered in exchange, conversion, replacement or in lieu of, Deposited Securities (a “Replacement”), the Depositary shall, if required, surrender the old Deposited Securities affected by that Replacement of Shares and hold, as new Deposited Securities under this Deposit Agreement, the new securities or other property delivered to it in that Replacement. However, the Depositary may elect to sell those new Deposited Securities if in the opinion of the Depositary it is not lawful or not practical for it to hold those new Deposited Securities under this Deposit Agreement because those new Deposited Securities may not be distributed to Owners without registration under the Securities Act of 1933 or for any other reason, at public or private sale, at such places and on such terms as it deems proper and proceed as if those new Deposited Securities had been Redeemed under paragraph (b) above. A Replacement shall be a Termination Option Event.
- (d) In the case of a Replacement where the new Deposited Securities will continue to be held under this Deposit Agreement, the Depositary may call for the surrender of outstanding Receipts to be exchanged for new Receipts specifically describing the new Deposited Securities and the number of those new Deposited Securities represented by each American Depositary Share. If the number of Shares represented by each American Depositary Share decreases as a result of a Replacement, the Depositary may call for surrender of the American Depositary Shares to be exchanged on a mandatory basis for a lesser number of American Depositary Shares and may sell American Depositary Shares to the extent necessary to avoid distributing fractions of American Depositary Shares in that exchange and distribute the net proceeds of that sale to the Owners entitled to them.
- (e) If there are no Deposited Securities with respect to American Depositary Shares, including if the Deposited Securities are cancelled, or the Deposited Securities with respect to American Depositary Shares have become apparently worthless, the Depositary may call for surrender of those American Depositary Shares or may cancel those American Depositary Shares, upon notice to Owners, and that condition shall be a Termination Option Event.

#### SECTION 4.9. Reports.

The Depositary shall make available for inspection by Owners at its Office any reports and communications, including any proxy solicitation material, received from the Company which are both (a) received by the Depositary as the holder of the Deposited Securities and (b) made generally available to the holders of those Deposited Securities by the Company. The Company shall furnish reports and communications, including any proxy soliciting material to which this Section applies, to the Depositary in English, to the extent those materials are required to be translated into English pursuant to any regulations of the Commission.

#### SECTION 4.10. Lists of Owners.

Upon written request by the Company, the Depositary shall, at the expense of the Company, furnish to it a list, as of a recent date, of the names, addresses and American Depositary Share holdings of all Owners.

#### SECTION 4.11. Withholding.

If the Depositary determines that any distribution received or to be made by the Depositary (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charge that the Depositary is obligated to withhold, the Depositary may sell, by public or private sale, all or a portion of the distributed property (including Shares and rights to subscribe therefor) in the amounts and manner the Depositary deems necessary and practicable to pay those taxes or charges, and the Depositary shall distribute the net proceeds of that sale, after deduction of those taxes or charges, to the Owners entitled thereto in proportion to the number of American Depositary Shares held by them respectively.

Services for Owners and Holders that may permit them to obtain reduced rates of tax withholding at source or reclaim excess tax withheld, and the fees and costs associated with using services of that kind, are not provided under, and are outside the scope of, this Deposit Agreement.

Each Owner and Holder agrees to indemnify the Company, the Depositary, the Custodian and their respective directors, employees, agents and affiliates for, and hold each of them harmless against, any claim by any governmental authority with respect to taxes, additions to tax, penalties or interest arising out of any refund of taxes, reduced withholding at source or other tax benefit received by it.

### **ARTICLE 5. THE DEPOSITARY, THE CUSTODIANS AND THE COMPANY**

#### SECTION 5.1. Maintenance of Office and Transfer Books by the Depositary.

Until termination of this Deposit Agreement in accordance with its terms, the Depositary shall maintain facilities for the execution and delivery, registration, registration of transfers and surrender of American Depositary Shares in accordance with the provisions of this Deposit Agreement.

The Depositary shall keep books for the registration of American Depositary Shares, which shall be open for inspection by the Owners at the Depositary's Office during regular business hours, provided that such inspection is not for the purpose of communicating with Owners in the interest of a business or object other than the business of the Company or a matter related to this Deposit Agreement or the American Depositary Shares.

The Depositary may close the transfer books, at any time or from time to time, when deemed expedient by it in connection with the performance of its duties under this Deposit Agreement.

If any American Depositary Shares are listed on one or more stock exchanges, the Depositary shall act as Registrar or appoint a Registrar or one or more co-registrars for registry of those American Depositary Shares in accordance with any requirements of that exchange or those exchanges.

## SECTION 5.2. Prevention or Delay of Performance by the Company or the Depositary.

Neither the Depositary nor the Company nor any of their respective directors, employees, agents or affiliates shall incur any liability to any Owner or Holder:

- (i) if by reason of (A) any provision of any present or future law or regulation or other act of the government of the United States, any State of the United States or any other state or jurisdiction, or of any governmental or regulatory authority or stock exchange; (B) (in the case of the Depositary only) any provision, present or future, of the articles of association or similar document of the Company, or by reason of any provision of any securities issued or distributed by the Company, or any offering or distribution thereof; or (C) any event or circumstance, whether natural or caused by a person or persons, that is beyond the ability of the Depositary or the Company, as the case may be, to prevent or counteract by reasonable care or effort (including, but not limited to, earthquakes, floods, severe storms, fires, explosions, war, terrorism, civil unrest, labor disputes or criminal acts; interruptions or malfunctions of utility services, Internet or other communications lines or systems; unauthorized access to or attacks on computer systems or websites; or other failures or malfunctions of computer hardware or software or other systems or equipment), the Depositary or the Company is, directly or indirectly, prevented from, forbidden to or delayed in, or could be subject to any civil or criminal penalty on account of doing or performing and therefore does not do or perform, any act or thing that, by the terms of this Deposit Agreement or the Deposited Securities, it is provided shall be done or performed;
- (ii) for any exercise of, or failure to exercise, any discretion provided for in this Deposit Agreement (including any determination by the Depositary to take, or not take, any action that this Deposit Agreement provides the Depositary may take);
- (iii) for the inability of any Owner or Holder to benefit from any distribution, offering, right or other benefit that is made available to holders of Deposited Securities but is not, under the terms of this Deposit Agreement, made available to Owners or Holders; or
- (iv) for any special, consequential or punitive damages for any breach of the terms of this Deposit Agreement.

Where, by the terms of a distribution to which Section 4.1, 4.2 or 4.3 applies, or an offering to which Section 4.4 applies, or for any other reason, that distribution or offering may not be made available to Owners, and the Depositary may not dispose of that distribution or offering on behalf of Owners and make the net proceeds available to Owners, then the Depositary shall not make that distribution or offering available to Owners, and shall allow any rights, if applicable, to lapse.

## SECTION 5.3. Obligations of the Depositary and the Company.

The Company assumes no obligation nor shall it be subject to any liability under this Deposit Agreement to any Owner or Holder, except that the Company agrees to perform its obligations specifically set forth in this Deposit Agreement without negligence or bad faith.

The Depositary assumes no obligation nor shall it be subject to any liability under this Deposit Agreement to any Owner or Holder (including, without limitation, liability with respect to the validity or worth of the Deposited Securities), except that the Depositary agrees to perform its obligations specifically set forth in this Deposit Agreement without negligence or bad faith, and the Depositary shall not be a fiduciary or have any fiduciary duty to Owners or Holders.

Neither the Depositary nor the Company shall be under any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of any Deposited Securities or in respect of the American Depositary Shares on behalf of any Owner or Holder or any other person.

Each of the Depositary and the Company may rely, and shall be protected in relying upon, any written notice, request, direction or other document believed by it to be genuine and to have been signed or presented by the proper party or parties.

Neither the Depositary nor the Company shall be liable for any action or non-action by it in reliance upon the advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Owner or any other person believed by it in good faith to be competent to give such advice or information.

The Depositary shall not be liable for any acts or omissions made by a successor depositary whether in connection with a previous act or omission of the Depositary or in connection with any matter arising wholly after the removal or resignation of the Depositary, provided that in connection with the issue out of which such potential liability arises the Depositary performed its obligations without negligence or bad faith while it acted as Depositary.

The Depositary shall not be liable for the acts or omissions of any securities depository, clearing agency or settlement system in connection with or arising out of book-entry settlement of American Depositary Shares or Deposited Securities or otherwise.

In the absence of bad faith on its part, the Depositary shall not be responsible for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any such vote is cast or the effect of any such vote.

The Depositary shall have no duty to make any determination or provide any information as to the tax status of the Company or any liability for any tax consequences that may be incurred by Owners or Holders as a result of owning or holding American Depositary Shares. The Depositary shall not be liable for the inability or failure of an Owner or Holder to obtain the benefit of a foreign tax credit, reduced rate of withholding or refund of amounts withheld in respect of tax or any other tax benefit.

No disclaimer of liability under the United States federal securities laws is intended by any provision of this Deposit Agreement.

#### SECTION 5.4. Resignation and Removal of the Depositary.

The Depositary may at any time resign as Depositary hereunder by written notice of its election so to do delivered to the Company, to become effective upon the appointment of a successor depositary and its acceptance of that appointment as provided in this Section. The effect of resignation if a successor depositary is not appointed is provided for in Section 6.2.

The Depositary may at any time be removed by the Company by 90 days' prior written notice of that removal, to become effective upon the later of (i) the 90th day after delivery of the notice to the Depositary and (ii) the appointment of a successor depositary and its acceptance of its appointment as provided in this Section.

If the Depositary resigns or is removed, the Company shall use its best efforts to appoint a successor depositary, which shall be a bank or trust company having an office in the Borough of Manhattan, The City of New York. Every successor depositary shall execute and deliver to the Company an instrument in writing accepting its appointment under this Deposit Agreement. If the Depositary receives notice from the Company that a successor depositary has been appointed following its resignation or removal, the Depositary, upon payment of all sums due it from the Company, shall deliver to its successor a register listing all the Owners and their respective holdings of outstanding American Depositary Shares and shall deliver the Deposited Securities to or to the order of its successor. When the Depositary has taken the actions specified in the preceding sentence (i) the successor shall become the Depositary and shall have all the rights and shall assume all the duties of the Depositary under this Deposit Agreement and (ii) the predecessor depositary shall cease to be the Depositary and shall be discharged and released from all obligations under this Deposit Agreement, except for its duties under Section 5.8 with respect to the time before that discharge. A successor Depositary shall notify the Owners of its appointment as soon as practical after assuming the duties of Depositary.

Any corporation or other entity into or with which the Depositary may be merged or consolidated shall be the successor of the Depositary without the execution or filing of any document or any further act.

#### SECTION 5.5. The Custodians.

The Custodian shall be subject at all times and in all respects to the directions of the Depositary and shall be responsible solely to it. The Depositary in its discretion may at any time appoint a substitute or additional custodian or custodians, each of which shall thereafter be one of the Custodians under this Deposit Agreement. If the Depositary receives notice that a Custodian is resigning and, upon the effectiveness of that resignation there would be no Custodian acting under this Deposit Agreement, the Depositary shall, as promptly as practicable after receiving that notice, appoint a substitute custodian or custodians, each of which shall thereafter be a Custodian under this Deposit Agreement. The Depositary shall require any Custodian that resigns or is removed to deliver all Deposited Securities held by it to another Custodian.

#### SECTION 5.6. Notices and Reports.

If the Company takes or decides to take any corporate action of a kind that is addressed in Sections 4.1 to 4.4, or 4.6 to 4.8, or that effects or will effect a change of the name or legal structure of the Company, or that effects or will effect a change to the Shares, the Company shall notify the Depositary and the Custodian of that action or decision as soon as it is lawful and practical to give that notice. The notice shall be in English and shall include all details that the Company is required to include in any notice to any governmental or regulatory authority or securities exchange or is required to make available generally to holders of Shares by publication or otherwise.

The Company will arrange for the translation into English, if not already in English, to the extent required pursuant to any regulations of the Commission, and the prompt transmittal by the Company to the Depositary and the Custodian of all notices and any other reports and communications which are made generally available by the Company to holders of its Shares. If requested in writing by the Company, the Depositary will Disseminate, at the Company's expense, those notices, reports and communications to all Owners or otherwise make them available to Owners in a manner that the Company specifies as substantially equivalent to the manner in which those communications are made available to holders of Shares and compliant with the requirements of any securities exchange on which the American Depositary Shares are listed. The Company will timely provide the Depositary with the quantity of such notices, reports, and communications, as requested by the Depositary from time to time, in order for the Depositary to effect that Dissemination.

The Company represents that as of the date of this Deposit Agreement, the statements in Article 11 of the Receipt with respect to the Company's obligation to file periodic reports under the United States Securities Exchange Act of 1934, as amended, are true and correct. The Company agrees to promptly notify the Depository upon becoming aware of any change in the truth of any of those statements.

#### SECTION 5.7. Distribution of Additional Shares, Rights, etc.

If the Company or any affiliate of the Company determines to make any issuance or distribution of (1) additional Shares, (2) rights to subscribe for Shares, (3) securities convertible into Shares, or (4) rights to subscribe for such securities (each a "Distribution"), the Company shall notify the Depository in writing in English as promptly as practicable and in any event before the Distribution starts and, if requested in writing by the Depository, the Company shall promptly furnish to the Depository either (i) evidence satisfactory to the Depository that the Distribution is registered under the Securities Act of 1933 or (ii) a written opinion from U.S. counsel for the Company that is reasonably satisfactory to the Depository, stating that the Distribution does not require, or, if made in the United States, would not require, registration under the Securities Act of 1933.

The Company agrees with the Depository that neither the Company nor any company controlled by, controlling or under common control with the Company will at any time deposit any Shares that, at the time of deposit, are Restricted Securities.

#### SECTION 5.8. Indemnification.

The Company agrees to indemnify the Depository, its directors, employees, agents and affiliates and each Custodian against, and hold each of them harmless from, any liability or expense (including, but not limited to any fees and expenses incurred in seeking, enforcing or collecting such indemnity and reasonable fees and expenses of counsel) that may arise out of or in connection with (a) any registration with the Commission of American Depositary Shares or Deposited Securities or the offer or sale thereof in the United States or (b) acts performed or omitted, pursuant to the provisions of or in connection with this Deposit Agreement and the American Depositary Shares, as the same may be amended, modified or supplemented from time to time, (i) by either the Depository or a Custodian or their respective directors, employees, agents and affiliates, except for any liability or expense arising out of the negligence or bad faith of either of them, or (ii) by the Company or any of its directors, employees, agents and affiliates.

The indemnities contained in the preceding paragraph shall not extend to any Losses arising out of information relating to the Depository or any Custodian, as the case may be, furnished in writing by the Depository to the Company expressly for use in any registration statement, proxy statement, prospectus or preliminary prospectus or any other offering documents relating to the American Depositary Share, the Shares or any other Deposited Securities (it being understood and agreed that, as of the date of this Deposit Agreement, the Depository has not furnished any information of that kind).

The Depository agrees to indemnify the Company, its directors, employees, agents and affiliates and hold them harmless from any liability or expense (including but not limited to any fees and expenses incurred in seeking, enforcing or collecting such indemnity and the reasonable fees and expenses of counsel) that may arise out of acts performed or omitted by the Depository or any Custodian or their respective directors, employees, agents and affiliates due to their negligence or bad faith.

## SECTION 5.9. Charges of Depositary.

The following charges shall be incurred by any party depositing or withdrawing Shares or by any party surrendering American Depositary Shares or to whom American Depositary Shares are issued (including, without limitation, issuance pursuant to a stock dividend or stock split declared by the Company or an exchange of stock regarding the American Depositary Shares or Deposited Securities or a delivery of American Depositary Shares pursuant to Section 4.3), or by Owners, as applicable: (1) taxes and other governmental charges, (2) such registration fees as may from time to time be in effect for the registration of transfers of Shares generally on the Share register of the Company or Foreign Registrar and applicable to transfers of Shares to or from the name of the Depositary or its nominee or the Custodian or its nominee on the making of deposits or withdrawals hereunder, (3) such cable (including SWIFT) and facsimile transmission fees and expenses as are expressly provided in this Deposit Agreement, (4) such expenses as are incurred by the Depositary in the conversion of foreign currency pursuant to Section 4.5, (5) a fee of \$5.00 or less per 100 American Depositary Shares (or portion thereof) for the delivery of American Depositary Shares pursuant to Section 2.3, 4.3 or 4.4 and the surrender of American Depositary Shares pursuant to Section 2.5 or 6.2, (6) a fee of \$.05 or less per American Depositary Share (or portion thereof) for any cash distribution made pursuant to this Deposit Agreement, including, but not limited to Sections 4.1 through 4.4 and Section 4.8, (7) a fee for the distribution of securities pursuant to Section 4.2 or of rights pursuant to Section 4.4 (where the Depositary will not exercise or sell those rights on behalf of Owners), such fee being in an amount equal to the fee for the execution and delivery of American Depositary Shares referred to above which would have been charged as a result of the deposit of such securities under this Deposit Agreement (for purposes of this item 7 treating all such securities as if they were Shares) but which securities are instead distributed by the Depositary to Owners, (8) in addition to any fee charged under item 6 above, a fee of \$.05 or less per American Depositary Share (or portion thereof) per annum for depositary services, which will be payable as provided in item 9 below, and (9) any other charges payable by the Depositary or the Custodian, any of the Depositary's or Custodian's agents or the agents of the Depositary's or Custodian's agents, in connection with the servicing of Shares or other Deposited Securities (which charges shall be assessed against Owners as of the date or dates set by the Depositary in accordance with Section 4.6 and shall be payable at the sole discretion of the Depositary by billing those Owners for those charges or by deducting those charges from one or more cash dividends or other cash distributions).

The Depositary may collect any of its fees by deduction from any cash distribution payable, or by selling a portion of any securities to be distributed, to Owners that are obligated to pay those fees.

In performing its duties under this Deposit Agreement, the Depositary may use brokers, dealers, foreign currency dealers or other service providers that are owned by or affiliated with the Depositary and that may earn or share fees, spreads or commissions.

The Depositary may own and deal in any class of securities of the Company and its affiliates and in American Depositary Shares.

## SECTION 5.10. Retention of Depositary Documents.

The Depositary is authorized to destroy those documents, records, bills and other data compiled during the term of this Deposit Agreement at the times permitted by the laws or regulations governing the Depositary, unless the Company requests that those papers be retained for a longer period or turned over to the Company or to a successor depositary.

#### SECTION 5.11. Exclusivity.

Without prejudice to the Company's rights under Section 5.4, the Company agrees not to appoint any other depository for issuance of depository shares, depository receipts or any similar securities or instruments so long as The Bank of New York Mellon is acting as Depository under this Deposit Agreement.

#### SECTION 5.12. Information for Regulatory Compliance.

Each of the Company and the Depository shall provide to the other, as promptly as practicable, information from its records or otherwise available to it that is reasonably requested by the other to permit the other to comply with applicable law or requirements of governmental or regulatory authorities.

### **ARTICLE 6. AMENDMENT AND TERMINATION**

#### SECTION 6.1. Amendment.

The form of the Receipts and any provisions of this Deposit Agreement may at any time and from time to time be amended by agreement between the Company and the Depository without the consent of Owners or Holders in any respect that they may deem necessary or desirable. Any amendment that would impose or increase any fees or charges (other than taxes and other governmental charges, registration fees, cable, telex or facsimile transmission costs, delivery costs or other such expenses), or that would otherwise prejudice any substantial existing right of Owners, shall, however, not become effective as to outstanding American Depositary Shares until the expiration of 30 days after notice of that amendment has been Disseminated to the Owners of outstanding American Depositary Shares. Every Owner and Holder, at the time any amendment so becomes effective, shall be deemed, by continuing to hold American Depositary Shares or any interest therein, to consent and agree to that amendment and to be bound by this Deposit Agreement as amended thereby. Upon the effectiveness of an amendment to the form of Receipt, including a change in the number of Shares represented by each American Depositary Share, the Depository may call for surrender of Receipts to be replaced with new Receipts in the amended form or call for surrender of American Depositary Shares to effect that change of ratio. In no event shall any amendment impair the right of the Owner to surrender American Depositary Shares and receive delivery of the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law.

#### SECTION 6.2. Termination.

- (a) The Company may initiate termination of this Deposit Agreement by notice to the Depository. The Depository may initiate termination of this Deposit Agreement if (i) at any time 90 days shall have expired after the Depository delivered to the Company a written resignation notice and a successor depository has not been appointed and accepted its appointment as provided in Section 5.4, (ii) an Insolvency Event or Delisting Event occurs with respect to the Company or (iii) a Termination Option Event has occurred or will occur. If termination of this Deposit Agreement is initiated, the Depository shall Disseminate a notice of termination to the Owners of all American Depositary Shares then outstanding setting a date for termination (the "Termination Date"), which shall be at least 90 days after the date of that notice, and this Deposit Agreement shall terminate on that Termination Date.

- (b) After the Termination Date, the Company shall be discharged from all obligations under this Deposit Agreement except for its obligations to the Depositary under Sections 5.8 and 5.9.
- (c) At any time after the Termination Date, the Depositary may sell the Deposited Securities then held under this Deposit Agreement and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, unsegregated and without liability for interest, for the pro rata benefit of the Owners of American Depositary Shares that remain outstanding, and those Owners will be general creditors of the Depositary with respect to those net proceeds and that other cash. After making that sale, the Depositary shall be discharged from all obligations under this Deposit Agreement, except (i) to account for the net proceeds and other cash (after deducting, in each case, the fee of the Depositary for the surrender of American Depositary Shares, any expenses for the account of the Owner of such American Depositary Shares in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes or governmental charges) and to pay them to Owners upon surrender of American Depositary Shares in accordance with Section 2.5, (ii) for its obligations under Section 5.8 and (iii) to act as provided in paragraph (d) below.
- (d) After the Termination Date, if any American Depositary Shares remain outstanding, the Depositary shall continue to receive dividends and other distributions pertaining to Deposited Securities (that have not been sold), may sell rights and other property as provided in this Deposit Agreement and shall deliver Deposited Securities (or sale proceeds) upon surrender of American Depositary Shares (after payment or upon deduction, in each case, of the fee of the Depositary for the surrender of American Depositary Shares, any expenses for the account of the Owner of those American Depositary Shares in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes or governmental charges). After the Termination Date, the Depositary shall not accept deposits of Shares or deliver American Depositary Shares. After the Termination Date, (i) the Depositary may refuse to accept surrenders of American Depositary Shares for the purpose of withdrawal of Deposited Securities (that have not been sold) or reverse previously accepted surrenders of that kind that have not settled if in its judgment the requested withdrawal would interfere with its efforts to sell the Deposited Securities, (ii) the Depositary will not be required to deliver cash proceeds of the sale of Deposited Securities until all Deposited Securities have been sold and (iii) the Depositary may discontinue the registration of transfers of American Depositary Shares and suspend the distribution of dividends and other distributions on Deposited Securities to the Owners and need not give any further notices or perform any further acts under this Deposit Agreement except as provided in this Section.

## **ARTICLE 7. MISCELLANEOUS**

### **SECTION 7.1. Counterparts; Signatures.**

This Deposit Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of those counterparts shall constitute one and the same instrument. Copies of this Deposit Agreement shall be filed with the Depositary and the Custodians and shall be open to inspection by any Owner or Holder during regular business hours.

Any manual signature on this Deposit Agreement that is faxed, scanned or photocopied, and any electronic signature valid under the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001, et. seq., shall for all purposes have the same validity, legal effect and admissibility in evidence as an original manual signature, and the parties hereby waive any objection to the contrary.

## SECTION 7.2. No Third Party Beneficiaries.

This Deposit Agreement is for the exclusive benefit of the Company, the Depositary, the Owners and the Holders and their respective successors and shall not be deemed to give any legal or equitable right, remedy or claim whatsoever to any other person.

## SECTION 7.3. Severability.

In case any one or more of the provisions contained in this Deposit Agreement or in a Receipt should be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained in this Deposit Agreement or that Receipt shall in no way be affected, prejudiced or disturbed thereby.

## SECTION 7.4. Owners and Holders as Parties; Binding Effect.

The Owners and Holders from time to time shall be parties to this Deposit Agreement and shall be bound by all of the terms and conditions of this Deposit Agreement and of the Receipts by acceptance of American Depositary Shares or any interest therein.

## SECTION 7.5. Notices.

Any and all notices to be given to the Company shall be in writing and shall be deemed to have been duly given if personally delivered or sent by domestic first class or international air mail or air courier or sent by facsimile transmission or email attaching a pdf or similar bit-mapped image of a signed writing, provided that receipt of the facsimile transmission or email has been confirmed by the recipient, addressed to Futu Holdings Limited, 11/F, Bangkok Bank Building, 18 Bonham Strand W, Sheung Wan, Hong Kong, Attention: Chief Financial Officer, or any other place to which the Company may have transferred its principal office with notice to the Depositary.

Any and all notices to be given to the Depositary shall be in writing and shall be deemed to have been duly given if in English and personally delivered or sent by first class domestic or international air mail or air courier or sent by facsimile transmission or email attaching a pdf or similar bit-mapped image of a signed writing, addressed to The Bank of New York Mellon, 240 Greenwich Street, New York, New York 10286, Attention: Depositary Receipt Administration, or any other place to which the Depositary may have transferred its Office with notice to the Company.

Delivery of a notice to the Company or Depositary by mail or air courier shall be deemed effected when deposited, postage prepaid, in a post-office letter box or received by an air courier service. Delivery of a notice to the Company or Depositary sent by facsimile transmission or email shall be deemed effected when the recipient acknowledges receipt of that notice.

A notice to be given to an Owner shall be deemed to have been duly given when Disseminated to that Owner. Dissemination in paper form will be effective when personally delivered or sent by first class domestic or international air mail or air courier, addressed to that Owner at the address of that Owner as it appears on the transfer books for American Depositary Shares of the Depositary, or, if that Owner has filed with the Depositary a written request that notices intended for that Owner be mailed to some other address, at the address designated in that request. Dissemination in electronic form will be effective when sent in the manner consented to by the Owner to the electronic address most recently provided by the Owner for that purpose.

## SECTION 7.6. Arbitration; Settlement of Disputes.

Any controversy, claim or cause of action brought by any party hereto against the Company arising out of or relating to the Shares or other Deposited Securities, the American Depositary Shares, the Receipts or this Deposit Agreement, or the breach hereof or thereof, if so elected by the claimant, shall be settled by arbitration in accordance with the International Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof.

The place of the arbitration shall be The City of New York, State of New York, United States of America, and the language of the arbitration shall be English.

The number of arbitrators shall be three, each of whom shall be disinterested in the dispute or controversy, shall have no connection with any party thereto, and shall be an attorney experienced in international securities transactions. Each party shall appoint one arbitrator and the two arbitrators shall select a third arbitrator who shall serve as chairperson of the tribunal. If a dispute, controversy or cause of action shall involve more than two parties, the parties shall attempt to align themselves in two sides (i.e., claimant(s) and respondent(s)), each of which shall appoint one arbitrator as if there were only two parties to such dispute, controversy or cause of action. If such alignment and appointment shall not have occurred within thirty (30) calendar days after the initiating party serves the arbitration demand, the American Arbitration Association shall appoint the three arbitrators, each of whom shall have the qualifications described above. The parties and the American Arbitration Association may appoint from among the nationals of any country, whether or not a party is a national of that country.

The arbitral tribunal shall have no authority to award any consequential, special or punitive damages or other damages not measured by the prevailing party's actual damages and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of this Deposit Agreement.

## SECTION 7.7. Appointment of Agent for Service of Process; Submission to Jurisdiction; Jury Trial Waiver.

The Company hereby (i) designates and appoints the person named in Exhibit A to this Deposit Agreement, located in the State of New York, as the Company's authorized agent upon which process may be served in any suit or proceeding (including any arbitration proceeding) arising out of or relating to the Shares or Deposited Securities, the American Depositary Shares, the Receipts or this Deposit Agreement (a "Proceeding"), (ii) consents and submits to the jurisdiction of any state or federal court in the State of New York in which any Proceeding may be instituted and (iii) agrees that service of process upon said authorized agent shall be deemed in every respect effective service of process upon the Company in any Proceeding. The Company agrees to deliver to the Depositary, upon the execution and delivery of this Deposit Agreement, a written acceptance by the agent named in Exhibit A to this Deposit Agreement of its appointment as process agent. The Company further agrees to take any and all action, including the filing of any and all such documents and instruments, as may be necessary to continue that designation and appointment in full force and effect, or to appoint and maintain the appointment of another process agent located in the United States as required above, and to deliver to the Depositary a written acceptance by that agent of that appointment, for so long as any American Depositary Shares or Receipts remain outstanding or this Deposit Agreement remains in force. In the event the Company fails to maintain the designation and appointment of a process agent in the United States in full force and effect, the Company hereby waives personal service of process upon it and consents that a service of process in connection with a Proceeding may be made by certified or registered mail, return receipt requested, directed to the Company at its address last specified for notices under this Deposit Agreement, and service so made shall be deemed completed five (5) days after the same shall have been so mailed.

EACH PARTY TO THIS DEPOSIT AGREEMENT (INCLUDING, FOR AVOIDANCE OF DOUBT, EACH OWNER AND HOLDER) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING AGAINST THE COMPANY AND/OR THE DEPOSITARY DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THE SHARES OR OTHER DEPOSITED SECURITIES, THE AMERICAN DEPOSITARY SHARES OR THE RECEIPTS, THIS DEPOSIT AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREIN OR THEREIN, OR THE BREACH HEREOF OR THEREOF, INCLUDING, WITHOUT LIMITATION, ANY QUESTION REGARDING EXISTENCE, VALIDITY OR TERMINATION (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

SECTION 7.8. Waiver of Immunities.

To the extent that the Company or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to it, any right of immunity, on the grounds of sovereignty or otherwise, from any legal action, suit or proceeding, from the giving of any relief in any respect thereof, from setoff or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, from attachment in aid of execution or judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to its obligations, liabilities or any other matter under or arising out of or in connection with the Shares or Deposited Securities, the American Depositary Shares, the Receipts or this Deposit Agreement, the Company, to the fullest extent permitted by law, hereby irrevocably and unconditionally waives, and agrees not to plead or claim, any immunity of that kind and consents to relief and enforcement as provided above.

SECTION 7.9. Governing Law.

This Deposit Agreement and the Receipts shall be interpreted in accordance with and all rights hereunder and thereunder and provisions hereof and thereof shall be governed by the laws of the State of New York.

IN WITNESS WHEREOF, FUTU HOLDINGS LIMITED and THE BANK OF NEW YORK MELLON have duly executed this Deposit Agreement as of the day and year first set forth above and all Owners and Holders shall become parties hereto upon acceptance by them of American Depositary Shares or any interest therein.

representing deposited Class A ordinary shares (herein called “Shares”) of Futu Holdings Limited, incorporated under the laws of the Cayman Islands (herein called the “Company”). At the date hereof, each American Depositary Share represents eight Shares deposited or subject to deposit under the Deposit Agreement (as such term is hereinafter defined) with a custodian for the Depositary (herein called the “Custodian”) that, as of the date of the Deposit Agreement, was The Hongkong and Shanghai Banking Corporation Limited located in Hong Kong. The Depositary’s Office and its principal executive office are located at 240 Greenwich Street, New York, N.Y. 10286.

**THE DEPOSITARY’S OFFICE ADDRESS IS  
240 GREENWICH STREET, NEW YORK, N.Y. 10286**

#### 1. THE DEPOSIT AGREEMENT.

This American Depositary Receipt is one of an issue (herein called “Receipts”), all issued and to be issued upon the terms and conditions set forth in the Deposit Agreement dated as of March 7, 2019 (herein called the “Deposit Agreement”) among the Company, the Depositary, and all Owners and Holders from time to time of American Depositary Shares issued thereunder, each of whom by accepting American Depositary Shares agrees to become a party thereto and become bound by all the terms and conditions thereof. The Deposit Agreement sets forth the rights of Owners and Holders and the rights and duties of the Depositary in respect of the Shares deposited thereunder and any and all other securities, property and cash from time to time received in respect of those Shares and held thereunder (those Shares, securities, property, and cash are herein called “Deposited Securities”). Copies of the Deposit Agreement are on file at the Depositary’s Office in New York City and at the office of the Custodian.

The statements made on the face and reverse of this Receipt are summaries of certain provisions of the Deposit Agreement and are qualified by and subject to the detailed provisions of the Deposit Agreement, to which reference is hereby made. Capitalized terms defined in the Deposit Agreement and not defined herein shall have the meanings set forth in the Deposit Agreement.

## 2. SURRENDER OF AMERICAN DEPOSITARY SHARES AND WITHDRAWAL OF SHARES.

Upon surrender of American Depositary Shares for the purpose of withdrawal of the Deposited Securities represented thereby and payment of the fee of the Depositary for the surrender of American Depositary Shares as provided in Section 5.9 of the Deposit Agreement and payment of all taxes and governmental charges payable in connection with that surrender and withdrawal of the Deposited Securities, and subject to the terms and conditions of the Deposit Agreement, the Owner of those American Depositary Shares shall be entitled to delivery (to the extent delivery can then be lawfully and practicably made), to or as instructed by that Owner, of the amount of Deposited Securities at the time represented by those American Depositary Shares, but not any money or other property as to which a record date for distribution to Owners has passed (since money or other property of that kind will be delivered or paid on the scheduled payment date to the Owner as of that record date), and except that the Depositary shall not be required to accept surrender of American Depositary Shares for the purpose of withdrawal to the extent it would require delivery of a fraction of a Deposited Security. The Depositary shall direct the Custodian with respect to delivery of Deposited Securities and may charge the surrendering Owner a fee and its expenses for giving that direction by cable (including SWIFT) or facsimile transmission. If Deposited Securities are delivered physically upon surrender of American Depositary Shares for the purpose of withdrawal, that delivery will be made at the Custodian's office, except that, at the request, risk and expense of the surrendering Owner, and for the account of that Owner, the Depositary shall direct the Custodian to forward any cash or other property comprising, and forward a certificate or certificates, if applicable, and other proper documents of title, if any, for, the Deposited Securities represented by the surrendered American Depositary Shares to the Depositary for delivery at the Depositary's Office or to another address specified in the order received from the surrendering Owner.

## 3. REGISTRATION OF TRANSFER OF AMERICAN DEPOSITARY SHARES; COMBINATION AND SPLIT-UP OF RECEIPTS; INTERCHANGE OF CERTIFICATED AND UNCERTIFICATED AMERICAN DEPOSITARY SHARES.

The Depositary, subject to the terms and conditions of the Deposit Agreement, shall register a transfer of American Depositary Shares on its transfer books upon (i) in the case of certificated American Depositary Shares, surrender of the Receipt evidencing those American Depositary Shares, by the Owner or by a duly authorized attorney, properly endorsed or accompanied by proper instruments of transfer or (ii) in the case of uncertificated American Depositary Shares, receipt from the Owner of a proper instruction (including, for the avoidance of doubt, instructions through DRS and Profile as provided in Section 2.9 of that Agreement), and, in either case, duly stamped as may be required by the laws of the State of New York and of the United States of America. Upon registration of a transfer, the Depositary shall deliver the transferred American Depositary Shares to or upon the order of the person entitled thereto.

The Depositary, subject to the terms and conditions of the Deposit Agreement, shall upon surrender of a Receipt or Receipts for the purpose of effecting a split-up or combination of such Receipt or Receipts, execute and deliver a new Receipt or Receipts for any authorized number of American Depositary Shares requested, evidencing the same aggregate number of American Depositary Shares as the Receipt or Receipts surrendered.

The Depository, upon surrender of certificated American Depositary Shares for the purpose of exchanging for uncertificated American Depositary Shares, shall cancel the Receipt evidencing those certificated American Depositary Shares and send the Owner a statement confirming that the Owner is the owner of the same number of uncertificated American Depositary Shares. The Depository, upon receipt of a proper instruction (including, for the avoidance of doubt, instructions through DRS and Profile as provided in Section 2.9 of the Deposit Agreement) from the Owner of uncertificated American Depositary Shares for the purpose of exchanging for certificated American Depositary Shares, shall cancel those uncertificated American Depositary Shares and register and deliver to the Owner a Receipt evidencing the same number of certificated American Depositary Shares.

As a condition precedent to the delivery, registration of transfer, or surrender of any American Depositary Shares or split-up or combination of any Receipt or withdrawal of any Deposited Securities, the Depository, the Custodian, or Registrar may require payment from the depositor of the Shares or the presenter of the Receipt or instruction for registration of transfer or surrender of American Depositary Shares not evidenced by a Receipt of a sum sufficient to reimburse it for any tax or other governmental charge and any stock transfer or registration fee with respect thereto (including any such tax or charge and fee with respect to Shares being deposited or withdrawn) and payment of any applicable fees as provided in the Deposit Agreement, may require the production of proof satisfactory to it as to the identity and genuineness of any signature and may also require compliance with any regulations the Depository may establish consistent with the provisions of the Deposit Agreement.

The delivery of American Depositary Shares against deposit of Shares generally or against deposit of particular Shares may be suspended, or the registration of transfer of American Depositary Shares in particular instances may be refused, or the registration of transfer of outstanding American Depositary Shares generally may be suspended, during any period when the transfer books of the Depository are closed, or if any such action is deemed necessary or advisable by the Depository or the Company at any time or from time to time because of any requirement of law or of any government or governmental body or commission, or under any provision of the Deposit Agreement, or for any other reason. Notwithstanding anything to the contrary in the Deposit Agreement or this Receipt, the surrender of outstanding American Depositary Shares and withdrawal of Deposited Securities may not be suspended subject only to (i) temporary delays caused by closing the transfer books of the Depository or the Company or the Foreign Registrar, if applicable, or the deposit of Shares in connection with voting at a shareholders' meeting, or the payment of dividends, (ii) the payment of fees, taxes and similar charges, and (iii) compliance with any U.S. or foreign laws or governmental regulations relating to the American Depositary Shares or to the withdrawal of the Deposited Securities. The Depository shall not knowingly accept for deposit under the Deposit Agreement any Shares that, at the time of deposit, are Restricted Securities.

#### 4. LIABILITY OF OWNER FOR TAXES.

If any tax or other governmental charge shall become payable by the Custodian or the Depository with respect to or in connection with any American Depositary Shares or any Deposited Securities represented by any American Depositary Shares or in connection with a transaction to which Section 4.8 of the Deposit Agreement applies, that tax or other governmental charge shall be payable by the Owner of those American Depositary Shares to the Depository. The Depository may refuse to register any transfer of those American Depositary Shares or any withdrawal of Deposited Securities represented by those American Depositary Shares until that payment is made, and may withhold any dividends or other distributions or the proceeds thereof, or may sell for the account

of the Owner any part or all of the Deposited Securities represented by those American Depositary Shares, and may apply those dividends or other distributions or the net proceeds of any sale of that kind in payment of that tax or other governmental charge but, even after a sale of that kind, the Owner shall remain liable for any deficiency. The Depositary shall distribute any net proceeds of a sale made under Section 3.2 of the Deposit Agreement that are not used to pay taxes or governmental charges to the Owners entitled to them in accordance with Section 4.1 of the Deposit Agreement. If the number of Shares represented by each American Depositary Share decreases as a result of a sale of Deposited Securities under Section 3.2 of the Deposit Agreement, the Depositary may call for surrender of the American Depositary Shares to be exchanged on a mandatory basis for a lesser number of American Depositary Shares and may sell American Depositary Shares to the extent necessary to avoid distributing fractions of American Depositary Shares in that exchange and distribute the net proceeds of that sale to the Owners entitled to them.

## 5. WARRANTIES ON DEPOSIT OF SHARES.

Every person depositing Shares under the Deposit Agreement shall be deemed thereby to represent and warrant that those Shares and each certificate therefor, if applicable, are validly issued, fully paid and non-assessable and were not issued in violation of any preemptive or similar rights of the holders of outstanding securities of the Company and that the person making that deposit is duly authorized so to do. Every depositing person shall also be deemed to represent that the Shares, at the time of deposit, are not Restricted Securities. All representations and warranties deemed made under Section 3.3 of the Deposit Agreement shall survive the deposit of Shares and delivery of American Depositary Shares.

## 6. FILING PROOFS, CERTIFICATES, AND OTHER INFORMATION.

Any person presenting Shares for deposit or any Owner or Holder may be required from time to time to file with the Depositary or the Custodian such proof of citizenship or residence, exchange control approval, or such information relating to the registration on the books of the Company or the Foreign Registrar, if applicable, to execute such certificates and to make such representations and warranties, as the Depositary may deem necessary or proper. The Depositary may withhold the delivery or registration of transfer of any American Depositary Shares, the distribution of any dividend or other distribution or of the proceeds thereof or the delivery of any Deposited Securities until that proof or other information is filed or those certificates are executed or those representations and warranties are made. As conditions of accepting Shares for deposit, the Depositary may require (i) any certification required by the Depositary or the Custodian in accordance with the provisions of the Deposit Agreement, (ii) a written order directing the Depositary to deliver to, or upon the written order of, the person or persons stated in that order, the number of American Depositary Shares representing those Deposited Shares, (iii) evidence satisfactory to the Depositary that those Shares have been re-registered in the books of the Company or the Foreign Registrar in the name of the Depositary, a Custodian or a nominee of the Depositary or a Custodian, (iv) evidence satisfactory to the Depositary that any necessary approval for the transfer or deposit has been granted by any governmental body in each applicable jurisdiction and (v) an agreement or assignment, or other instrument satisfactory to the Depositary, that provides for the prompt transfer to the Custodian of any dividend, or right to subscribe for additional Shares or to receive other property, that any person in whose name those Shares are or have been recorded may thereafter receive upon or in respect of those Shares, or, in lieu thereof, such agreement of indemnity or other agreement as shall be satisfactory to the Depositary. The Depositary shall refuse, and shall instruct the Custodian to refuse, to accept Shares for deposit if the Depositary has received a notice from the Company that the Company has restricted transfer of those Shares under the Company's articles of association or any applicable laws or that the deposit would result in any violation of the Company's articles of association or any applicable laws.

## 7. CHARGES OF DEPOSITARY.

The following charges shall be incurred by any party depositing or withdrawing Shares or by any party surrendering American Depositary Shares or to whom American Depositary Shares are issued (including, without limitation, issuance pursuant to a stock dividend or stock split declared by the Company or an exchange of stock regarding the American Depositary Shares or Deposited Securities or a delivery of American Depositary Shares pursuant to Section 4.3 of the Deposit Agreement), or by Owners, as applicable: (1) taxes and other governmental charges, (2) such registration fees as may from time to time be in effect for the registration of transfers of Shares generally on the Share register of the Company or Foreign Registrar and applicable to transfers of Shares to or from the name of the Depositary or its nominee or the Custodian or its nominee on the making of deposits or withdrawals hereunder, (3) such cable (including SWIFT) and facsimile transmission fees and expenses as are expressly provided in the Deposit Agreement, (4) such expenses as are incurred by the Depositary in the conversion of foreign currency pursuant to Section 4.5 of the Deposit Agreement, (5) a fee of \$5.00 or less per 100 American Depositary Shares (or portion thereof) for the delivery of American Depositary Shares pursuant to Section 2.3, 4.3 or 4.4 of the Deposit Agreement and the surrender of American Depositary Shares pursuant to Section 2.5 or 6.2 of the Deposit Agreement, (6) a fee of \$.05 or less per American Depositary Share (or portion thereof) for any cash distribution made pursuant to the Deposit Agreement, including, but not limited to Sections 4.1 through 4.4 and 4.8 of the Deposit Agreement, (7) a fee for the distribution of securities pursuant to Section 4.2 of the Deposit Agreement or of rights pursuant to Section 4.4 of that Agreement (where the Depositary will not exercise or sell those rights on behalf of Owners), such fee being in an amount equal to the fee for the execution and delivery of American Depositary Shares referred to above which would have been charged as a result of the deposit of such securities under the Deposit Agreement (for purposes of this item 7 treating all such securities as if they were Shares) but which securities are instead distributed by the Depositary to Owners, (8) in addition to any fee charged under item 6, a fee of \$.05 or less per American Depositary Share (or portion thereof) per annum for depositary services, which will be payable as provided in item 9 below, and (9) any other charges payable by the Depositary or the Custodian, any of the Depositary's or Custodian's agents or the agents of the Depositary's or Custodian's agents, in connection with the servicing of Shares or other Deposited Securities (which charges shall be assessed against Owners as of the date or dates set by the Depositary in accordance with Section 4.6 of the Deposit Agreement and shall be payable at the sole discretion of the Depositary by billing those Owners for those charges or by deducting those charges from one or more cash dividends or other cash distributions).

The Depositary may collect any of its fees by deduction from any cash distribution payable, or by selling a portion of any securities to be distributed, to Owners that are obligated to pay those fees.

The Depositary may own and deal in any class of securities of the Company and its affiliates and in American Depositary Shares.

From time to time, the Depositary may make payments to the Company to reimburse the Company for costs and expenses generally arising out of establishment and maintenance of the American Depositary Shares program, waive fees and expenses for services provided by the Depositary or share revenue from the fees collected from Owners or Holders. In performing its duties under the Deposit Agreement, the Depositary may use brokers, dealers, foreign currency dealers or other service providers that are owned by or affiliated with the Depositary and that may earn or share fees, spreads or commissions.

## 8. DISCLOSURE OF INTERESTS.

When required in order to comply with applicable laws and regulations or the articles of association or similar document of the Company, the Company may from time to time request each Owner and Holder to provide to the Depositary information relating to: (a) the capacity in which it holds American Depositary Shares, (b) the identity of any Holders or other persons or entities then or previously interested in those American Depositary Shares and the nature of those interests and (c) any other matter where disclosure of such matter is required for that compliance. Each Owner and Holder agrees to provide all information known to it in response to a request made pursuant to Section 3.4 of the Deposit Agreement. Each Holder consents to the disclosure by the Depositary and the Owner or other Holder through which it holds American Depositary Shares, directly or indirectly, of all information responsive to a request made pursuant to that Section relating to that Holder that is known to that Owner or other Holder.

## 9. TITLE TO AMERICAN DEPOSITARY SHARES.

It is a condition of the American Depositary Shares, and every successive Owner and Holder of American Depositary Shares, by accepting or holding the same, consents and agrees that American Depositary Shares evidenced by a Receipt, when the Receipt is properly endorsed or accompanied by proper instruments of transfer, shall be transferable as certificated registered securities under the laws of the State of New York, and that American Depositary Shares not evidenced by Receipts shall be transferable as uncertificated registered securities under the laws of the State of New York. The Depositary, notwithstanding any notice to the contrary, may treat the Owner of American Depositary Shares as the absolute owner thereof for the purpose of determining the person entitled to distribution of dividends or other distributions or to any notice provided for in the Deposit Agreement and for all other purposes, and neither the Depositary nor the Company shall have any obligation or be subject to any liability under the Deposit Agreement to any Holder of American Depositary Shares, but only to the Owner.

## 10. VALIDITY OF RECEIPT.

This Receipt shall not be entitled to any benefits under the Deposit Agreement or be valid or obligatory for any purpose, unless this Receipt shall have been (i) executed by the Depositary by the manual signature of a duly authorized officer of the Depositary or (ii) executed by the facsimile signature of a duly authorized officer of the Depositary and countersigned by the manual signature of a duly authorized signatory of the Depositary or the Registrar or a co-registrar.

## 11. REPORTS; INSPECTION OF TRANSFER BOOKS.

The Company is subject to the periodic reporting requirements of the Securities Exchange Act of 1934 and, accordingly, files certain reports with the Securities and Exchange Commission. Those reports will be available for inspection and copying through the Commission's EDGAR system or at public reference facilities maintained by the Commission in Washington, D.C.

The Depositary will make available for inspection by Owners at its Office any reports, notices and other communications, including any proxy soliciting material, received from the Company which are both (a) received by the Depositary as the holder of the Deposited Securities and (b) made generally available to the holders of those Deposited Securities by the Company. The Company shall furnish reports and communications, including any proxy soliciting material to which Section 4.9 of the Deposit Agreement applies, to the Depositary in English, to the extent such materials are required to be translated into English pursuant to any regulations of the Commission.

The Depositary will keep books for the registration of American Depositary Shares and transfers of American Depositary Shares, which shall be open for inspection by the Owners at the Depositary's Office during regular business hours, provided that such inspection shall not be for the purpose of communicating with Owners in the interest of a business or object other than the business of the Company or a matter related to the Deposit Agreement or the American Depositary Shares.

## 12. DIVIDENDS AND DISTRIBUTIONS.

Whenever the Depositary receives any cash dividend or other cash distribution on Deposited Securities, the Depositary will, if at the time of receipt thereof any amounts received in a foreign currency can in the judgment of the Depositary be converted on a reasonable basis into Dollars transferable to the United States, and subject to the Deposit Agreement, convert that dividend or other cash distribution into Dollars and distribute the amount thus received (net of the fees and expenses of the Depositary as provided in Article 7 hereof and Section 5.9 of the Deposit Agreement) to the Owners entitled thereto; provided, however, that if the Custodian or the Depositary is required to withhold and does withhold from that cash dividend or other cash distribution an amount on account of taxes or other governmental charges, the amount distributed to the Owners of the American Depositary Shares representing those Deposited Securities shall be reduced accordingly. If a cash distribution would represent a return of all or substantially all the value of the Deposited Securities underlying American Depositary Shares, the Depositary may require surrender of those American Depositary Shares and may require payment of or deduct the fee for surrender of American Depositary Shares (whether or not it is also requiring surrender of American Depositary Shares) as a condition of making that cash distribution. A distribution of that kind shall be a Termination Option Event.

Subject to the provisions of Section 4.11 and 5.9 of the Deposit Agreement, whenever the Depositary receives any distribution other than a distribution described in Section 4.1, 4.3 or 4.4 of the Deposit Agreement on Deposited Securities (but not in exchange for or in conversion or in lieu of Deposited Securities), the Depositary will cause the securities or property received by it to be distributed to the Owners entitled thereto, after deduction or upon payment of any fees and expenses of the Depositary and any taxes or other governmental charges, in any manner that the Depositary deems equitable and practicable for accomplishing that distribution (which may be a distribution of depositary shares representing the securities received); provided, however, that if in the opinion of the Depositary such distribution cannot be made proportionately among the Owners entitled thereto, or if for any other reason the Depositary deems such distribution not to be lawful and feasible, the Depositary may adopt such other method as it may deem equitable and practicable for the purpose of effecting such distribution, including, but not limited to, the public or private sale of the securities or property thus received, or any part thereof, and distribution of the net proceeds of any such sale (net of the fees and expenses of the Depositary as provided in Article 7 hereof and Section 5.9 of the Deposit Agreement) to the Owners entitled thereto all in the manner and subject to the conditions set forth in Section 4.1 of the Deposit Agreement. The Depositary may withhold any distribution of securities under Section 4.2 of the Deposit Agreement if it has not received satisfactory assurances from the Company that the distribution does not require registration under the Securities Act of 1933. The Depositary may sell, by public or private sale, an amount of securities or other property it would otherwise distribute under this Article that is sufficient to pay its fees and expenses in respect of that distribution. If a distribution under Section 4.2 of the Deposit Agreement would represent a return of all of substantially all the value of the Deposited Securities underlying American Depositary Shares, the Depositary may require surrender of those American Depositary Shares and may require payment of or deduct the fee for surrender of American Depositary Shares (whether or not it is also requiring surrender of American Depositary Shares) as a condition of making that distribution. A distribution of that kind shall be a Termination Option Event.

Whenever the Depositary receives any distribution consisting of a dividend in, or free distribution of, Shares, the Depositary may deliver to the Owners entitled thereto, an aggregate number of American Depositary Shares representing the amount of Shares received as that dividend or free distribution, subject to the terms and conditions of the Deposit Agreement with respect to the deposit of Shares and issuance of American Depositary Shares, including the withholding of any tax or other governmental charge as provided in Section 4.11 of the Deposit Agreement and the payment of the fees and expenses of the Depositary as provided in Article 7 hereof and Section 5.9 of the Deposit Agreement (and the Depositary may sell, by public or private sale, an amount of Shares received (or American Depositary Shares representing those Shares) sufficient to pay its fees and expenses in respect of that distribution). In lieu of delivering fractional American Depositary Shares, the Depositary may sell the amount of Shares represented by the aggregate of those fractions (or American Depositary Shares representing those Shares) and distribute the net proceeds, all in the manner and subject to the conditions described in Section 4.1 of the Deposit Agreement. If and to the extent that additional American Depositary Shares are not delivered and Shares or American Depositary Shares are not sold, each American Depositary Share shall thenceforth also represent the additional Shares distributed on the Deposited Securities represented thereby.

If the Company declares a distribution in which holders of Deposited Securities have a right to elect whether to receive cash, Shares or other securities or a combination of those things, or a right to elect to have a distribution sold on their behalf, the Depositary may, after consultation with the Company, make that right of election available for exercise by Owners any manner the Depositary considers to be lawful and practical. As a condition of making a distribution election right available to Owners, the Depositary may require satisfactory assurances from the Company that doing so does not require registration of any securities under the Securities Act of 1933.

If the Depositary determines that any distribution received or to be made by the Depositary (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charge that the Depositary is obligated to withhold, the Depositary may sell, by public or private sale, all or a portion of the distributed property (including Shares and rights to subscribe therefor) in the amounts and manner the Depositary deems necessary and practicable to pay any those taxes or charges, and the Depositary shall distribute the net proceeds of that sale, after deduction of those taxes or charges, to the Owners entitled thereto in proportion to the number of American Depositary Shares held by them respectively.

Each Owner and Holder agrees to indemnify the Company, the Depositary, the Custodian and their respective directors, employees, agents and affiliates for, and hold each of them harmless against, any claim by any governmental authority with respect to taxes, additions to tax, penalties or interest arising out of any refund of taxes, reduced withholding at source or other tax benefit received by it. Services for Owners and Holders that may permit them to obtain reduced rates of tax withholding at source or reclaim excess tax withheld, and the fees and costs associated with using services of that kind, are not provided under, and are outside the scope of, the Deposit Agreement.

### 13. RIGHTS.

- (a) If rights are granted to the Depositary in respect of deposited Shares to purchase additional Shares or other securities, the Company and the Depositary shall endeavor to consult as to the actions, if any, the Depositary should take in connection with that grant of rights. The Depositary may, to the extent deemed by it to be lawful and practical (i) if requested in writing by the Company, grant to all or certain Owners rights to instruct the Depositary to purchase the securities to which the rights relate and deliver those securities or American Depositary Shares representing those securities to Owners, (ii) if requested in writing by the Company, deliver the rights to or to the order of certain Owners, or (iii) sell the rights to the extent practicable and distribute the net proceeds of that sale to Owners entitled to those proceeds. To the extent rights are not exercised, delivered or disposed of under (i), (ii) or (iii) above, the Depositary shall permit the rights to lapse unexercised.
- (b) If the Depositary will act under (a)(i) above, the Company and the Depositary will enter into a separate agreement setting forth the conditions and procedures applicable to the particular offering. Upon instruction from an applicable Owner in the form the Depositary specified and upon payment by that Owner to the Depositary of an amount equal to the purchase price of the securities to be received upon the exercise of the rights, the Depositary shall, on behalf of that Owner, exercise the rights and purchase the securities. The purchased securities shall be delivered to, or as instructed by, the Depositary. The Depositary shall (i) deposit the purchased Shares under the Deposit Agreement and deliver American Depositary Shares representing those Shares to that Owner or (ii) deliver or cause the purchased Shares or other securities to be delivered to or to the order of that Owner. The Depositary will not act under (a)(i) above unless the offer and sale of the securities to which the rights relate are registered under the Securities Act of 1933 or the Depositary has received an opinion of United States counsel that is satisfactory to it to the effect that those securities may be sold and delivered to the applicable Owners without registration under the Securities Act of 1933.
- (c) If the Depositary will act under (a)(ii) above, the Company and the Depositary will enter into a separate agreement setting forth the conditions and procedures applicable to the particular offering. Upon (i) the request of an applicable Owner to deliver the rights allocable to the American Depositary Shares of that Owner to an account specified by that Owner to which the rights can be delivered and (ii) receipt of such documents as the Company and the Depositary agreed to require to comply with applicable law, the Depositary will deliver those rights as requested by that Owner.
- (d) If the Depositary will act under (a)(iii) above, the Depositary will use reasonable efforts to sell the rights in proportion to the number of American Depositary Shares held by the applicable Owners and pay the net proceeds to the Owners otherwise entitled to the rights that were sold, upon an averaged or other practical basis without regard to any distinctions among such Owners because of exchange restrictions or the date of delivery of any American Depositary Shares or otherwise.
- (e) Payment or deduction of the fees of the Depositary as provided in Section 5.9 of the Deposit Agreement and payment or deduction of the expenses of the Depositary and any applicable taxes or other governmental charges shall be conditions of any delivery of securities or payment of cash proceeds under Section 4.4 of that Agreement.

- (f) The Depositary shall not be responsible for any failure to determine that it may be lawful or feasible to make rights available to or exercise rights on behalf of Owners in general or any Owner in particular, or to sell rights.

#### 14. CONVERSION OF FOREIGN CURRENCY.

Whenever the Depositary or the Custodian receives foreign currency, by way of dividends or other distributions or the net proceeds from the sale of securities, property or rights, and if at the time of the receipt thereof the foreign currency so received can in the judgment of the Depositary be converted on a reasonable basis into Dollars and the resulting Dollars transferred to the United States, the Depositary shall convert or cause to be converted by sale or in any other manner that it may determine that foreign currency into Dollars, and those Dollars shall be distributed to the Owners entitled thereto. A cash distribution may be made upon an averaged or other practicable basis without regard to any distinctions among Owners based on exchange restrictions, the date of delivery of any American Depositary Shares or otherwise and shall be net of any expenses of conversion into Dollars incurred by the Depositary as provided in Section 5.9 of the Deposit Agreement.

If a conversion of foreign currency or the repatriation or distribution of Dollars can be effected only with the approval or license of any government or agency thereof, the Depositary may, but will not be required to, file an application for that approval or license.

If the Depositary determines that in its judgment any foreign currency received by the Depositary or the Custodian is not convertible on a reasonable basis into Dollars transferable to the United States, or if any approval or license of any government or agency thereof that is required for such conversion is not filed or sought by the Depositary or is not obtained within a reasonable period as determined by the Depositary, the Depositary may distribute the foreign currency received by the Depositary to, or in its discretion may hold such foreign currency uninvested and without liability for interest thereon for the respective accounts of, the Owners entitled to receive the same.

If any conversion of foreign currency, in whole or in part, cannot be effected for distribution to some of the Owners entitled thereto, the Depositary may in its discretion make that conversion and distribution in Dollars to the extent practicable and permissible to the Owners entitled thereto and may distribute the balance of the foreign currency received by the Depositary to, or hold that balance uninvested and without liability for interest thereon for the account of, the Owners entitled thereto.

The Depositary may convert currency itself or through any of its affiliates and, in those cases, acts as principal for its own account and not as agent, advisor, broker or fiduciary on behalf of any other person and earns revenue, including, without limitation, transaction spreads, that it will retain for its own account. The revenue is based on, among other things, the difference between the exchange rate assigned to the currency conversion made under the Deposit Agreement and the rate that the Depositary or its affiliate receives when buying or selling foreign currency for its own account. The Depositary makes no representation that the exchange rate used or obtained in any currency conversion under the Deposit Agreement will be the most favorable rate that could be obtained at the time or that the method by which that rate will be determined will be the most favorable to Owners, subject to the Depositary's obligations under Section 5.3 of that Agreement. The methodology used to determine exchange rates used in currency conversions is available upon request.

## 15. RECORD DATES.

Whenever a cash dividend, cash distribution or any other distribution is made on Deposited Securities or rights to purchase Shares or other securities are issued with respect to Deposited Securities (which rights will be delivered to or exercised or sold on behalf of Owners in accordance with Section 4.4 of the Deposit Agreement) or the Depositary receives notice that a distribution or issuance of that kind will be made, or whenever the Depositary receives notice that a meeting of holders of Shares will be held in respect of which the Company has requested the Depositary to send a notice under Section 4.7 of the Deposit Agreement, or whenever the Depositary will assess a fee or charge against the Owners, or whenever the Depositary causes a change in the number of Shares that are represented by each American Depositary Share, or whenever the Depositary otherwise finds it necessary or convenient, the Depositary shall fix a record date, which shall be the same as, or as near as practicable to, any corresponding record date set by the Company with respect to Shares, (a) for the determination of the Owners (i) who shall be entitled to receive the benefit of that dividend or other distribution or those rights, (ii) who shall be entitled to give instructions for the exercise of voting rights at that meeting, (iii) who shall be responsible for that fee or charge or (iv) for any other purpose for which the record date was set, or (b) on or after which each American Depositary Share will represent the changed number of Shares. Subject to the provisions of Sections 4.1 through 4.5 of the Deposit Agreement and to the other terms and conditions of the Deposit Agreement, the Owners on a record date fixed by the Depositary shall be entitled to receive the amount distributable by the Depositary with respect to that dividend or other distribution or those rights or the net proceeds of sale thereof in proportion to the number of American Depositary Shares held by them respectively, to give voting instructions or to act in respect of the other matter for which that record date was fixed, or be responsible for that fee or charge, as the case may be.

## 16. VOTING OF DEPOSITED SHARES.

- (a) Upon receipt of notice of any meeting of holders of Shares at which holders of Shares will be entitled to vote, if requested in writing by the Company, the Depositary shall, as soon as practicable thereafter, Disseminate to the Owners a notice, the form of which shall be in the sole discretion of the Depositary, that shall contain (i) the information contained in the notice of meeting received by the Depositary, (ii) a statement that the Owners as of the close of business on a specified record date will be entitled, subject to any applicable provision of Cayman Islands law and of the articles of association or similar documents of the Company, to instruct the Depositary as to the exercise of the voting rights pertaining to the amount of Shares represented by their respective American Depositary Shares, (iii) a statement as to the manner in which those instructions may be given, including an express indication that instructions may be given or deemed given in accordance with the last sentence of paragraph (b) below, if no instruction is received, to the Depositary to give a discretionary proxy to a person designated by the Company and (iv) the last date on which the Depositary will accept instructions (the “Instruction Cutoff Date”).
- (b) Upon the written request of an Owner of American Depositary Shares, as of the date of the request or, if a record date was specified by the Depositary, as of that record date, received on or before any Instruction Cutoff Date established by the Depositary, the Depositary may, and if the Depositary sent a notice under the preceding paragraph shall, endeavor, in so far as practicable, to vote or cause to be voted the amount of deposited Shares represented by those American Depositary Shares in accordance with the instructions set forth in that request. The Depositary shall not vote or attempt to exercise the right to vote that attaches to the deposited Shares other than in accordance with instructions given by Owners and received by the Depositary or as provided in the following sentence. If

- (i) the Company instructed the Depository to Disseminate a notice under paragraph (a) above and complied with paragraph (d) below,
  - (ii) no instructions are received by the Depository from an Owner with respect to a matter and an amount of American Depositary Shares of that Owner on or before the Instruction Cutoff Date and
  - (iii) the Depository has received from the Company, by the business day following the Instruction Cutoff Date, a written confirmation that (x) the Company wishes a proxy to be given under this sentence, (y) as of the Instruction Cutoff Date, the Company reasonably does not know of any substantial opposition to the matter and (z) the matter is not materially adverse to the interests of shareholders, then, the Depository shall deem that Owner to have instructed the Depository to give a discretionary proxy to a person designated by the Company with respect to that matter and the amount of deposited Shares represented by that amount of American Depositary Shares and the Depository shall give a discretionary proxy to a person designated by the Company to vote that amount of deposited Shares as to that matter.
- (c) There can be no assurance that Owners generally or any Owner in particular will receive the notice described in paragraph (a) above in time to enable Owners to give instructions to the Depository prior to the Instruction Cutoff Date.
- (d) In order to give Owners a reasonable opportunity to instruct the Depository as to the exercise of voting rights relating to Shares, if the Company will request the Depository to Disseminate a notice under paragraph (a) above, the Company shall give the Depository notice of the meeting, details concerning the matters to be voted upon and copies of materials to be made available to holders of Shares in connection with the meeting not less than 30 days prior to the meeting date.

17. TENDER AND EXCHANGE OFFERS; REDEMPTION, REPLACEMENT OR CANCELLATION OF DEPOSITED SECURITIES.

- (a) The Depository shall not tender any Deposited Securities in response to any voluntary cash tender offer, exchange offer or similar offer made to holders of Deposited Securities (a “Voluntary Offer”), except when instructed in writing to do so by an Owner surrendering American Depositary Shares and subject to any conditions or procedures the Depository may require.
- (b) If the Depository receives a written notice that Deposited Securities have been redeemed for cash or otherwise purchased for cash in a transaction that is mandatory and binding on the Depository as a holder of those Deposited Securities (a “Redemption”), the Depository, at the expense of the Company, shall (i) if required, surrender Deposited Securities that have been redeemed to the issuer of those securities or its agent on the redemption date, (ii) Disseminate a notice to Owners (A) notifying them of that Redemption, (B) calling for surrender of a corresponding number of American Depositary Shares and (C) notifying them that the called American Depositary Shares have been converted into a right only to receive the money received by the Depository upon that Redemption and those net proceeds shall be the Deposited Securities to which Owners of those converted American Depositary Shares shall be entitled upon surrenders of those American Depositary Shares in accordance with Section 2.5 or 6.2 of the Deposit Agreement and (iii) distribute the money received upon that Redemption to the Owners entitled to it upon surrender by them of called American

Depository Shares in accordance with Section 2.5 of that Agreement (and, for the avoidance of doubt, Owners shall not be entitled to receive that money under Section 4.1 of that Agreement). If the Redemption affects less than all the Deposited Securities, the Depository shall call for surrender a corresponding portion of the outstanding American Depository Shares and only those American Depository Shares will automatically be converted into a right to receive the net proceeds of the Redemption. The Depository shall allocate the American Depository Shares converted under the preceding sentence among the Owners pro-rata to their respective holdings of American Depository Shares immediately prior to the Redemption, except that the allocations may be adjusted so that no fraction of a converted American Depository Share is allocated to any Owner. A Redemption of all or substantially all of the Deposited Securities shall be a Termination Option Event.

- (c) If the Depository is notified of or there occurs any change in nominal value or any subdivision, combination or any other reclassification of the Deposited Securities or any recapitalization, reorganization, sale of assets substantially as an entirety, merger or consolidation affecting the issuer of the Deposited Securities or to which it is a party that is mandatory and binding on the Depository as a holder of Deposited Securities and, as a result, securities or other property have been or will be delivered in exchange, conversion, replacement or in lieu of, Deposited Securities (a "Replacement"), the Depository shall, if required, surrender the old Deposited Securities affected by that Replacement of Shares and hold, as new Deposited Securities under the Deposit Agreement, the new securities or other property delivered to it in that Replacement. However, the Depository may elect to sell those new Deposited Securities if in the opinion of the Depository it is not lawful or not practical for it to hold those new Deposited Securities under the Deposit Agreement because those new Deposited Securities may not be distributed to Owners without registration under the Securities Act of 1933 or for any other reason, at public or private sale, at such places and on such terms as it deems proper and proceed as if those new Deposited Securities had been Redeemed under paragraph (b) above. A Replacement shall be a Termination Option Event.
- (d) In the case of a Replacement where the new Deposited Securities will continue to be held under the Deposit Agreement, the Depository may call for the surrender of outstanding Receipts to be exchanged for new Receipts specifically describing the new Deposited Securities and the number of those new Deposited Securities represented by each American Depository Share. If the number of Shares represented by each American Depository Share decreases as a result of a Replacement, the Depository may call for surrender of the American Depository Shares to be exchanged on a mandatory basis for a lesser number of American Depository Shares and may sell American Depository Shares to the extent necessary to avoid distributing fractions of American Depository Shares in that exchange and distribute the net proceeds of that sale to the Owners entitled to them.
- (e) If there are no Deposited Securities with respect to American Depository Shares, including if the Deposited Securities are cancelled, or the Deposited Securities with respect to American Depository Shares become apparently worthless, the Depository may call for surrender of those American Depository Shares or may cancel those American Depository Shares, upon notice to Owners, and that condition shall be a Termination Option Event.

## 18. LIABILITY OF THE COMPANY AND DEPOSITARY.

Neither the Depositary nor the Company nor any of their respective directors, employees, agents or affiliates shall incur any liability to any Owner or Holder:

- (i) if by reason of (A) any provision of any present or future law or regulation or other act of the government of the United States, any State of the United States or any other state or jurisdiction, or of any governmental or regulatory authority or stock exchange; (B) (in the case of the Depositary only) any provision, present or future, of the articles of association or similar document of the Company, or by reason of any provision of any securities issued or distributed by the Company, or any offering or distribution thereof; or (C) any event or circumstance, whether natural or caused by a person or persons, that is beyond the ability of the Depositary or the Company, as the case may be, to prevent or counteract by reasonable care or effort (including, but not limited to earthquakes, floods, severe storms, fires, explosions, war, terrorism, civil unrest, labor disputes or criminal acts; interruptions or malfunctions of utility services, Internet or other communications lines or systems; unauthorized access to or attacks on computer systems or websites; or other failures or malfunctions of computer hardware or software or other systems or equipment), the Depositary or the Company is, directly or indirectly, prevented from, forbidden to or delayed in, or could be subject to any civil or criminal penalty on account of doing or performing and therefore does not do or perform, any act or thing that, by the terms of the Deposit Agreement or the Deposited Securities, it is provided shall be done or performed;
- (ii) for any exercise of, or failure to exercise, any discretion provided for in the Deposit Agreement (including any determination by the Depositary to take, or not take, any action that the Deposit Agreement provides the Depositary may take);
- (iii) for the inability of any Owner or Holder to benefit from any distribution, offering, right or other benefit that is made available to holders of Deposited Securities but is not, under the terms of the Deposit Agreement, made available to Owners or Holders; or
- (iv) for any special, consequential or punitive damages for any breach of the terms of the Deposit Agreement.

Where, by the terms of a distribution to which Section 4.1, 4.2 or 4.3 of the Deposit Agreement applies, or an offering to which Section 4.4 of that Agreement applies, or for any other reason, that distribution or offering may not be made available to Owners, and the Depositary may not dispose of that distribution or offering on behalf of Owners and make the net proceeds available to Owners, then the Depositary shall not make that distribution or offering available to Owners, and shall allow any rights, if applicable, to lapse.

Neither the Company nor the Depositary assumes any obligation or shall be subject to any liability under the Deposit Agreement to Owners or Holders, except that they agree to perform their obligations specifically set forth in the Deposit Agreement without negligence or bad faith. The Depositary shall not be a fiduciary or have any fiduciary duty to Owners or Holders. The Depositary shall not be subject to any liability with respect to the validity or worth of the Deposited Securities. Neither the Depositary nor the Company shall be under any obligation to appear in, prosecute or defend any action, suit, or other proceeding in respect of any Deposited Securities or in respect of the American Depositary Shares, on behalf of any Owner or Holder or other person. Neither the Depositary nor the Company shall be liable for any action or non-action by it in reliance upon the advice of or information from legal counsel, accountants, any person

presenting Shares for deposit, any Owner or Holder, or any other person believed by it in good faith to be competent to give such advice or information. Each of the Depositary and the Company may rely, and shall be protected in relying upon, any written notice, request, direction or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Depositary shall not be liable for any acts or omissions made by a successor depositary whether in connection with a previous act or omission of the Depositary or in connection with a matter arising wholly after the removal or resignation of the Depositary, provided that in connection with the issue out of which such potential liability arises, the Depositary performed its obligations without negligence or bad faith while it acted as Depositary. The Depositary shall not be liable for the acts or omissions of any securities depository, clearing agency or settlement system in connection with or arising out of book-entry settlement of American Depositary Shares or Deposited Securities or otherwise. In the absence of bad faith on its part, the Depositary shall not be responsible for any failure to carry out any instructions to vote any of the Deposited Securities or for the manner in which any such vote is cast or the effect of any such vote. The Depositary shall have no duty to make any determination or provide any information as to the tax status of the Company or any liability for any tax consequences that may be incurred by Owners or Holders as a result of owning or holding American Depositary Shares. The Depositary shall not be liable for the inability or failure of an Owner or Holder to obtain the benefit of a foreign tax credit, reduced rate of withholding or refund of amounts withheld in respect of tax or any other tax benefit. No disclaimer of liability under the United States federal securities laws is intended by any provision of the Deposit Agreement.

#### 19. RESIGNATION AND REMOVAL OF THE DEPOSITARY; APPOINTMENT OF SUCCESSOR CUSTODIAN.

The Depositary may at any time resign as Depositary under the Deposit Agreement by written notice of its election so to do delivered to the Company, to become effective upon the appointment of a successor depositary and its acceptance of such appointment as provided in the Deposit Agreement. The Depositary may at any time be removed by the Company by 90 days' prior written notice of that removal, to become effective upon the later of (i) the 90th day after delivery of the notice to the Depositary and (ii) the appointment of a successor depositary and its acceptance of its appointment as provided in the Deposit Agreement. The Depositary in its discretion may at any time appoint a substitute or additional custodian or custodians.

#### 20. AMENDMENT.

The form of the Receipts and any provisions of the Deposit Agreement may at any time and from time to time be amended by agreement between the Company and the Depositary without the consent of Owners or Holders in any respect which they may deem necessary or desirable. Any amendment that would impose or increase any fees or charges (other than taxes and other governmental charges, registration fees, cable, telex or facsimile transmission costs, delivery costs or other such expenses), or that would otherwise prejudice any substantial existing right of Owners, shall, however, not become effective as to outstanding American Depositary Shares until the expiration of 30 days after notice of that amendment has been Disseminated to the Owners of outstanding American Depositary Shares. Every Owner and Holder, at the time any amendment so becomes effective, shall be deemed, by continuing to hold American Depositary Shares or any interest therein, to consent and agree to that amendment and to be bound by the Deposit Agreement as amended thereby. Upon the effectiveness of an amendment to the form of Receipt, including a change in the number of Shares represented by each American Depositary Share, the Depositary may call for surrender of Receipts to be replaced with new Receipts in the amended form or call for surrender of American Depositary Shares to effect that change of ratio. In no event shall any amendment impair the right of the Owner to surrender American Depositary Shares and receive delivery of the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law.

## 21. TERMINATION OF DEPOSIT AGREEMENT.

- (a) The Company may initiate termination of the Deposit Agreement by notice to the Depository. The Depository may initiate termination of the Deposit Agreement if (i) at any time 90 days shall have expired after the Depository delivered to the Company a written resignation notice and a successor depository has not been appointed and accepted its appointment as provided in Section 5.4 of that Agreement, (ii) an Insolvency Event or Delisting Event occurs with respect to the Company or (iii) a Termination Option Event has occurred or will occur. If termination of the Deposit Agreement is initiated, the Depository shall Disseminate a notice of termination to the Owners of all American Depositary Shares then outstanding setting a date for termination (the “Termination Date”), which shall be at least 90 days after the date of that notice, and the Deposit Agreement shall terminate on that Termination Date.
- (b) After the Termination Date, the Company shall be discharged from all obligations under the Deposit Agreement except for its obligations to the Depository under Sections 5.8 and 5.9 of that Agreement.
- (c) At any time after the Termination Date, the Depository may sell the Deposited Securities then held under the Deposit Agreement and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, unsegregated and without liability for interest, for the pro rata benefit of the Owners of American Depositary Shares that remain outstanding, and those Owners will be general creditors of the Depository with respect to those net proceeds and that other cash. After making that sale, the Depository shall be discharged from all obligations under the Deposit Agreement, except (i) to account for the net proceeds and other cash (after deducting, in each case, the fee of the Depository for the surrender of American Depositary Shares, any expenses for the account of the Owner of such American Depositary Shares in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes or governmental charges) and to pay them to Owners upon surrender of American Depositary Shares in accordance with Section 2.5 of that Agreement and (ii) for its obligations under Section 5.8 of that Agreement and (iii) to act as provided in paragraph (d) below.
- (d) After the Termination Date, the Depository shall continue to receive dividends and other distributions pertaining to Deposited Securities (that have not been sold), may sell rights and other property as provided in the Deposit Agreement and shall deliver Deposited Securities (or sale proceeds) upon surrender of American Depositary Shares (after payment or upon deduction, in each case, of the fee of the Depository for the surrender of American Depositary Shares, any expenses for the account of the Owner of those American Depositary Shares in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes or governmental charges). After the Termination Date, the Depository shall not accept deposits of Shares or deliver American Depositary Shares. After the Termination Date, (i) the Depository may refuse to accept surrenders of American Depositary Shares for the purpose of withdrawal of Deposited Securities (that have not been sold) or reverse previously accepted surrenders of that kind that have not settled if in its judgment the requested withdrawal would interfere with its efforts to sell the Deposited Securities, (ii) the Depository will not be required to deliver cash proceeds of the sale of Deposited Securities until all Deposited Securities have been sold and (iii) the Depository may discontinue the registration of transfers of American Depositary Shares and suspend the distribution of dividends and other distributions on Deposited Securities to the Owners and need not give any further notices or perform any further acts under the Deposit Agreement except as provided in Section 6.2 of that Agreement.

## 22. DTC DIRECT REGISTRATION SYSTEM AND PROFILE MODIFICATION SYSTEM.

- (a) Notwithstanding the provisions of Section 2.4 of the Deposit Agreement, the parties acknowledge that DTC's Direct Registration System ("DRS") and Profile Modification System ("Profile") apply to the American Depositary Shares upon acceptance thereof to DRS by DTC. DRS is the system administered by DTC that facilitates interchange between registered holding of uncertificated securities and holding of security entitlements in those securities through DTC and a DTC participant. Profile is a required feature of DRS that allows a DTC participant, claiming to act on behalf of an Owner of American Depositary Shares, to direct the Depository to register a transfer of those American Depositary Shares to DTC or its nominee and to deliver those American Depositary Shares to the DTC account of that DTC participant without receipt by the Depository of prior authorization from the Owner to register that transfer.
- (b) In connection with DRS/Profile, the parties acknowledge that the Depository will not determine whether the DTC participant that is claiming to be acting on behalf of an Owner in requesting registration of transfer and delivery described in paragraph (a) above has the actual authority to act on behalf of that Owner (notwithstanding any requirements under the Uniform Commercial Code). For the avoidance of doubt, the provisions of Sections 5.3 and 5.8 of the Deposit Agreement apply to the matters arising from the use of the DRS/Profile. The parties agree that the Depository's reliance on and compliance with instructions received by the Depository through the DRS/Profile system and otherwise in accordance with the Deposit Agreement, shall not constitute negligence or bad faith on the part of the Depository.

## 23. ARBITRATION; SETTLEMENT OF DISPUTES.

Any controversy, claim or cause of action brought by any party to the Deposit Agreement against the Company arising out of or relating to the Shares or other Deposited Securities, the American Depositary Shares, the Receipts or the Deposit Agreement, or the breach hereof or thereof, if so elected by the claimant, shall be settled by arbitration in accordance with the International Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof.

The place of the arbitration shall be The City of New York, State of New York, United States of America, and the language of the arbitration shall be English.

The number of arbitrators shall be three, each of whom shall be disinterested in the dispute or controversy, shall have no connection with any party thereto, and shall be an attorney experienced in international securities transactions. Each party shall appoint one arbitrator and the two arbitrators shall select a third arbitrator who shall serve as chairperson of the tribunal. If a dispute, controversy or cause of action shall involve more than two parties, the parties shall attempt to align themselves in two sides (i.e., claimant(s) and respondent(s)), each of which shall appoint one arbitrator as if there were only two parties to such dispute, controversy or cause of action. If such alignment and appointment shall not have occurred within thirty (30) calendar days after the initiating party serves the arbitration demand, the American Arbitration Association shall appoint the three arbitrators, each of whom shall have the qualifications described above. The parties and the American Arbitration Association may appoint from among the nationals of any country, whether or not a party is a national of that country.

The arbitral tribunal shall have no authority to award any consequential, special or punitive damages or other damages not measured by the prevailing party's actual damages and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of the Deposit Agreement.

24. APPOINTMENT OF AGENT FOR SERVICE OF PROCESS; SUBMISSION TO JURISDICTION; JURY TRIAL WAIVER; WAIVER OF IMMUNITIES.

The Company has (i) appointed Law Debenture Corporate Services Inc., 801 Second Avenue, Suite 403, New York, New York, 10017, +1 212-750-6474, located in the State of New York, as the Company's authorized agent upon which process may be served in any suit or proceeding (including any arbitration proceeding) arising out of or relating to the Shares or Deposited Securities, the American Depositary Shares, the Receipts or this Agreement, (ii) consented and submitted to the jurisdiction of any state or federal court in the State of New York in which any such suit or proceeding may be instituted, and (iii) agreed that service of process upon said authorized agent shall be deemed in every respect effective service of process upon the Company in any such suit or proceeding.

EACH PARTY TO THE DEPOSIT AGREEMENT (INCLUDING, FOR AVOIDANCE OF DOUBT, EACH OWNER AND HOLDER) THEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING AGAINST THE COMPANY AND/OR THE DEPOSITARY DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THE SHARES OR OTHER DEPOSITED SECURITIES, THE AMERICAN DEPOSITARY SHARES OR THE RECEIPTS, THE DEPOSIT AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREIN OR THEREIN, OR THE BREACH HEREOF OR THEREOF, INCLUDING, WITHOUT LIMITATION, ANY QUESTION REGARDING EXISTENCE, VALIDITY OR TERMINATION (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

To the extent that the Company or any of its properties, assets or revenues may have or hereafter become entitled to, or have attributed to it, any right of immunity, on the grounds of sovereignty or otherwise, from any legal action, suit or proceeding, from the giving of any relief in any respect thereof, from setoff or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, from attachment in aid of execution or judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to its obligations, liabilities or any other matter under or arising out of or in connection with the Shares or Deposited Securities, the American Depositary Shares, the Receipts or the Deposit Agreement, the Company, to the fullest extent permitted by law, hereby irrevocably and unconditionally waives, and agrees not to plead or claim, any such immunity and consents to such relief and enforcement.
